What is the Commission being asked to do?

The Chairman and Vice-Chairman of the Commission have invited the Cabinet Member for Economic Development and Regeneration to this meeting of the Commission to give an overview of the Portfolio's work for the current year and to highlight any issues that the Commission could be involved with to help the Cabinet Member when taking decisions.

The report produced by the Cabinet Member for Economic Development and Regeneration outlining the current and planned work within his Portfolio is attached as **Appendix A**.

This is an opportunity for questions and discussion, in the spirit of working together, to ensure the Commission plays a constructive added-value role.

Please note that Charles Brocklehurst (Major projects executive) and Jacqueline Ford (Policy team – economic development) will be accompanying the Cabinet Member.

As Members are aware this is the last in a series of updates made to the Commission by Cabinet Members.
