Pollution in Buckinghamshire's Rivers and Chalk Streams Rapid Review – Recommendations from the TECC Select Committee Review Group

Chairman – Cllr Robert Carington

Response from Cabinet

Recommendation	Cabinet's Response – Y/N & comments	Lead Member/Officer & Timelines
<p>1. The Cabinet Member for Transport should investigate the use of new and practical gully technology with the intention of reducing harmful chemicals from the highways entering the watercourse.</p>	<p>Yes</p> <p>We will continue to look at innovative and practical ways when updating and maintaining our gully systems, working with our current and future Highways Maintenance Contractors, to reduce the extent and impact of highways related pollutants entering water course.</p>	<p>Steve Broadbent</p> <p>Kevin Goad Dave Roberts Sian Thomas</p>
<p>2. The Cabinet Member for Transport should consider pollution contribution as a category that impacts the frequency of gully cleaning in the future programme of maintenance.</p>	<p>Yes</p> <p>Maintaining optimum silt levels in gullies and soakaways through a data lead approach to cleansing is important. A certain level of silt helps to filter pollutants, that are then disposed of appropriately in cleansing. Not allowing them to be overly full will automatically reduce the amount of harmful pollutants that would otherwise enter watercourses as a result of overflowing gullies and/or saturated silt levels that no longer act as filters.</p>	<p>Steve Broadbent</p> <p>Kevin Goad Dave Roberts Sian Thomas</p>

<p>3. The Cabinet Member for Environment & Climate Change and the Cabinet Member for Homelessness & Regulatory Services should liaise to implement an update on the council website to include a page on water quality. This page should contain signposting for residents on who to contact regarding issues such as pollution incidents, spillages on highways and misconnections.</p>	<p>Yes</p> <p>We would support this recommendation. This page can be created with input from both the Flood Risk team, Environmental Health team and Highways to signpost to the relevant organisations with responsibilities in this area</p> <p>Page likely to be to be owned by Planning & Environment. The situation will be monitored to determine that amount of “enquiry” traffic to Buckinghamshire Council which is generated by having a page for water quality and any increase in staff resources that may be required as a result</p>	<p>Gareth Williams / Mark Winn</p> <p>Karen Fisher</p>
<p>4. The Environment Agency should assign a dedicated, single point of contact that is of suitable seniority that can signpost queries from Local Authorities to the relevant EA Team or contact.</p>	<p>EA</p> <p>In part</p> <p>The Council can continue to use Helen Smith as the Area Environment Manager that covers the Buckinghamshire area. Liz Robinson can also be used as a more local contact that covers pollution incidents and regulates the water companies and other water users (discharge consents and water resources permits) in Buckinghamshire area.</p> <p>Bucks Council</p> <p>The Strategic Flood Management Team already have a point of contact within Environment Agency for flooding matters. There also is currently a method of escalating matters to more senior people within the Environment Agency but this is more related to flooding matters. To be in included in letter for recommendation 5</p>	<p>EA</p>
<p>5. The Leader writes to the Secretary of State for Environment, Food and Rural Affairs regarding the</p>	<p>Yes</p>	<p>Martin Tett / Gareth Williams</p>

<p>council's concern with engagement from the EA on this particular inquiry and other concerns reported to the Council regarding the EA's discharge of its statutory functions and its conduct.</p>	<p>Letter being drafted and will be sent in near future.</p>	<p>Steve Bambrick</p>
<p>6. The Cabinet Member for Environment & Climate Change to lobby Anglian Water and Thames Water to invest in further catchment programmes in the county that emulate the benefits of the River Chess Smarter Water Catchment programme.</p>	<p>Yes</p> <p>Thames Water have an ambition to roll this project out to other catchment partnerships. This will be dependent upon OFWAT's decision, regarding future funding, following the completion of the Smarter Water Catchment projects. Lobbying should therefore also include OFWAT.</p> <p>Lobbying of Thames Water and Anglian Water can be through existing partnership channels.</p>	<p>Gareth Williams</p> <p>Karen Fisher</p>
<p>7. Anglian Water and Thames Water submit annual reports to the TECC Select Committee on the progress towards reducing the amount and duration of storm overflows and discharge events in the county, as well as improving their infrastructure in Buckinghamshire.</p>	<p>Anglian Water</p> <p>Yes</p> <p>Anglian Water is currently increasing understanding of storm overflow operation across the region through the delivery of investigations in our Water Industry National Environment Programme (WINEP). We recognised the imperative of this work and have accelerated the programme to deliver 100% coverage of storm overflows by December 2023, with 73% already delivered. This has included ecological modelling of storm overflows in targeted river catchments.</p> <p>The storm overflow investigation programme includes approximately ten (10) assets within Buckinghamshire and is helping to inform our storm overflow strategy for 2025-2030 (AMP8) and beyond.</p>	<p>Anglian Water</p> <p>Thames Water</p>

