### 2. Approach

- 2.1 To achieve these aims and objectives each community board will be expected to:
- Agree Community Area Priorities, based on evidence of local needs, and an action plan to address these with targets.
  - Agree a tailored communications & engagement plan for actively involving residents and community organisations.
  - Set-up action groups to support the delivery of the Community Action Plan.
  - Provide opportunities to ensure that the local community is able to respond to consultations and influence service commissioning decisions in a timely manner.

  - Produce an annual report with a self-assessment of success in relation to the aims and objectives for community boards, and action plan delivery.
  - Hold at least one annual community event to enable residents and community groups to set area priorities and address issues.

### **3. Remit**

- 3.1 Community boards will be empowered to discuss any issues that are relevant to enable them to achieve their objectives.
- 3.2 Agenda items are expected to be of relevance and significance for the community board as a whole.
- 3.3 Operational issues will be encouraged to be dealt with outside of formal community board meetings through relevant channels. For example, written requests for potholes to be fixed should be made via 'fix my street', and/or flagged with the relevant councillor outside of formal meetings.
- 3.4 No service complaints or complaints about councillors will be considered. These will be considered under Buckinghamshire Council's complaints policy. All Buckinghamshire Council Councillors are bound by the Buckinghamshire Council code of conduct. Members are also bound by the other procedures and protocols applicable to members of the Buckinghamshire Council.

6.3 Where a vote is required then this will be by a show of hands of formal board members present.

6.4 Prior to such a vote, the Chairman may upon his/her discretion take an indicative vote of representatives from local organisations, including town and parish councils, who are present. Each organisation, will have one indicative vote. This will enable Buckinghamshire Council councillors to have a clear understanding of the official views of local partners.

### **Time and Place of Meetings**

This Council will use Microsoft Teams to hold virtual meetings and will invite external participants to virtual meetings, if any, via email or telephone.

### **During the meeting**

Attendance at meetings via MS Teams.

A roll call or introductions will be made at the start of the meeting to record those present.

The Chairman will confirm at the outset that they can see and hear all participating members and any member participating remotely should also confirm at the outset and at any reconvening of the meeting that they can see and hear the proceedings and the other participants. There is no requirement for councillors to sign their names on an attendance sheet when attending a meeting electronically. The Democratic Services Officer (“DSO”) will maintain a list of attendance throughout the meeting.

To be classified as a ‘member in attendance’ and attend a meeting remotely, the following conditions must be satisfied;

- (a) councillors must be able to hear and (where practicable) see; and be heard and (where practicable) be seen by, other councillors in attendance at the meeting.
- b). All other members of the public must as a minimum be able to hear (but if practicable be able to view as well)

