1. Purpose of Report

- 1.1 The Implementation Plan for the new Council has committed to a 'must have' of a new main pay scale and terms and conditions in place for 1 April 2020. These proposed pay arrangements and T&Cs will apply to staff at Tier 4 and below.
- 1.2 The HR Leads from the Councils have been consulting with the recognised Unions and Employee Reps about the new Main Pay scale and T&Cs for Buckinghamshire Council (BC) and this process has now reached a conclusion.
- 1.3 New employees who commence employment on or after 1 April 2020 will be employed on BC pay, terms and conditions. Likewise new roles will also attract BC pay, T&Cs.
- 1.4 All employees of the current District and County Councils will TUPE transfer to Buckinghamshire Council on their transferring contractual Pay, Terms and Conditions. As part of restructuring and change programmes some employees will move into new roles and these will be on Buckinghamshire Council pay arrangements and Terms and Conditions.
- 1.5 Should Buckinghamshire Council pay arrangements be less favourable then transferring contractual pay protection arrangements will apply. Where terms and conditions are less favourable then these will also be protected for a year.
- 1.6 None of these proposals impact schools based staff who have long standing separate pay and conditions arrangements. Arrangements for Tiers 1-3 have previously been agreed and the proposals in this report are consistent with those arrangements.
- 1.7 Following Shadow Executive agreement the next step will be to inform staff about these arrangements and for the relevant Trade Unions to ballot their members.
