

Subject	Economic Activity Update.
----------------	----------------------------------

1 Purpose of this Report

- 1.1 To provide an update on the work going on within South Bucks District to promote economic development, and to inform a debate on what should be done to promote economic sustainability in the district.

2 Background

- 2.1 As a follow-up to the joint Business Plan, this update aims to provide information about what is being done around economic development.

3 Discussion

- 3.1 The economic activity update is attached as Appendix A.
- 3.2 This sets out the work underway, support given and signposting undertaken by Chiltern and South Bucks District Councils and their partners with a view to enhancing the local economy.

4. Resources, Risk and Other Implications

Resources - Within existing resources if no further actions are required.

Financial - No financial implications for existing actions, any new actions identified may have financial implications.

Legal - None. To be reconsidered if further actions are recommended.

Risks issues - None. To be reconsidered if further actions are recommended.

Equalities - None. To be reconsidered if further actions are recommended.

Others - None. To be considered if further actions are recommended

5. Recommendation

- 5.1 Cabinet are asked to note the update contained in Appendix A and to discuss:
- 5.1.1 Are there any gaps in what is already being done to promote economic sustainability within the District?
- 5.1.2 Can any further actions be undertaken by the Council to drive forward economic development?