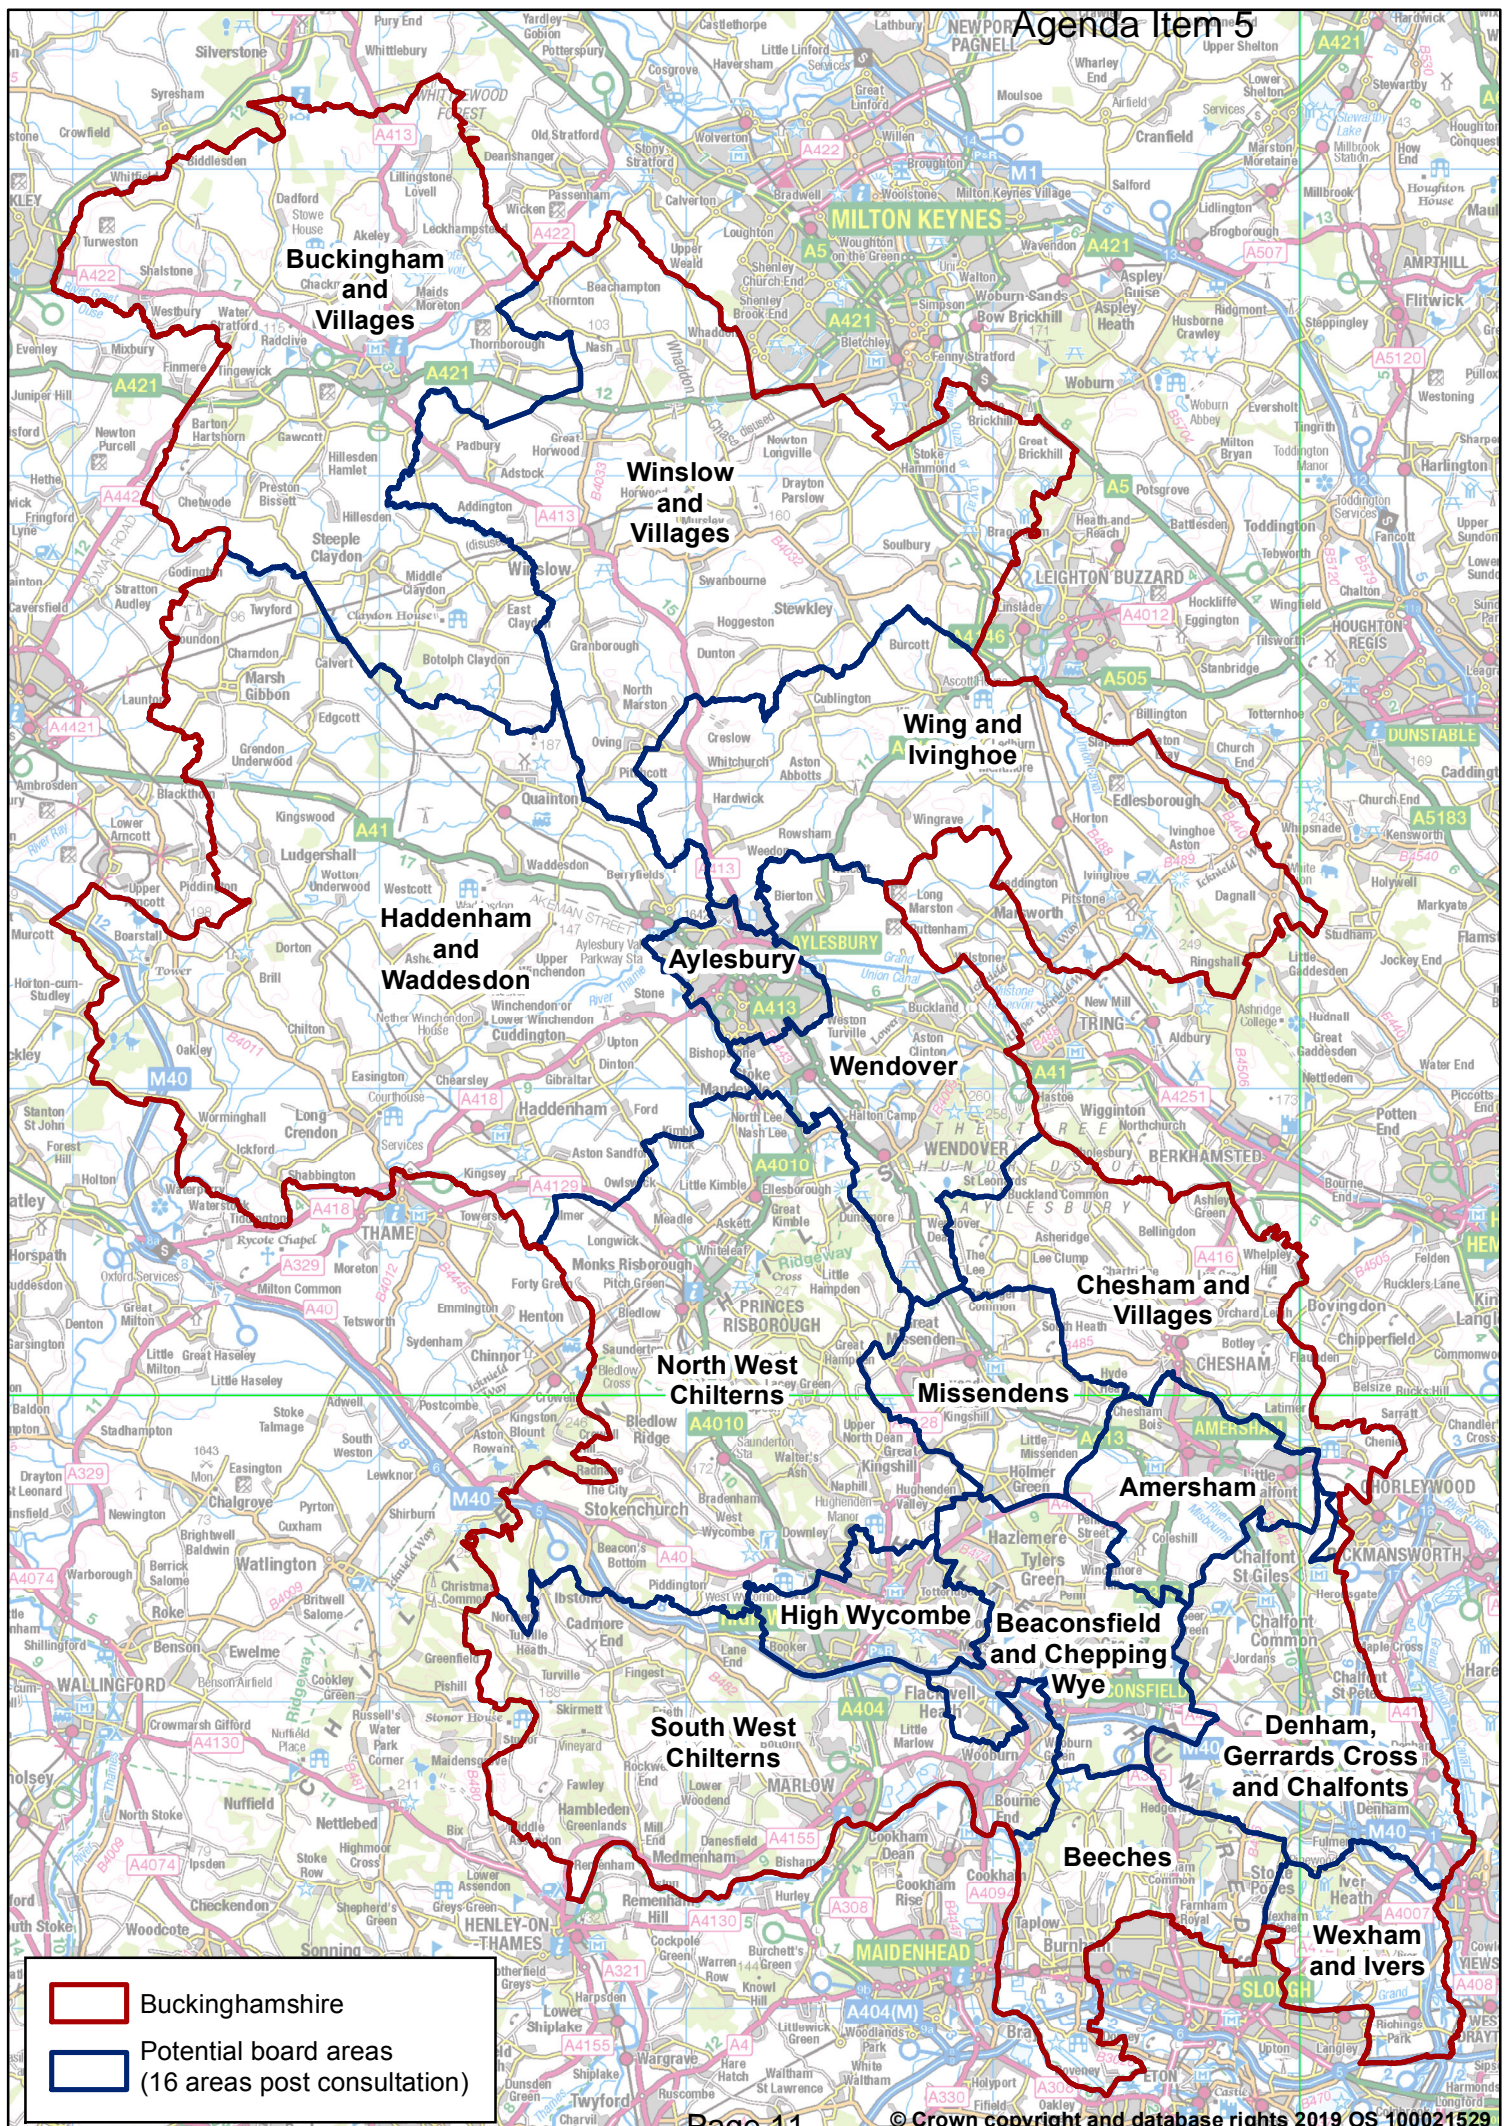

In practice this means that if councillors can be heard and hear each other and other members of the public not speaking can hear, this would fulfil the requirements of holding a virtual meeting.

To ensure the meeting runs smoothly, all mics will be muted. The hands up and chat bar tools will be available to participants who would like to speak and they must use these apparatus to signal when they might want to input. This link will take you to a video of how to use the raise your hand feature on MS Teams:
