

UPDATE FROM THE CABINET MEMBER FOR HOUSING

Officer contact: Catherine Whitehead – Head of Democratic, Legal & Policy Services (01494 421980) (catherine.whitehead@wycombe.gov.uk)

What is the Commission being asked to do?

The Chairman and Vice-Chairman of the Commission have invited the Cabinet Member for Housing to this meeting of the Commission to give an overview of the Portfolio's work for the next year and to highlight any issues that the Commission could be involved with to help the Cabinet Member when taking decisions.

There will then be an opportunity for questions and discussion, in the spirit of working together, to ensure the Commission plays a constructive added-value role.

Please note the Head of Environment and Housing Service Manager have also been invited to the Meeting to accompany the Cabinet Member.

It is the intention if possible to include an update on the Saunderton Lodge Appraisal / Consultation within this item.

As Members are aware this is one in a series of presentations made to the Commission by Cabinet Members. The intention is that other Cabinet Members will be invited to attend future meetings of the Commission to give an overview and update of their work, with a view to similarly highlighting any issues that the Commission could be involved in to help Cabinet decision-making.
