3. Reasons for Recommendations

3.1 This reports factual annual performance against pre-agreed targets. Management Team, Cabinet and Overview & Scrutiny Committee receive regular updates detailing our progress towards service plan objectives, performance targets and strategic risks, in line with our Performance and Improvement Framework. This year the Annual Report is in a different format. Previously, the Annual Report was a 40+ page document, but was reduced last year. This year it has been reduced further to a two sided info-graphic designed to highlight the main achievements for the year and main achievements for the year ahead.

3.2 The Annual Report and two detailed performance tables accompany this report:

- **Appendix A – Annual Report SBDC 2015-16**
- **Appendix B – Priority indicators 2015-16**

- Appendix C – Quarterly corporate performance indicators 2015-16.

4. Key points to note this quarter:

- 4.1 Of the nine off-target PIs, three are priority PIs. Please refer to the appendices for full details.
- 4.2 Of the 11 unknown PIs, six are provided for information only; four are not reported this quarter and one is a new PI for this year where the target has not yet been set.
- 4.3 **Leader's**: voluntary leavers as a percentage of the workforce and working days lost due to sickness were off target, the latter mainly due to long-term sick absence. Personnel Committee are kept fully informed.
- 4.4 **Healthy communities**: all five of the off-target PIs relate to housing, please refer to the appendices to view individual reasons. Three are linked to the national increase in demand for temporary accommodation, which a government briefing paper states¹ is 11% nationally year on year at March 2015, with a further 3% increase by June 2015, the biggest single area impacted being London.