	<p>Our AMP8 target is to understand the ecological impact across all of our 1552 overflows, with 38% of the high-priority overflows achieving 10 or fewer spills per year. We are currently assessing options to achieve this objective through our business planning process, and hope to be able to outperform this target through a combination of tradition and nature-based solutions.</p> <p>Thames Water Response not yet received.</p>	
<p>8. The Cabinet Member for Environment & Climate Change should engage with the incoming new CEO of the River Thames Catchment Trust and support the Trust's expansion into the Upper Great Ouse catchment area.</p>	<p>Yes</p> <p>Collaboration with River Trusts is essential to the delivery of water quality improvements in Buckinghamshire. Buckinghamshire Council would be well positioned to engage with the River Thames Conservation Trust to understand and support, where appropriate and feasible, their ambitions.</p> <p>The proposed expansion has potential benefit to the northern catchments in Buckinghamshire which currently lack an active rivers trust.</p>	<p>Gareth Williams</p> <p>Karen Fisher</p>
<p>9. The Deputy Cabinet Member for Environment lobbies further regarding the enactment of Schedule 3 to the Flood and Water Management Act 2010 with further support from the Council if necessary.</p>	<p>Yes</p> <p>This decision on the enactment currently sits with Defra with a possible announcement this Autumn 2022. Lobbying has already taken place through the consultation process. Any further lobbying should be directed at both the Minister for Environment and Defra officers.</p>	<p>Gareth Williams / Jilly Jordan</p> <p>Karen Fisher</p>

	The impact of Schedule 3 on the Council and resource requirements will need careful assessment.	
<p>10. A communications campaign be promoted through existing channels (e.g. newsletters and planning informatives) to encourage residents to ensure that their builders/contractors connect the right drain to the right place on works that are exempt from checks by Building Control.</p>	<p>Partial agreement.</p> <p>The Water Companies and Environment Agency have regular communication out to the public on these and other flooding issues. It would be useful to have forewarning of these communications so that Buckinghamshire can share re-tweet these messages and reinforce the message going out to local residents. Any comms campaign by the Council would duplicate the efforts made by the other agencies identified above and it would not be value for money for Buckinghamshire Council to embark upon a communication campaign.</p>	<p>Gareth Williams / Peter Strachan</p> <p>Steve Bambrick</p>

Agenda Item 9

<p>county, with future housing growth at “Place and neighbourhood”. Ensure senior people are involved in conversations between Buckinghamshire Council and health in relation to future planning of primary care. Attendance at the planned joint Select Committee meeting.</p>	<p>BOB ICB commit to the direction of travel in line with National guidance and emerging contractual requirements of PCNs with regards development and delivery.</p> <p>PCNs will be encouraged to work in neighbourhood groups with Community Boards.</p> <p>BOB ICB will continue to work with planning partners with regards to housing growth and subsequent service and estates requirements in the appropriate forums.</p>	
<p>3. The preparation of an annual report to the Health & Adult Social Care Select Committee on the performance of PCNs, including resourcing, staffing and outcomes.</p>	<p>Yes</p> <p>PCN assurance will be developed in the coming months, expected to include resourcing, staffing and outcomes.</p>	<p>Louise Smith/ Simon Kearey March 2023</p>
<p>4. PCN workforce plans to be published on the websites at Place level, as well as being shared with the Patient Participation Group Chairs on an annual basis to coincide with submission of them to the ICB.</p>	<p>Agreed in part</p> <p>The ICB will be able to provide a summary of all place workforce finances allocated and roles recruited to on a yearly basis. There would however need to be further discussion as to which websites these could be posted on most appropriately.</p>	<p>Louise Smith/ Simon Kearey/ Julie Dandridge / Helen Clarke March 2023</p>
<p>5. Ensure all PCNs have a dedicated network manager in post. Lobby NHS England for this to be a funded position as part of the additional roles reimbursement scheme to ensure fairness across the PCNs and to review the current yearly funding arrangements.</p>	<p>Agreed in part</p> <p>It is currently up to individual PCNs to decide how they utilise their funding. A network manager is recognised by the ICB as a valuable role but cannot be prescribed.</p> <p>As an ICB we are currently reviewing the current commitment to a band 7 network manager working with our GP Leadership Group to understand different options available.</p> <p>Yearly funding arrangements will be reviewed as a matter of course.</p>	<p>Louise Smith/ Simon Kearey March 2023</p>
<p>6. Create through the Place-based Partnership support for PCNs to be</p>	<p>Yes</p>	<p>Louise Smith/ Simon Kearey</p>

