

**Item 5 – Questions**

In accordance with Council Procedure Rules 9 and 10 the following question has been submitted by Councillor Ray Sangster:

"The proposed acquisition of Grand Union House for a hostel for the homeless, at an asking price of £10M, is now off our Agenda. Pressure remains to secure such a location.

As the Gerard's Cross Police Station cost half this amount why are we not considering converting this building for a hostel for the homeless? If not, why not?"
