Agenda Item

1 Chairman's Welcome and Introduction

The Chairman welcomed all to the meeting and asked speakers to introduce themselves and their organisation prior to speaking.

2 Apologies for absence

Apologies were received from C Jackson, D Phillips and C Rouse.

3 Declarations of interest

Representatives of Little Missenden Parish Council (LMPC) declared their interest in item 10, LMPC having submitted a funding application.

Cllr M Harker declared an interest under item 10 due to her involvement in The Big Community Takeaway project who had submitted a funding application.

4 Minutes of the last meeting

The minutes of the meeting held on 4 November 2020 were AGREED as an accurate record.

5 Petitions Received

The following petitions had been submitted for consideration:

A355 speed limit

Description: To reduce the speed limit to 40mph

Discussion: It was noted there had been fatalities in the area. This petition was also being discussed by the Beaconsfield and Chepping Wycombe Community Board.

RESOLVED: The petition would be taken to the Transport working group for joint discussion with Beaconsfield and Chepping Wycombe CB.

Magpie Lane, Coleshill, speed limit

Description: To reduce the speed limit to 30mph.

Discussion: Coleshill Parish Council representatives described the road as a narrow, built up lane that should have never had the speed limit increased. It was noted that the petition had received 330 e-signatures in an area with approximately 440 residents on the electoral roll indicating strong local feeling. An initial report, by Transport for Bucks (TfB) officers, in response to the petition did not support the change. CPC stated they had not been contacted to share vital local knowledge and clarification would be sought as to whether a site visit had been carried out.

RESOLVED: The petition would be taken forward with transport officers and TfB.

Coleshill Weight Restriction

Description: To introduce a 7.5 ton vehicle weight limit through the village.

Discussion: Historically, issues related to vehicle movements from the reservoir but CPC were now looking ahead to the effects of HS2 construction. It was felt the initial report did not address previous difficulties experienced locally such as significant traffic backlogs caused by oversized vehicles becoming stuck when trying to turn around which caused a wide ranging impact. It was confirmed that such a limit would not restrict emergency services or agricultural movements, but formal signage would give a clear indication to drivers they would struggle to manoeuvre larger vehicles.

RESOLVED: Amersham transport working group would discuss the petition further with TfB officers and CPC.

6 Neighbourhood Matters

Questions from members of the public were requested in advance of the meeting. Copies of the questions and answers would be appended to these minutes.

Mr P Carroll continued to have concerns about the state of the Kind George V Road field.

ACTION: To explore the option of a meeting with Cllr C Harriss to address Mr P Carrolls concerns.

7 Update on Lifestyle Centre

Mr B O' Meara, BAM, gave a presentation on the progress of building works a copy of which would be appended to these minutes.

- It was confirmed the new building was still on budget. There were some unknown factors with the removal of the old swimming pool which would become clearer as the task progressed.
- A question was raised about the new sites carbon footprint. It had been stated that the old leisure centre site had accounted for approximately 50% of the old Chiltern District Councils carbon footprint. The target was to make the new building carbon neutral by design, the true impact could not be known until the building was operational.

Mr S Salwa, Everyone Active, gave a presentation a copy of which would be appended to these minutes.

- Staff were looking ahead to the opening of the lifestyle centre with an understanding it would need to be tailored to meet any covid restrictions in place at the time. This could include a VIP day for stakeholders and a family fun day.
- Everyone Active were keen to see cross party working between the services using the site. They proposed to create a Chiltern Lifestyle Management Group with management representations from all services using the site.
- Front line NHS workers would be offered one months free membership when sites re-opened.
- The Lockdown Legends campaign would allow residents to nominate local people who had gone above and beyond during the crisis for the chance to win a years free membership.

8 Update on Parking Implementation

John Pateman, Project Manager, Transport for Bucks (TfB) gave an update on the parking changes being implemented across the Amersham, Chesham Bois and Penn area.

The following points were highlighted:

- The legal orders behind the new parking controls were implemented in December 2020.
- There had been delays in installing the road markings and signs due to cold weather, increased workload and the need for whole work parties to self-isolate. Work would now be carried out the week beginning 22 February.
- Some areas would also have residents parking included as per the feedback from the consultation process.

- Copies of signage had been circulated with the minutes. The plan was to have standard signage and procedures in place that could rolled out across all Community Boards streamlining the process for parking implementation.

9 Update from Sub-Groups

The Chairman and Vice Chairman gave a presentation updating on the Community Boards actions since the last meeting, a copy of which would be appended to these minutes. Also see the update report circulated with the agenda.

10 Community Board Funding Applications for Approval

The Fitness Garden

Requested: £4,140 (with £1,440 match funding from Leap).

Description: To offer 2 separate 8 week programmes of Online, Health, Fitness and Mental Wellbeing support two different groups (young people and carers). A copy of the application was circulated with the agenda.

RESOLVED

The request £4,140 for funding to The Fitness Garden was AGREED.

Little Chalfont CCTV

Requested: £3,700 (application for match funding made to Heart of Bucks).

Description: CCTV to discourage vandalism and anti-social behaviour (ASB) at Little Chalfont Nature Park and improve the visitor experience.

Discussion: Care would be taken to ensure the cameras themselves were not vulnerable to vandalism. Local councillors had spoken to some groups of young people behind the ASB and had found they wanted their own space within the village; there was a young person's working group looking at local provision.

RESOLVED

The request £3,700 for funding to Little Chalfont CCTV was AGREED.

The Big Community Takeaway

Requested: £2,500 (match funding from The Clare Foundation).

Description: To provide one restaurant quality hot meal a week to vulnerable residents.

Discussion: This application was a last minute addition, further information was included as a presentation and would be appended to these minutes.

The service had already been operating in Chesham since April 2020.

Community Boards

Funding summary report Amersham Community Board 15 July 2021

This paper provides a summary of the funding applications received, considered and approved since the last Community Board meeting on 18 February 2021.

Community Board Budget Overview

The total budget for 2021-22 (including carry forward from the previous year) for the Amersham Community Board is £211,001.85.

All funds must be allocated by 31 March 2022.

Funding Applications Status Summary

Funding applications that have been received by the Amersham Community Board and their current status are detailed in the table below.

