## Portfolio Holder Decision Notice

Notice is given that the following decision has been taken by the Portfolio Holder on Thursday, 4 April 2019

### 6 Community Infrastructure Levy (Draft Charging Schedule)

#### (a) DECISION:

The PAG received a report which asked Members to consider whether the Community Infrastructure Levy (CIL) Draft Charging Schedule (DCS) should be issued for consultation and submitted to an examiner for an Examination in Public.

It was **RESOLVED** that the Portfolio Holder agreed:

1. That the Community Infrastructure Levy – Draft Charging Schedule be published and consulted on.
2. That authority be delegated to the Head of Planning and Economic Development, in consultation with the Portfolio Holder for Planning and Economic Development, to make minor editorial changes and corrections to the Community Infrastructure Levy – Draft Charging Schedule and supporting documents.
3. That in light of the responses to the consultation, authority be delegated to the Head of Planning and Economic Development, in consultation with the Portfolio Holder for Planning and Economic Development, to make minor amendments to the Draft Charging Schedule and supporting documents prior to the submission for examination.
4. That the Community Infrastructure Levy – Draft Charging Schedule consultation documents and any responses be submitted to an independent examiner for an Examination in Public.

#### (b) REASON FOR DECISION:

Formal consultation was a prerequisite in the pathway to adopt the Community Infrastructure Levy. The Draft Charging Schedule was independently examined and the findings determine if the Council can adopt the Community Infrastructure Levy.

**(c) ALTERNATIVE OPTIONS CONSIDERED:**

The alternative option was not to introduce CIL, which would forego this source of infrastructure funding.

**(d) CONFLICTS OF INTERESTS/DISPENSATIONS:**

None.
