<p><b>Information for consideration</b></p>	<p>No agreement has been made with schools in South Bucks. After the first term schools can choose to take Numberfit up on their services for additional terms, each term costs £3,250. Numberfit has worked with Gerrards Cross Combined School, St Mary's School Gerrards Cross and Gayhurst School</p>	<p>The grant will enable Padstones to continue to provide a service to support young homeless people. Outreach work will continue which includes making presentations and holding homeless prevention workshops in local schools. Support staff also accompanies residents to various external activities, including hospital appointments, meetings with teachers and benefit meetings. The grant will enable Padstones to continue with this service.</p>	<p>Grant would be used for a black, Asian and minority ethnic (BAME) worker to conduct further outreach activities by setting up groups within the District and supporting BAME women. This project does not support girls and women with a white ethnic background. <b>Clarification sought on this.</b></p>
<p><b>Outline of Work</b></p>	<p>Provides mathematics courses in schools for children aged 3-14 by integrating mathematics with fitness. They will approach 2 schools in South Bucks and offer 1 term of Numberfit sessions for one class. On completion they will be able to demonstrate how Numberfit can assist them in improving numeracy levels.</p>	<p>Key partner in providing advice and emergency accommodation for young people. <b>Information for consideration</b>	Contribution to bursary fund. This is when residents of south Bucks require counselling services and are unable to pay the actual cost of the session.	Request is only 8% of the total cost of the sessional staff.  The playground allows children with special needs to play and enjoy social interaction helping increase their confidence and self-esteem which helps them feel happier, be healthier and feel less isolated.	The charity applied for a grant from Wycombe District Council which was refused.  There are other Children's centres in Amersham, Aylesbury and Slough. Application states 50% of clients are from South Bucks which seems like a high figure.
<b>Outline of Work</b>	Relate is a counselling service specialising in relationships, families and children. Their purpose is to help individuals, couples and families make positive changes and engage in positive relationships for the benefit of themselves, their family and society.  Working in partnerships with other organisations, such as Mind, Women's Aid, Bucks Youth Counselling,	Provides an adventure playground for children and adults with all types of special needs. There is indoor and outdoor facilities with purpose built equipment.	Wycombe Child Contact Centre is a place where children of separated families can enjoy contact with one or both parents and sometimes other family members in a relaxed, safe and neutral environment.  The service is provided every other Saturday.
<b>No. of residents or groups served in S.Bucks</b>	In 2013/14 over 300 families from South Bucks were registered with Relate. Last year the figure was 146 families.	236.5 hours of respite care were given to users from South Bucks.	I have questioned the figures and asked for a breakdown of which town / village the clients are from.

<b>Need for financial assistance</b>	Small level of reserves which represent 2 months of expenditure. Therefore demonstrated financial need. Generated £11,257 profit last year.	Has £883,511 in reserves. Trustees consider it prudent to maintain unrestricted cash reserves equivalent to between 1& 2 years of core annual expenditure.	The charity ran at a loss of £3,002 last year.
<b>Other Information</b>			
		No other facility in the area for children with special needs. A short break at the playground can be a crucial part of the family coping mechanism, making all the difference to those providing what is often a 24/7 care for a child with a special need. It offers respite for the carer(s) and fun for the child.