Funding applications received				
Organisation	Project title and description	Community Board funding requested	Contributory funding agreed	Community Board funding recommendation
Sustainable Amersham	Seeds for Bees: The project provided junior school children within the Amersham and Chesham Bois catchment area a packet of seeds to plant out for bee conservation. The project highlighted the role bees have in pollinating our crops and how domestic gardens in urban areas are an important source of food (nectar) for their survival. It served to engage school age children with their	£800	N/A	Approved

	environment and address how we all have a part to play to combat climate change. A flyer with planting instructions and tips on how to make greener choices was included.			
Amersham Youth Activities	Amersham Youth Summer Team: The project aims to provide a regular and constant presence in Amersham to support young people in the area. It will locate in key areas around Amersham and help ensure a safe and productive environment in the town that allows young people to play, socialise and gain support and advice where required. After the difficulties of the previous year, the team believe this consistent presence will help to ensure young people do not drift into crime/ASB during the summer holiday weeks when there is no school. The project will provide a range of diversionary activities, trips, events and regular time to provide help and support where needed.	£4,600	£500	Approved
Chesham Bois Parish Council	Chesham Bois Burial Ground Entrance Area Project: The burial ground is a valuable community asset and having improved amenities will benefit the wider community not only those attending funerals. The project supports the ongoing work to expand the community's knowledge of, and pride in, the site and the heritage and wildlife that it supports. It will encourage more visitors of all ages. Widening access to green space promotes physical activity and mental health benefits for all.	£5,625	£5,625 Parish Council funding	Approved
Amersham Museum	Shopping Before Plastic: The Retro Shop project will research and share how local people shopped and consumed sustainably in the past, before plastic packaging and pre-packaged food was commonplace. The project will draw comparisons between growing locally, reducing waste, plastic free packaging and mending, with	£1,734	£9,100 National Lottery Heritage Fund	Approved

	contemporary initiatives today. By promoting a positive (and balanced) view of the past, the project aims to engage people in adopting more sustainable habits in the present.			
Buckinghamshire Culture	Buckinghamshire Open Weekend: A 4-day programme of creative and cultural activities themed to stories taking place between 22nd and 25th July 2021. Organisations, groups and businesses across Buckinghamshire have been encouraged to contribute events to create an exciting and varied programme of story-themed activity for people to join in with. Buckinghamshire Culture hope to see workshops, talks, walks, demonstrations, open days and many more things that resident and visitors can enjoy or have a go at.	£5,000	Culture & Leisure Services have secured £8,000 from Buckinghamshire Council's re-opening programme. Each Community Board will be allocated £500.	Approved

Neighbourhood Policing Survey Results and Analysis

Author: Resources Business Intelligence & Insight Team

Date: 17th May 2021

1. Executive Summary

This survey was open from 14 April 2021 to 3 May 2021 and the results will be taken to the 'Chiltern & South Bucks Policing Issues Forum' on 18 May 2021 for discussion and consideration. Results will help to support setting Neighbourhood Policing focus areas.

Residents, organisations and Councillors gave their views on their top neighbourhood policing issues and concerns. Respondents were also invited to make any general comments or suggestions regarding any other issues they felt were of importance.

There were a total of 674 completed responses to the survey, which includes 637 residents, 25 Councillors and 9 representatives of organisations. 652 respondents were from the Community Board areas which incorporate the legacy Chiltern and South Bucks District Council area.

30% of respondents ranked 'Burglary – residential property' as their top neighbourhood concern. 'Anti-social behaviour' and 'Speeding' were also high areas of concern for respondents, with 19% and 13% respectively ranking these as their top priority.

This was a self-selecting, online survey which was open to all stakeholders, with a focused promotion in the legacy Chiltern and South Bucks District Council area. Due to Purdah leading up to the local Council elections, Buckinghamshire Council was unable to widely promote the survey, however there was a lot of localised promotion undertaken to raise awareness of the survey and to encourage participation, this included:

- **Promotion at Community Boards** - including sharing the details and survey link on the Board Facebook Page (Buckinghamshire Council)
- **Sharing with members** - via email (Buckinghamshire Council)
- **Thames Valley Alert**
- **Neighbourhood Watch Alert**
- **Posting within a variety of local Facebook groups** - Our Chesham, Prestwood Village Association, Holmer Green Village Society, Your Amersham, Your Prestwood & Great Missenden, Chalfont St Peter Connected, Iver, Iver Heath & Richings Park Crime Watch Group, Beaconsfield Community, The Ivers Community Group, The Farnhams Community Group, Hyde Heath Village Society
- **Weekly Newsletters** - The Ivers, Stoke Poges, Burnham

This report includes a variety of graphs, charts and verbatim comments to highlight key insights into respondents' neighbourhood policing concerns.

2. Results

Q1. What are your top three neighbourhood concerns or issues?

Respondents were presented with a list of 21 different neighbourhood concerns and issues and were asked to rank their top 3 options by way of a drop-down box option. Respondents were only able to select 3 different concerns/issues and there was an option of 'Other' if respondents felt that there was a different concern or issue which should be ranked, that hadn't already been mentioned.

Highest Priority Issues and Concerns

30% (200 respondents) of all respondents ranked 'Burglary – residential properties' as their highest priority neighbourhood concern. Other concerns and issues which were ranked highly and received a large number of responses were 'Anti-social Behaviour' with 19% (131 respondents) and 'Speeding' with 13% (85 respondents). All other reasons saw less than 10% of respondents choosing them.

