#### 16. FUTURE WASTE AND RECYCLING SERVICES

In connection with the Part I and Part II reports being considered at the meeting of Council which updated members on the progress of the project to introduce new waste and recycling collection services from February 2014 the Cabinet received the advice of the Environment and Resources Portfolio Holders as set out in the following:

- An extract from the Part I and Part II minutes of the Environment Policy Advisory Group held on 4 September 2012; and
- the comments received via email from the Resources Policy Advisory Group

After considering the advice of the Portfolio Holders the Cabinet:

<b>RECOMMENDED to Council that</b>
<ol style="list-style-type: none"><li>1. The capital and revenue budget changes as outlined in Part II of the report are made;</li><li>2. A Framework Contract is used for the purchase of wheelie bins and ancillary equipment, such as food waste caddies;</li><li>3. The authority previously delegated to the Director of Resources in consultation with the Resources Portfolio Holder and the Head of Finance be extended to cover the purchase of wheelie bins and ancillary equipment.</li></ol>

The meeting terminated at 5.16 pm
