

## **Notice re Plans**

Due to the high number of plans for this application it is only possible to include a representative selection of plans in the printed agenda.

Full plans are available via Public Access and for Members of the Council there will be further plans displayed in the Council Chamber from 4PM on Friday the 15<sup>th</sup> November. Please note access to the Chamber before the 20<sup>th</sup> November will be subject to other meetings continuing as normal.

Note:  
Levels and finished floor levels are indicative  
only and subject to engineering structural design.

Note:  
For clarity of building within the site context, the drawing is shown as if viewed directly from the  
North. Building on the right is shown as if viewed from the North. The building shown is shown from the front side of each subject lot only.

**NOTE:**  
Levels and finished floor levels are indicated only and subject to engineers' detailed design.

**NOTE:**  
For clarity all buildings within the street scenes are shown as if viewed perfectly 'front on'. Where buildings on the site layout plan sit at an angle to each other, the spacing between them is taken from the front edge of each adjacent building. Where trees are in the foreground in front of buildings, they are shown dotted for clarity.

NOTE: All elevations are based on the design shown in the approved planning application. All elevations are subject to any necessary alterations.