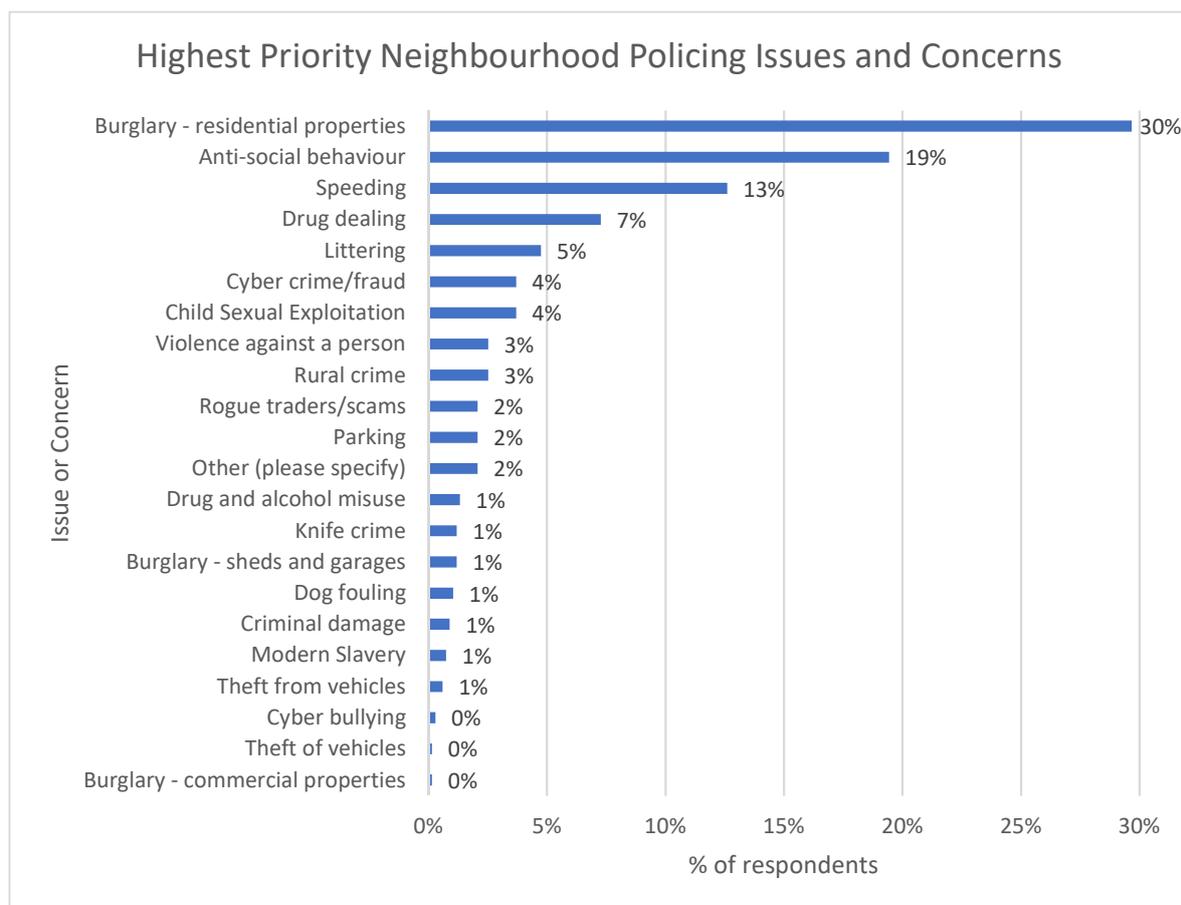

Figure 1: Proportion of respondents who selected their neighbourhood policing concerns and issues as the highest priority. Based on 674 respondents. Due to the rounding up of figures, percentages may not equal 100.

Second Highest Priority Issues and Concerns

15% (99 respondents) of all respondents ranked 'Anti-social behaviour' as their second highest priority neighbourhood concern. Other concerns and issues which were ranked highly and received a large number of responses were 'Burglary – residential properties' with 14% (92 respondents) and 'Speeding' with 12% (79 respondents). All other reasons saw less than 10% of respondents choosing them.

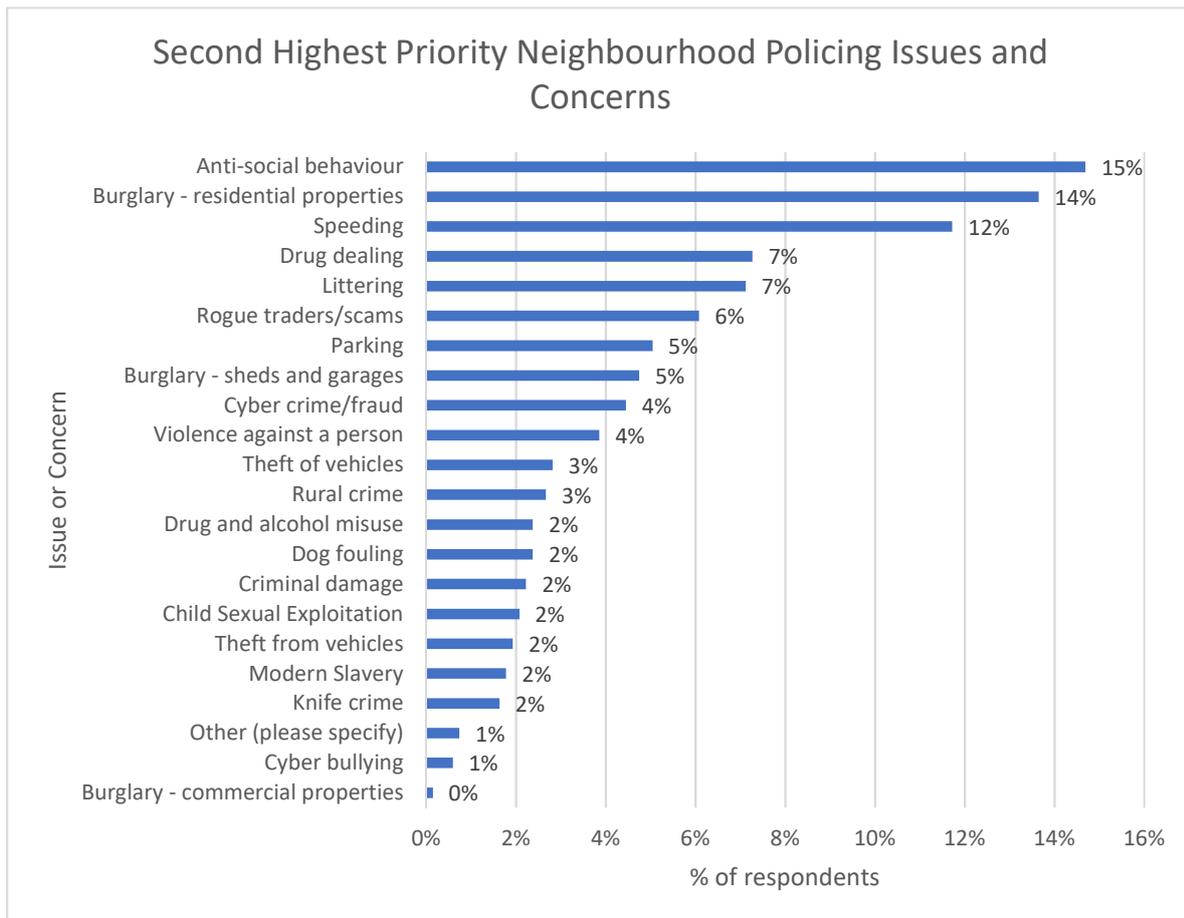

Figure 2: Proportion of respondents who selected their neighbourhood policing concerns and issues as the second highest priority. Based on 674 respondents. Due to the rounding up of figures, percentages may not equal 100.

Third Highest Priority Issues and Concerns

11% (76 respondents) of all respondents ranked 'Antisocial behaviour' as their third highest priority neighbourhood concern. Other concerns and issues which were ranked highly and received a large number of responses were 'Speeding' with 10% (69 respondents) and 'Littering' with 10% (65 respondents). All other reasons saw less than 10% of respondents choosing them.

