Item

9. Questions

To answer questions (if any) from

- (a) Members of the Council; and
- (b) Members of the public

which have been put under Procedure Rules 9 and 10.

- (a) To answer the following questions from Councillor Harding:

1, Bearing in mind the assurances given in the answers supplied after the questions that I have asked at a previous Council Meeting concerning the Police Station at Tatling End, which is in the Parish of Denham. Can the Cabinet Member confirm that all contamination has been removed from the site. Please supply tonnages/amounts and at what costs for removal and disposal ?

2, Can the Leader now confirm who the two South Bucks District Council nominees will be for the Shadow Authority. Other Nominations have been made by the other participating Councils, with the Leader from Bucks County Council assuming the position of Chairman. The Structural Changes Order has now been

laid before Parliament, bearing in mind that there have been no changes in the original order, despite the best efforts of a failed Judicial Review. Expediency will be required as soon as the Structural Changes Order has progressed through Parliament the Shadow Authority will need to be convened within 14 days. Of the immediate many responsibilities of the Shadow Authority and will be of particular interest to all Bucks residents, will be setting the 2020/21 council tax & budget. Failure to confirm these two important appointments will be yet another example of the Leaders obstructive tactics towards the new Unitary. Despite its progress in other places and of course shortly becoming law.

(b) To answer the following question from Councillor Sandy:

What are the projected cost savings from the decision that our Council Tax-Payers should personally fund replacement of wheelie bins, paper and waste food boxes?

(c) To answer the following questions from Councillor Reed:

1. In October 2018 Cabinet decided unanimously to support the development of a third runway at Heathrow. At their meeting, Cabinet said they would be "seeking mitigation measures on a number of issues including air quality, land quality, noise pollution and traffic and transport".

What specific consultation has been undertaken with residents in Iver, Denham, Gerrards Cross and Beaconsfield to address their concerns on these environmental issues, and what specific mitigation measures have been discussed with Heathrow Airport Ltd.

2. Can the Leader confirm that as Members and Council tax payers have received no report from the Leader or any Executive Member in the past three years regarding attendance at the LGA Annual Conference there is no longer any value in he or any Executive Member being 100 % subsidised by the Council Tax Payer in attending.

Note: All reports will be updated orally at the meeting if appropriate and may be supplemented by additional reports at the Chairman's discretion.

Bob Smith
Chief Executive
South Bucks District Council

Date of next meeting – Tuesday, 14 May 2019