<p>creative when recruiting to the additional roles and to lobby NHS England to allow more flexibility around the roles matched to local need.</p>	<p>The ICB will work to ensure that PCNs maximise the ARRS funding within the boundaries available and by working with partners so as not to destabilise the workforce and ensure patients are seen by the most appropriate professional and outcomes are maximised. Integrated ways of working will support this.</p>	<p>Ongoing</p>
<p>7. Investment by the ICB to ensure a more consistent approach to GP websites leading to updated, accessible and user-friendly information for all patients. Websites to be used to promote the additional services available across the PCN, promote PPGs and to publicise current vacancies.</p>	<p>Yes</p> <p>Currently most practices are using similar templates to provide their websites.</p> <p>The ICB will work with providers to ensure that certain minimum information levels are provided in line with the most recent guidance NHS England » Creating a highly usable and accessible GP website for patients</p>	<p>Louise Smith/ Simon Kearey/ Julie Dandridge / Helen Clarke March 2023</p>
<p>8. Greater consideration should be given to the working environment. Access to IT and other equipment for PCN teams needs to be made easier and the funding available needs to be more clearly publicised to the Network. The benefits of working within a PCN need to be promoted through the recruitment campaigns and to the wider community.</p>	<p>Yes</p> <p>The ICB is currently ensuring that all new and existing roles have appropriate IT to support them and that communities of practices are created to ensure peer support. As part of the new working arrangements the ICB will work with PCN directors to ensure ongoing transparency and involvement.</p>	<p>Louise Smith/ Simon Kearey/ Andy Ferrari March 2023</p>
<p>9. A “Back to Basics” approach should be adopted for developing Patient Participation Groups. The Place-based Partnership should work with Healthwatch Bucks and PPG Chairs to refresh and re-affirm the statutory need to establish a PPG, including a clear steer on the role of the Chair. A directory of PPG Chairs needs to be developed as a matter of urgency and circulated to all</p>	<p>Yes</p> <p>The ICB intends to develop its patient and public engagement strategy including that linked to place and community hubs. This may include PPG development as appropriate and will be reviewed in a wider context with support from Healthwatch and Nursing/Communications Directorates. The ICB have noted that the Place-based partnership when set up will consider this.</p>	<p>Louise Smith/ Simon Kearey December 2022 and September 2023</p>