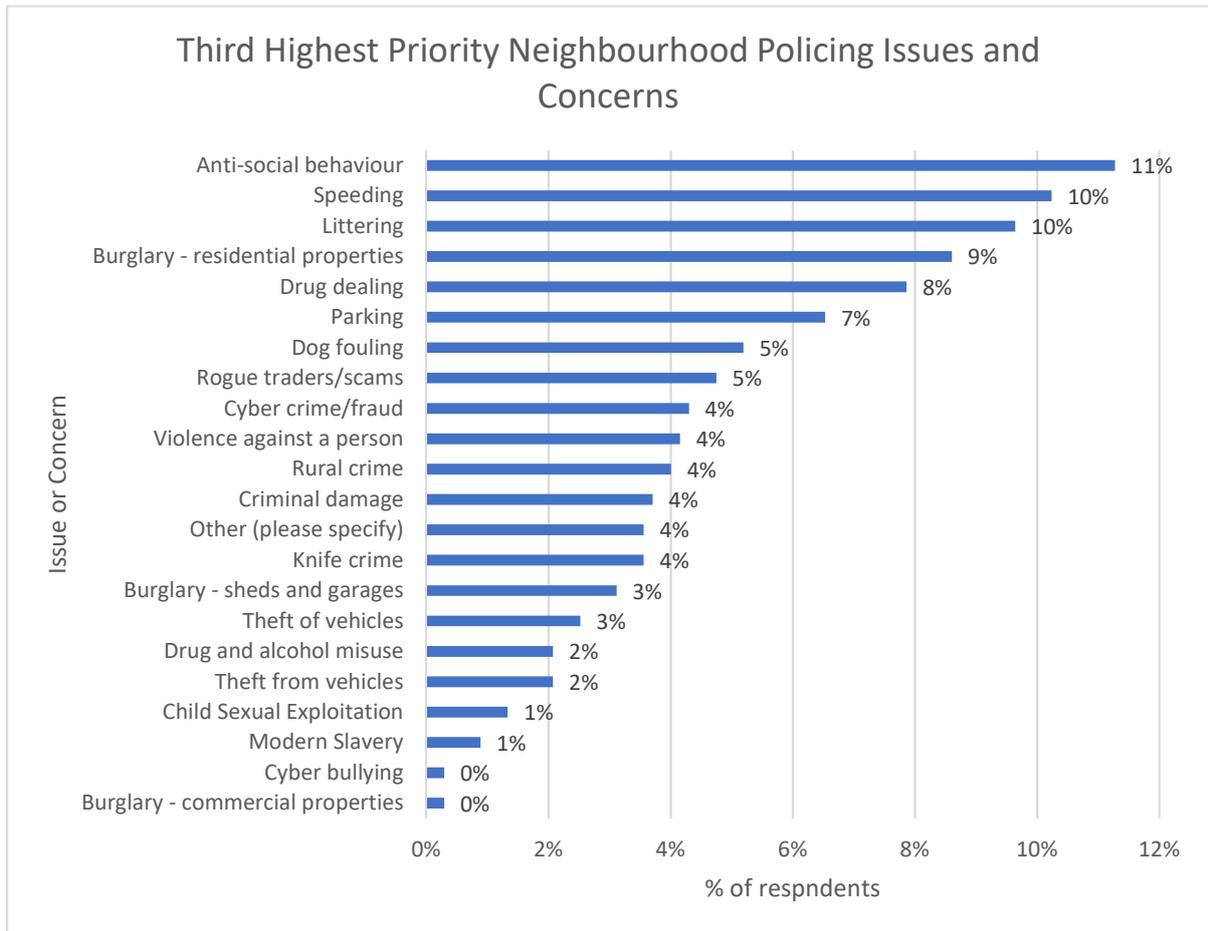

Figure 3: Proportion of respondents who selected their neighbourhood policing concerns and issues as the second highest priority. Based on 674 respondents. Due to the rounding up of figures, percentages may not equal 100.

The issues and concerns which feature highly amongst all 3 priority questions (but not always in the same order) are:

- Burglary – residential properties (52% of all respondents)
- Anti-social behaviour (45% of all respondents)
- Speeding (35% of all respondents)
- Littering (22% of all respondents)
- Drug Dealing (22% of all respondents)

All of the above feature in the top 5 selected reasons within all 3 ranked questions which would imply that these reasons are of most concern to residents.

What are your top three neighbourhood concerns and issues? – Other

The option of 'Other' was available to respondents when choosing their top 3 priorities if they felt there was another neighbourhood concern of importance to them which hadn't already been mentioned in the other options available.

43 of the 674 respondents selected 'Other' as one of their ranked options, however there were also some respondents who chose to enter a comment in the free text box associated with this option who didn't select the 'Other' option as part of their top 3 concerns.

The total number of respondents who chose to enter a comment for this question was 82 respondents.

Each comment provided was categorised to understand common themes. Comments were excluded where responses were too niche, too specific or were not appropriate to include within this report.

Please note, a respondent may have mentioned more than one theme and would therefore appear in multiple categories where appropriate.

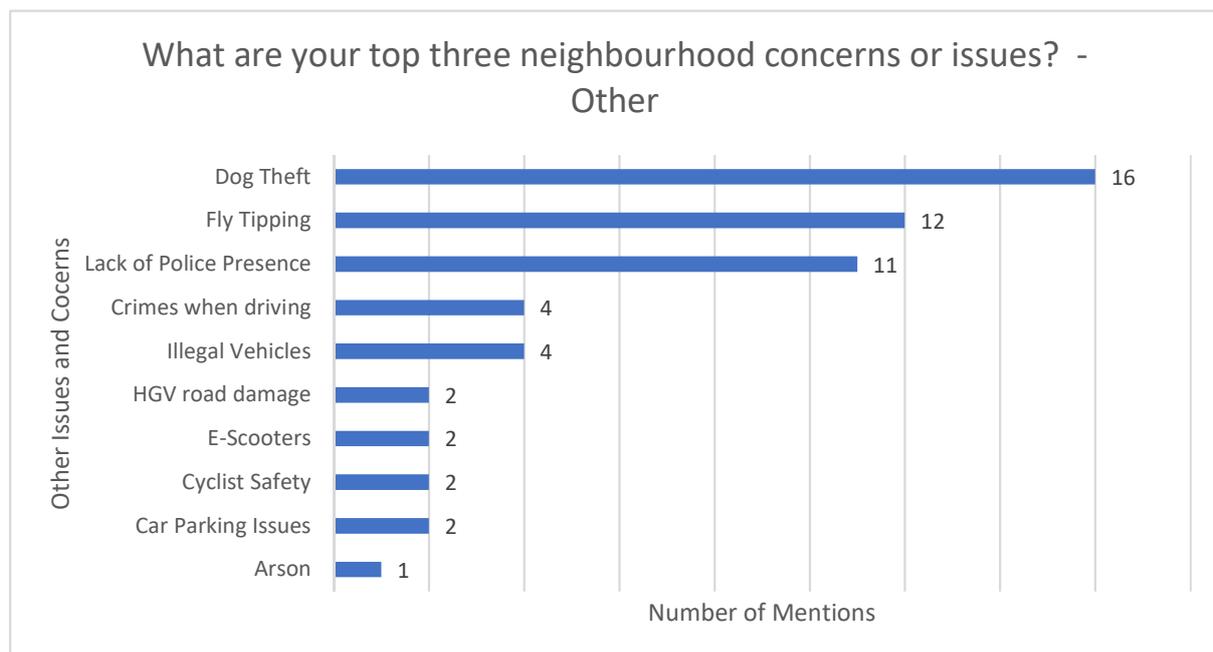

Figure 4: Count of comments by category. Based on the 82 respondents who made a comment for this question.

