Ms M Parker, Community Board Co-ordinator, had circulated the fund applications submitted to Buckinghamshire Council Councillors only ahead of the meeting.

The following monies were available to the local area:

- £489,574 Infrastructure Fund.
- £4,789 Health and Wellbeing Fund (was the Councillor Crisis Fund)
- £86,000 Communities Priority Fund 50% of which could be spent on transport and highways.

There were five applications made to the old Local Area Forum brought to the Board for consideration. Details had been circulated ahead of the committee.

The following points were discussed including:

- Ms Parker confirmed Kingsbrook Parish Council had also applied for a Speed Indicator Device (SID) which had been missed off these applications. Ms Parker would share this application outside of the meeting for decision.
ACTION - Ms Parker
- Ms Parker confirmed the Board was not able to carry over unallocated fund. However, it was possible to reserve funds for an identified need i.e. to support social isolation.
- Whether the waiting restrictions proposed by Aston Clinton Parish Council (ACPC) could be included within the wider traffic calming measures Transport for Bucks (TfB) would be consulting on. This could save money and possibly allow for an alternative source of funding.
- It was noted the ACPC had not offered match funding for their applications as they had funds tied up The Hub community centre project which had experienced delays.
- There were different ideas on the priorities for the three ACPC applications however all agreed the Stablebridge Road speed reduction should be give the lowest priority.

TfB applications for the year ahead need to be submitted by 31 October 2020. Members of the Board should contact Ms Parker for support.

7 Feedback on Sub-groups

Video 43m 47s

Ms Parker, Community Board Coordinator, highlighted the following:

- The Highways and Transport subgroup had meet for the first time. This group would benefit from more members so all geographical areas were represented.
- Ms Parker was look feedback on how best to involve and represent the community. Should there be a sub group for each priority? Should they be short term groups looking at issues in the main meeting.
- There had been no initial response to a request for an Environmental subgroup. Ms Parker explained that if no councillors where available to join the group she could present BC. Ms Parker would set up a meeting Environmental subgroup between herself, Sarah, Justine and Peter.

- PC Blake and Thrive Housing Association had been working together to take anti-social behaviour (ASB) in Barker Lane, Aston Clinton. Complaints did seem to have reduce but work was ongoing with several ASB contracts now in place.

Video 1h 31m 31s

Ms C Perkins, Comms & Marketing Lead - Aylesbury Garden Town, shared a presentation, a copy of which would be appended to these minutes.

The following points were discussed as a result of suggestions from members of the Board:

- The street closure and tables on Cambridge Street, Aylesbury had reduced access leaving wheelchair/pushchairs users to navigate narrow, uneven footpaths. A member of the Board was aware of one incident where an electric wheelchair had tipped. Ms Perkins would feedback this back to the Town Centre Manager to see if more space could be for accessibility users.
- Possible opportunities around the closure of RAF Halton; communities' orchards; the canal triangle; garden villages.