<p>PPGs and Network Managers to encourage closer collaboration and the sharing of knowledge and best practice.</p>		
<p>10. Develop a fair, comparable and consistent approach in supporting the development of Patient Participation Groups across the BOB ICS with clear, measurable outcomes. These outcomes to be co-produced with PPG representatives.</p>	<p>Yes</p> <p>As above (point 9)</p> <p>The ICB will continue to work with PPGs on the best way to develop patient and public engagement for Primary Care</p>	<p>Louise Smith/ Simon Kearey/ Julie Dandridge / Helen Clarke</p> <p>April 2023</p>
<p>11. Provision of regular communications to all PPGs, including topical webinars with guest speakers and regular newsletters for PPGs to help increase their membership. Development of basic mandatory practices, including automatic sign-up prompts for new patients and greater collaboration between PPGs and GP practices to recruit PPG members.</p>	<p>Yes</p> <p>As above (point 9)</p>	<p>Louise Smith/ Simon Kearey/ Julie Dandridge / Helen Clarke</p> <p>March 2023</p>
<p>12. Linked to recommendation 7, clearer and more comprehensive information on GP surgery websites relating to the work of the PPG, including upcoming meetings and minutes. It needs to be regularly refreshed and updated to include more emphasis on the benefits/improved outcomes that PPGs can provide for patients and a working mechanism for patients to contact their PPG.</p>	<p>Yes</p> <p>As above (point 7 & 9)</p> <p>Healthwatch and the ICB may continue to provide updates which can be publicised on Practice Websites which can be used to support and show the value of the work of PPGs</p>	<p>Louise Smith/ Simon Kearey</p> <p>March 2023</p>
<p>13. Develop a formalised approach/framework with clear</p>	<p>Agreed in part</p>	<p>Cabinet Member: Cllr Angela Macpherson,</p>

pathways to ensure named social workers are known to GPs, Practice Managers, Network Managers and Community Healthcare Teams.

Council response

The Council understands that the Inquiry's recommendation in relation to having a named social worker is about creating a single point of contact (SPOC) for PCNs into adult social care. Named social workers are being established for adult social care residents who live at home in the community.

The service understands the vital importance of a SPOC to facilitate effective working and the restructure of adult social care operations in June 2021 was designed to align the service more closely to PCNs in 4 geographical areas of Buckinghamshire - North, East, South and Central:

ASC Area (North, East, South & Central)	PCNs in the ASC areas In order of size of the area covered by the PCN (brackets: overlap is minimal)
North	Aylesbury North PCN AVS PCN BMW PCN Maple PCN
East	Aylesbury North PCN Chesham & Little Chalfont PCN Westongrove PCN Mid Chiltern PCN Maple PCN (BMW PCN) (Dashwood PCN) (Cygnets PCN)
South	Arc PCN South Bucks PCN The Chalfonts PCN Mid Chiltern PCN (Chesham & Little Chalfont PCN) (Cygnets PCN)
Central	AVS PCN Mid Chiltern PCN Dashwood PCN Cygnets PCN (Arc PCN)

Cabinet Member for Health & Wellbeing

Lead Officer: Service Director for ASC Operations, Buckinghamshire Council (Elaina Quesada)

	<p>To ensure that any enquiries or requests for support are picked up in a timely manner, adult social care has provided each PCN with a specific telephone number and generic email address for the assigned social work team:</p> <table border="1" data-bbox="689 316 1823 608"> <tr> <td>North</td> <td>Unit 1 Midshires Business Park, Smeaton Close, Aylesbury, HP19 8HL</td> <td>01296 387978</td> <td>ascnorth@buckinghamshire.gov.uk</td> </tr> <tr> <td>East</td> <td>King George V House, King George V Road, Amersham, HP6 5AW</td> <td>01296 387979</td> <td>asceast@buckinghamshire.gov.uk</td> </tr> <tr> <td>South</td> <td>Seeleys House, Campbell Drive, Knotty Green, Beaconsfield, HP9 1TF</td> <td>01494 586638</td> <td>ascsouth@buckinghamshire.gov.uk</td> </tr> <tr> <td>Central</td> <td>Buckinghamshire Council, Queen Victoria Road, High Wycombe, HP11 1BB</td> <td>01296 387980</td> <td>asccentral@buckinghamshire.gov.uk</td> </tr> </table> <p>A manager within social care will be contacting all PCNs within the next 3 months to ensure PCNs are clear on the process, which will be monitored and reviewed as necessary to ensure joint working is as effective as possible for the benefit of residents. Adult social care would also benefit from as SPOC within the PCNs and this is something that will be asked for when making contact.</p> <p><u>Integrated Care Board response</u></p> <p>As part of the wider development of integrated care teams it is expected that relevant individuals in PCNs, Practices and community teams are linked into local social workers and vice versa.</p>	North	Unit 1 Midshires Business Park, Smeaton Close, Aylesbury, HP19 8HL	01296 387978	ascnorth@buckinghamshire.gov.uk	East	King George V House, King George V Road, Amersham, HP6 5AW	01296 387979	asceast@buckinghamshire.gov.uk	South	Seeleys House, Campbell Drive, Knotty Green, Beaconsfield, HP9 1TF	01494 586638	ascsouth@buckinghamshire.gov.uk	Central	Buckinghamshire Council, Queen Victoria Road, High Wycombe, HP11 1BB	01296 387980	asccentral@buckinghamshire.gov.uk	<p>Louise Smith/ Simon Kearey March 2023</p>

<p>14. Re-introduce regular Multi-Agency Group meetings to include mental health practitioners, social prescribers, social workers, district nursing teams and reablement & rehabilitation teams.</p>	<p>Agreed in part</p> <p><u>Integrated Care Board response</u></p> <p>Multi-discipline team working is a key aspect of the Integrated Care Partnership strategy linked to primary care.</p> <p><u>Council response</u></p>	<p>Louise Smith/ Simon Kearey/ Jenny Ricketts March 2023</p>																

	<p>Adult social care regularly works with the partners referenced in the Inquiry's recommendation as part of our business as usual approach of multi-disciplinary meetings linked to individual clients.</p> <p>There is a well established process for discussing complex cases, partners are able to refer and take part in complex case panels, if business as usual approaches are not achieving the outcomes needed for our residents.</p> <p>The Council agrees the need for a wider discussion with health and the VCS in developing the approach for more integrated neighbourhood working in Buckinghamshire. As yet, there is no blueprint on the approach but a new joint programme team has been established to take forward the delivery of integrated health and care. Proposals will be discussed at the new Place-based Board, once it is established for Buckinghamshire.</p>	<p>Cabinet Member: Cllr Angela Macpherson, Cabinet Member for Health & Wellbeing</p> <p>Lead Officer: Service Director for ASC Operations, Buckinghamshire Council (Elaina Quesada)</p>
<p>15. Community Board Managers to reach out to PPG Chairs and PCN Inequality Champions to build relationships and work together to realise both the NHS LTP in bringing PCNs, PPGs and local communities together as well as supporting the delivery of the "Opportunity Bucks" theme around health and wellbeing.</p>	<p>Agreed</p> <p><u>Council response</u></p> <p>The Opportunity Bucks programme aims to ensure that all residents in the county have the opportunity to succeed, that nobody gets left behind and we reduce inequality within our communities. Through this programme, we are targeting 10 wards where there are longstanding challenges and residents are facing significant hardships. This programme is overseen by a board with multi-agency membership including the Council, NHS, BBF, LEP, Registered Social Landlords and VCSE.</p> <p>Community engagement and involvement is a key principle of the programme. We are establishing Ward Partnerships within each of the 10 target areas to provide local insight, identify issues and best practice, and codesign solutions. The Ward Partnerships are supported by Community Board Managers who help to identify activity being delivered across partners within the ward areas and coordinate involvement in the partnership.</p> <p><u>Integrated Care Board response</u></p>	<p>Cabinet Member: Cllr Steve Bowles, Cabinet Member, Communities</p> <p>Lead Officers: Wendy Morgan-Brown, Head of Community Boards and Matt Everitt, Service Director, Service Improvement</p>

	Each Community Board will be linked in to their local PCN leads.	Louise Smith/ Simon Kearey March 2023
16. Investment by the ICB to prioritise the delivery of consistent digital and data solutions. Develop a clear strategy for delivering population health management across the county for PCNs, informed by updated census information.	Yes Population Health data will be provided on a regular basis to all PCNs who will use this to drive a population health management (PHM) approach to key patient cohorts as well as monitor outcomes. All PCNs will have a good level of PHM knowledge and access to support if needed.	Louise Smith/ Simon Kearey/ Andy Ferrari / Jane O'Grady March 2023
17. The Place-based partnership to develop a co-ordinated communications and engagement plan for key partners involved in PCN development to enhance joint working, deliver key public messages, written in Plain English and share best practice and information. Plans to be published on all GP surgery websites and PCN websites.	Yes When set up, we would expect the Place-based partnership to develop a comprehensive communication and engagement plan aimed at delivering key public messages, encompassing best practice and developments elsewhere.