The themes which received the highest amount of mentions were, Dog Theft (16 mentions), Fly Tipping (12 mentions) and Lack of Police Presence (11 mentions).

Responses given were short and succinct in most cases and therefore no verbatim comments have been included in this report.

Q2. Use this space for any comments about your policing concerns or issues

Respondents were provided with a free text box in which they could provide any additional comments or concerns which had either not been already mentioned or if they had anything further, they would like to add to answers already provided. This was an optional question.

207 (31%) of all respondents provided a response to this question.

As with the previous question, each comment provided was categorised to understand common themes. Comments were excluded where responses were too niche, too specific or were not appropriate to include in this report.

Please note, a respondent may have mentioned more than one theme and would therefore appear in multiple categories where appropriate.

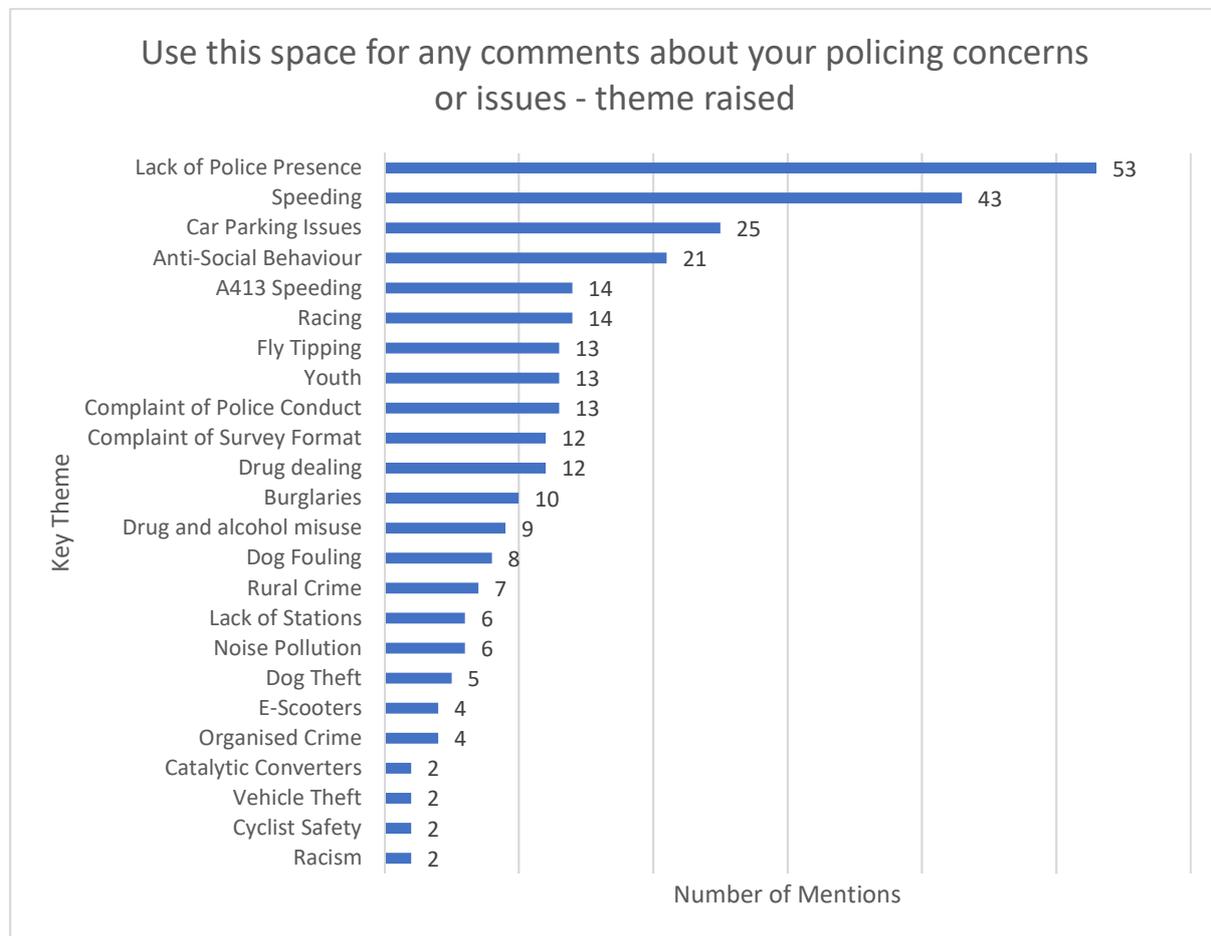

Figure 5: Count of comments by category. Based on the 207 respondents who made a comment for this question.

The graph shows that the most common themes mentioned by respondents include: a Lack of Police Presence (53 mentions), Speeding (43 mentions), Car Parking Issues (25 mentions) and Anti-Social Behaviour (21 mentions).

The key themes from these comments along with verbatim comments are detailed below:

Lack of Police Presence

Not enough visible Police on the streets or patrols, to help deter would be thieves and opportunists

It appears that the police have 'lost the street' and appear not to care.

There is no local police station or office, and I have not seen a patrolling PC or PCSO either driving or walking.

My main concern is in trying to actually make contact with a Police Officer - I would like to know the phone numbers of the local Police stations and to also have confidence that the phone will be answered.

Speeding

Speed limits seem to have been abandoned since beginning of lock downs.

School zones need to be monitored for speeding

Car Parking Issues

Pavement Parking seems to be given a very low priority by the police.

Parking on footpaths, half in half out of drives or in any way that limits full access to footpaths is an increasing problem.

Anti-social Behaviour

It's a lovely area to live it but spoilt by anti-social behaviour which we seem powerless to do anything about.

Need more police on the beat to tackle antisocial behaviour, especially at night.

Anti-social behaviour - principally in public spaces (parks, commons, etc), petty vandalism, offensive language, blatant drug and drink consumption - not just during the day, but also well into the small hours.

A413 Speeding

Would also welcome police checking on possible speeding traffic along the a413. I am concerned that I hear speeding traffic at night along the dual carriageway sections of A413.

Speeding on the main A413 by motorbikes especially at weekends and when the weather is good.

Racing

I commonly see/hear vehicles racing through town mainly at night. I'm concerned they might be "boy racers" as I've seen a few (rather more than emergency vehicles!) speeding. It might be worth investigating whether this is an issue.

Cars racing at night along a413 Amersham Road

Responses by Community Board Area

Respondents to the survey were given the option to include their postcode with their response. 668 respondents did so, with 665 of these being matched to Buckinghamshire Community Board areas (the remaining postcodes were either out of county or typed incorrectly).

The table below shows the number of respondents by the Community Board areas which cover the legacy Council area of Chiltern and South Bucks. Respondents from Community Board areas outside of the Chiltern and South Bucks area have been grouped together in 'All other areas'.

Community Board (CB) Area	Number of Respondents	Population of CB Area
Amersham	93	25,755
Beaconsfield & Chepping Wye	64	40,366
Beeches	74	25,689
Chesham & Villages	95	28,505
Denham, Gerrards Cross & The Chalfonts	168	38,760
Missendens	111	16,167
Wexham & The Ivers	47	14,690
All other areas	13	
Total	665	

Figure 6: Number of survey respondents and population by community board area.

Population Data Source: ONS Mid-Year Population Estimates 2019

To allow for all areas to be analysed in the same way, the priority concerns will be shown in a table for each area. This will be supported with verbatim comments where appropriate for the area.

Amersham

The Amersham Community Board area received 93 responses to the survey.

The top 5 neighbourhood concerns and issues which were rated highly by respondents regardless of ranking are shown in the table below:

Concern/Issue	Number of Respondents	% of Respondents
Burglary - residential properties	59	63%
Anti-social behaviour	48	52%
Drug dealing	21	23%
Speeding	21	23%
Cyber-crime/fraud	17	18%

With the exception of Cyber-crime/Fraud, the main concerns of the respondents from the Amersham Community Board area fall broadly in line with the concerns of all respondents to the survey.

Verbatim Comments

21 respondents within the Amersham Community Board area gave additional comments. Some comments contained multiple themes. Where Amersham has been specifically mentioned, these comments have been included below.

Anti-social Behaviour

The anti-social behaviour, especially in the evening is very concerning. Loud music, aggressive shouting, rubbish strewn everywhere despite the bins and bottles of alcohol left.

Drug Dealing

It is very worrying to see people dealing drugs on the street both in Amersham and Chesham.

Lack of Police Presence

Apart from the speed camera vans, you do not see any general patrolling going on in Amersham. I cannot recall the last time I saw a police officer on general foot patrol.

I'm concerned that we will no longer have a police station in Amersham.

Beaconsfield & Chepping Wye

The Beaconsfield & Chepping Wye Community Board area received 64 responses to the survey.

The top 5 neighbourhood concerns and issues which were rated highly by respondents regardless of ranking are shown in the table below:

Concern/Issue	Number of Respondents	% of Respondents
Burglary - residential properties	32	50%
Anti-social behaviour	22	34%
Speeding	18	28%
Cyber-crime/fraud	17	27%
Littering	15	23%

With the exception of Cyber-crime/Fraud, the concerns of the respondents from the Beaconsfield & Chepping Wye Community Board area fall broadly in line with the concerns of all respondents to the survey.

Verbatim Comments

10 respondents within the Beaconsfield & Chepping Wye Community Board area gave additional comments. Some comments contained multiple themes.

There were no specific comments relating to Beaconsfield & Chepping Wye, therefore some comments from respondents from this area have been included.

Cyclist Safety

Cyclists on dual use footway/cycleway paths who do not have or do not use audible warning when overtaking pedestrians often at unreasonable speed.

Speeding

The dangerous speeding in Whielden Lane (30) speed limited road with occasional footpaths continues.

Lack of Police Presence

Finding the nearest Police Station.

Beeches

The Beeches Community Board area received 74 responses to the survey.

The top 5 neighbourhood concerns and issues which were rated highly by respondents regardless of ranking are shown in the table below:

Concern/Issue	Number of Respondents	% of respondents
Burglary - residential properties	38	51%
Anti-social behaviour	28	38%
Speeding	24	32%
Littering	20	27%
Drug dealing	16	22%

The top concerns of the respondents from the Beeches Community Board area match the top concerns of all respondents to the survey.

Verbatim Comments

23 respondents within the Beeches Community Board area gave additional comments. Some comments contained multiple themes. Where the Beeches area has been specifically mentioned, these comments have been included below.

Speeding

Wexham street 30mph limit between the stag and the plough is routinely ignored by some drivers

Anti-social Behaviour

Burnham Tennis/Bowls Club car park. Drug taking and drinking amongst youngsters. Using the car park as a toilet.

Lack of Police Presence

Poor evidence of policing around Taplow river area

There is no police station in Burnham and I have not seen a police officer or PCSO in the 2 years I have lived here.

Chesham & Villages

The Chesham & Villages Community Board area received 95 responses to the survey.

The top 5 neighbourhood concerns and issues which were rated highly by respondents regardless of ranking are shown in the table below:

Concern/Issue	Number of Respondents	% of respondents
Speeding	41	43%
Burglary - residential properties	40	42%
Anti-social behaviour	34	36%
Drug dealing	29	31%
Littering	19	20%

The top concerns of the respondents from the Chesham & Villages Community Board area match the top concerns of all respondents to the survey.

Verbatim Comments

33 respondents within the Chesham & Villages Community Board area gave additional comments. Some comments contained multiple themes. Where the Chesham & Villages area has been specifically mentioned, these comments have been included below.

Speeding

In Chesham I have certainly recognised more incidents involving speeding cars and pedestrians being hit.

Speeding along Cartridge Lane...more 30mph signs/road markings required and speed cameras

Drug Dealing

Drug dealing is rife in Chesham with antisocial threats being made.

Littering

People leaving dog excrement in black sacks on the ground/hanging on trees. Whilst litter picking this behaviour is disgusting to deal with.

Lack of Police Presence

I am slightly concerned about a lack of Police within the Chesham area in light of the number of crimes taking place and the ability of our Police to attend within a reasonable time scale from their designated locations.

Denham, Gerrards Cross & The Chalfonts

The Denham, Gerrards Cross & Chalfonts Community Board area received 168 responses to the survey.

The top 5 neighbourhood concerns and issues which were rated highly by respondents regardless of ranking are shown in the table below:

Concern/Issue	Number of Respondents	% of respondents
Burglary - residential properties	108	64%
Anti-social behaviour	82	49%
Speeding	53	32%
Drug dealing	38	23%
Littering	36	21%

The top concerns of the respondents from the Denham, Gerrards Cross & Chalfonts Community Board area match the top concerns of all respondents to the survey.

Verbatim Comments

70 respondents within the Denham, Gerrards Cross & Chalfonts Community Board area gave additional comments. Some comments contained multiple themes. Where the Chesham & Villages area has been specifically mentioned, these comments have been included below.

Speeding

Speeding of cars and lorries traveling up and down Denham Green Lane UB9 5LG to the hotel and Denham Aerodrome.

Burglary – residential properties

There have been several burglary attempts and theft of cars in our estate recently (Woodhill Estate GX).

Car Parking Issues

Parking by the zebra crossing on the A413 by the Pheasant Hill Roundabout

Drug Dealing/Use

Drug related behaviour is witnessed by many residents in particular those with gardens backing onto Mill Meadow where they say drugs are openly and brazenly seen exchanged.

Missendens

The Missendens Community Board area received 111 responses to the survey.

The top 5 neighbourhood concerns and issues which were rated highly by respondents regardless of ranking are shown in the table below:

Concern/Issue	Number of Respondents	% of respondents
Anti-social behaviour	60	54%
Speeding	51	46%
Burglary - residential properties	37	33%
Littering	26	23%
Drug dealing	19	17%

The top concerns of the respondents from the Missendens Community Board area match the top concerns of all respondents to the survey.

Verbatim Comments

27 respondents within the Missendens Community Board area gave additional comments. Some comments contained multiple themes. Where the Missendens area has been specifically mentioned, these comments have been included below.

Speeding

Speeding - often see cars speeding and overtaking on Prestwood High Street

Drug Dealing

I live in a village within Buckinghamshire (Prestwood), where I am now seeing drug dealing going on in board daylight because they know that no one in authority is policing these areas anymore so they get away with it.

Lack of Police Presence

We hardly ever see a policeman on the street in Great Missenden even though we have a police office in the village

Wexham & The Ivers

The Wexham & The Ivers Community Board area received 47 responses to the survey.

The top 5 neighbourhood concerns and issues which were rated highly by respondents regardless of ranking are shown in the table below:

Concern/Issue	Number of Respondents	% of respondents
Burglary - residential properties	28	60%
Anti-social behaviour	19	40%
Speeding	18	38%
Parking	16	34%
Drug dealing	10	21%

With the exception of Parking, the concerns of the respondents from the Wexham & Ivers Community Board area fall broadly in line with the concerns of all respondents to the survey.

Verbatim Comments

19 respondents within the Wexham & Ivers Community Board area gave additional comments. Some comments contained multiple themes. Where the Wexham & Ivers area has been specifically mentioned, these comments have been included below.

Lack of Police Presence

I'd like to see more Police Officers in the communities of The Ivers.

Car Parking Issues

Since covid we have seen an influx of visitors to Langley Park who park as they wish, on pavements etc, narrow roads etc.

Anti-Social Behaviour

Concerned about 24/7 access to council car park and recreation ground enabling anti-social behaviour and more

Respondent Profile

The profile of the respondents of the survey was compared to the demographic profile of the legacy Chiltern and South Bucks District Council area to understand whether the survey sample contains an over or under representation of certain demographic groups.

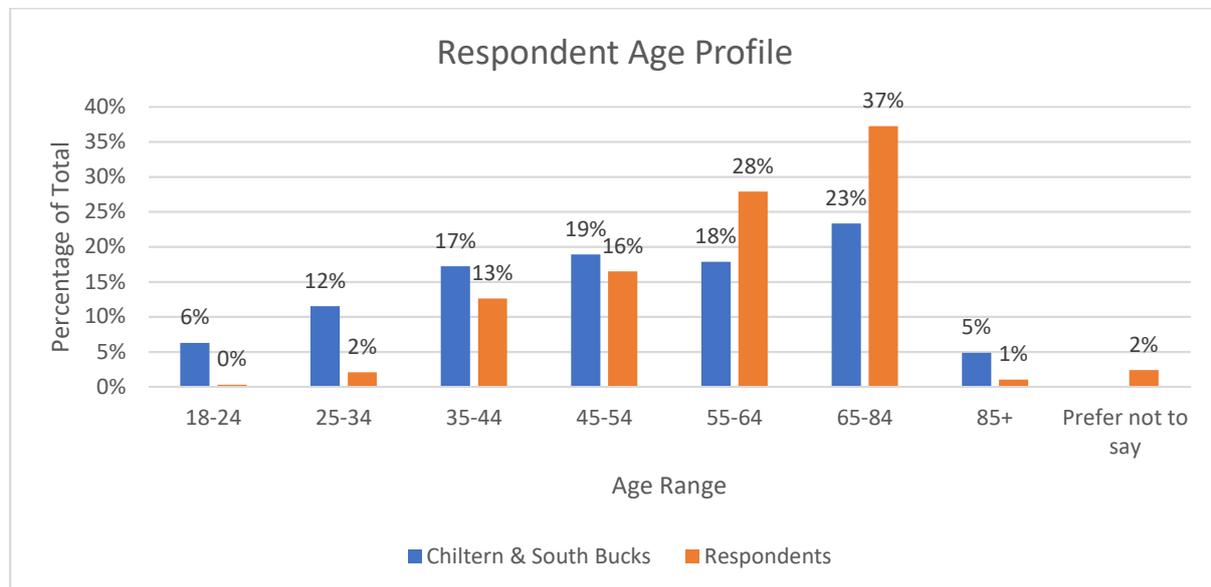

Figure 7: Respondent age profile. Based on 658 responses to the age question.

Source: Chiltern & South Bucks figures, ONS 2021 Population Estimates (2019)

A higher proportion of respondents (66%) were in the 55+ age groups compared with the Chiltern and South Bucks population where there were 46% in these age bands.

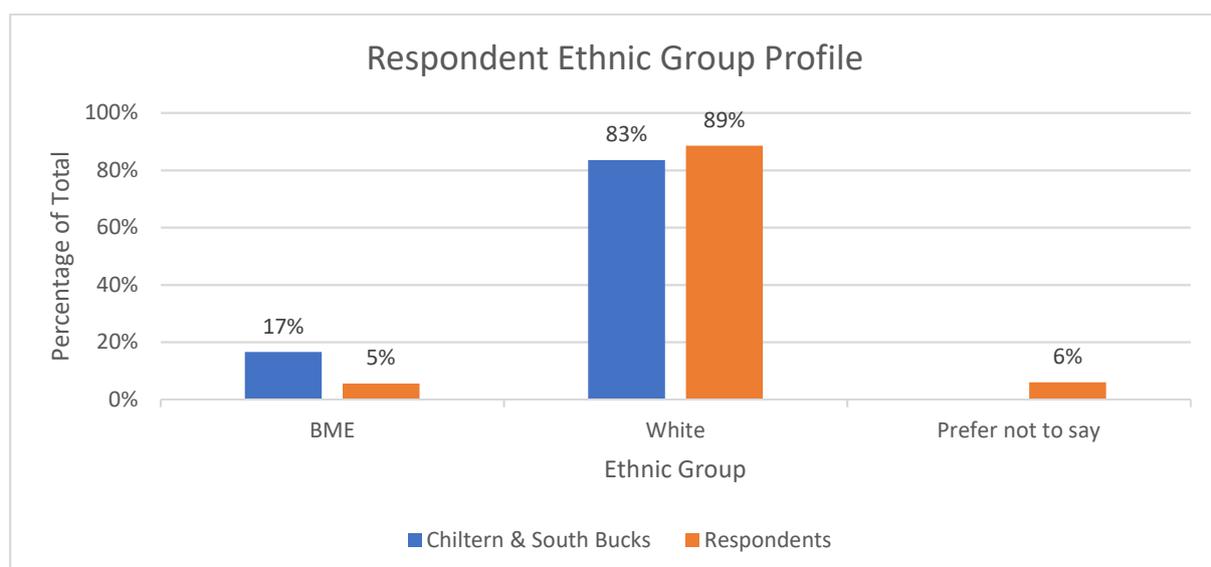

Figure 8: Respondent ethnicity profile. Based on 634 responses to the ethnicity question.

Source: Chiltern & South Bucks figures, ONS 2021 Population Estimates by ethnic group (2019)

White ethnic groups (89%) were over-represented compared with the Chiltern and South Bucks population (83%).

Neighbourhood Policing Survey - what are your concerns?

Overview

'Community and Neighbourhood Police stronger together'

If you live, work or do do business in the Chiltern and South Bucks areas of Buckinghamshire, we want to hear about your local policing issues or concerns.

This survey has been posted on behalf of the **Chiltern & South Bucks (CSB) Policing Issues Forum** for the sole purpose of helping to identify local community concerns. Any questions or concerns should be directed to the **CSB Forum by email**.

Chiltern & South Bucks (CSB) Policing Issues Forum

The CSB Forum is an independent group. It supports the process for identifying areas of focus for the Chiltern & South Bucks Local Policing Area (LPA) Neighbourhood Police teams. It encourages engagement between local residents and Neighbourhood Police teams. In this way we hope to increase community involvement and a sense of individual responsibility, whereby we can all help make our community a better place to be.

Your views matter

The CSB Policing Issues Forum works with local Community Boards and Thames Valley Police to better understand local policing issues or concerns.

The information you give will help focus neighbourhood policing on issues that matter to people who live or work in the Chiltern and South Bucks LPA.

We hope you will take a few minutes out of your day to give your views and help us build a better Buckinghamshire for everyone.

The survey closes midnight Monday 3 May 2021

Privacy

We will use the information you provide only for the purpose of this activity. We will store the information securely in line with data protection laws and will not share or publish any personal details. Please visit the **Privacy page** [</privacy_policy/>](/privacy_policy/) to read our full privacy notice.

Your neighbourhood policing concerns

'Community and Neighbourhood Police stronger together'

The Chiltern & South Bucks Policing Issues Forum works with Thames Valley Police and Community Boards to understand local policing issues or concerns.

The information you give will be used to set the areas of focus for neighbourhood policing in the Chiltern and South Bucks area.

At the end of the survey you can opt in to receive more information about the CSB Forum - as well as given a link to the CSB Forum website.

Stay Safe, Protect Bucks

Key message update for Community Boards
June/July 2021

- If you're meeting with family and friends, please continue to remember the rule of 6 or two households indoors, or up to 30 people outside
- Please continue to protect your loved ones – remember hands, face, space and fresh air to help stop the spread
- Regular testing will help us to control emerging variants. Rapid/ Lateral Flow Testing is only for people who are displaying no symptoms and can be done either at home or at a test centre
- If you have symptoms or if your LFT result is positive, you must self isolate immediately and arrange for a PCR test as soon as possible

COVID-19 vaccination update

Who can get the vaccine?

- All adults **aged 18 and over** can now get the COVID-19 vaccine. [Book online here](#) or call free 119
- Anyone **aged 18 - 39 will be offered an alternative vaccine to AstraZeneca**. Currently these vaccines are Pfizer or Moderna. Anyone in this age group should expect to wait between **8-12 weeks between doses**.
- If you are **aged 40 and over, or in an at risk group ([cohorts 1-9](#))**, you will receive the **AstraZeneca vaccine** and can expect an **8 week gap between doses** unless otherwise advised by a clinician.
- You will have the **same vaccine for both doses**.

How you can get the vaccine in Bucks?

- You can get a vaccine via your **GP, pharmacy** or at the **Mass Vaccination Centre** at Stoke Mandeville Stadium, Bowls Centre. You can find out more about where you can get a vaccine on the [council webpage](#). As you know there is a huge drive now across the country to get as many people vaccinated before the 19 July. Getting fully vaccinated with both doses is really important now as variants pose a risk. The latest data shows how being vaccinated can really help lower the risk of hospitalisation and serious illness or death if you do manage to contract the virus.
- Over the next month or so **some GPs are stopping vaccinating** as they return to normal practice work. This is because they were only ever due to vaccinate those most at risk in Phase 1 of the vaccine rollout.
- **Pharmacies are going to take over vaccination** in many of these areas.
- There are also a number of **drop-in clinics** popping up across the county. These allow eligible people to just **turn up without appointment** and get vaccinated with either their 1st or 2nd dose. [Bucks CCG updates webpage](#) is the best place to find out where clinics are planned and also for all other vaccine news

- Starting **Friday 2 July Health on the Move** vans will be rolling out 7 days a week across the Bucks, Oxon and Berks (BOB) region. They will be initially visiting key areas in the county where take up is low and to make it easier for people to access vaccines. Initially people will need to book a slot via the National Booking System, but we will swiftly be moving to a drop-in model once more established.
- You can help us by sharing the links to the webpage where the weekly van schedule will eventually sit - it will be on the [CCG webpage](#)
- The Health on the Move vans will offer other outreach health provision: Health Checks, flu vaccination etc. and the testing team will also be linking up to offer advice and support to people who come along for a vaccine.

Other vaccine news

- Finally, the new **Vaccine Voices** training is starting next week. This is a **90-minute online training session** for anyone keen to **share the benefits of vaccination within their communities**.

Page 44

We hope to get lots of different people to sign up and act as advocates across the county and with lots of support and advice in the form of a toolkit and the training session, we hope to really build up trust and an good ear at a ground level. Please email me for more info and details on how to share.

Home to school transport Changes for September 2021

School transport is changing

- The Council contracts bus operators to provide school buses for eligible children.
- Contracts are being renewed and we're ensuring new contracts provide best value for money to the taxpayer.
- Many Council-run bus services carry very few eligible children – in some cases none at all.
- We need to focus our resources on our obligation to carry eligible children.

New commercial school bus routes

- Those routes that carry few or no eligible children are being taken over by bus companies as commercial school bus routes from September 2021.
- These bus companies will sell tickets directly to parents, and are responsible for setting ticket prices at a level which makes their services financially viable.
- www.buckinghamshire.gov.uk/commercial-school-buses

Changes to routes

- Remaining Council school bus services will have changed routes and pick up points to focus on travel for eligible children.
- Average journey times will remain unchanged, but individual journey times may change because of the realignment of routes.
- Timetables for September will be available on the website by 15 August.

The Spare Seat Scheme

- We're still providing available spare seats to paying parents, though the number available is much reduced.
- Online applications are currently open, and applicants will hear the outcome by the end of July.
- All children who can no longer have a Council spare seat will be able to buy a seat on a commercial service – either one run for school children only or a public bus or train.
