Licensing and Regulatory Sub-Committee Virtual Procedural Rules

Introduction

The Secretary of State for Housing, Communities and Local Government made [Regulations](#) (The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority Police and Crime Panel Meetings) (England and Wales) Regulations 2020) to ensure local authorities can conduct business during the current public health emergency and this legislation was passed on 4 April 2020. The Regulations will apply to local authority meetings (full council, executive, joint committee, committee or sub-committee) held before 7 May 2021 from 4 April 2020. Councils can make standing orders in respect of virtual meetings, and will not be constrained by any existing restrictions. The Licensing Act 2003 and the Licensing Act 2003 (Hearing) Regulations 2005 provide flexibility to Licensing Authorities in determining their own hearing procedures.

Before the Hearing

Access to Information

The Council can hold and alter the frequency and occurrence of meetings without requirement for further notice.

The new 2020 Regulations make provision for local authority members and officers, and the public, to have access to documents without attending council buildings and it will be sufficient for local authorities to publish the documents on their website. This includes notices, agendas, reports, background papers and minutes. The Proper Officer will give the requisite notice to the public of the time of the meeting, and the agenda, together with details of how to join the meeting which will be available on the website.

The obligation under the old Regulations (Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012) to supply copies of such documents in response to requests made by members of the public and on behalf of newspapers is disapplied.

The requirement in England for 5 clear days' notice to be given of principal council meetings, including annual meetings, still applies however notice can now be given on the council's website. However, it should be noted that Licensing is not subject to this but is bound by the Licensing Act 2003 and there may be occasional times when these requirements cannot be met.

Time and Place of Meetings

Meetings can be held remotely, including by (but not limited to) telephone conferencing, video conferencing, live webcast, and live interactive streaming even if particular members of the public cannot access them. This Council will use Microsoft Teams to hold virtual meetings and will invite external participants to virtual meetings, if any, via email or telephone. Virtual meetings will be webcast where the Hearing is held in public via a link published on the meeting webpage.

The Constitution states that when reasonably practical, a sub-committee meeting should be held at the Council facility which is closest to the premises or issue that is the subject of the meeting. However, this requirement cannot be met during this current period.

During the Hearing

It is a requirement for such hearings that:

- a) proper notice is given, with all papers served timeously on the authority and published online;
- b) the actual parties to the hearing are able to participate;
- c) any member of the public can see or hear, albeit not participate in, the hearing.

Although held in a virtual format, Hearings dealing with new licences or variations to existing licences will follow the standard procedure. Panel Members may ask questions of any party at any time. Questions are usually taken after each person has spoken. It is helpful to undertake a document check at the start of the Hearing.

In terms of issues that may arise during the Hearing the following rules apply:-

Quorum for Meetings

The rules for quorum will still apply. This is 3 Councillors for a licensing or regulatory sub-committee. It is also considered good practice to have a reserve member, in case of interests. The constitution states that if a quorum is not present within 10 minutes of the scheduled start of the meeting or such longer time as allowed by the Chairman, the business of the meeting will be adjourned. The Chairman may allow for flexibility around the start time of the meeting where there are any technical issues.

In the event of any apparent failure of the technology the Chairman should immediately determine if the meeting is still quorate. The Chairman could adjourn for 10-15 minutes to allow the connection to be re-established. If an individual remote participation fails the Chairman may call a short adjournment. As the hearing must have 3 members present, the meeting will be reliant on the lost connection being re-established to ensure all members are present for the entire discussion in order to hear all of the facts and vote on the matter.

Only 3 members are permitted on Licensing and Regulatory Sub-Committees (LSC) for each Hearing (as per Section 9 of the Licensing Act 2003 and the Constitution Terms of Reference for the LSC). The reserve member is present in case an interest arises at the beginning of the Hearing or one of the 3 members identified as being on the LSC fails to attend the virtual meeting. It is only those 3 members who have been identified as being on the LSC for that Hearing who can ask questions of the other parties. A reserve member would not be able to participate if the technology fails for one of the members present as whilst they would be listening they will not have taken an active role nor been included in the process/asked to see if they have any questions etc.

Attendance at meetings and webcasting

A roll call or introductions will be made at the start of the meeting to record those present. There is no requirement for councillors to sign their names on the attendance sheets when attending a virtual meeting. The Democratic Services Officer will maintain a list of attendance throughout the meeting.

To be classified as a 'member in attendance' and attend a meeting remotely, the following conditions must be satisfied;

- a) councillors must be able to hear and (where practicable) see and be heard and (where practicable) be seen by other councillors in attendance at the meeting. This full requirement also extends to members of the public attending to exercise a right to speak at the meeting.
- b) All other members of the public must as a minimum be able to hear (but if practicable be seen as well).

In practice this means that if councillors and speaking members of the public can be heard and hear each other and other members of the public not speaking can hear, this would fulfil the requirements of holding a virtual meeting.

Members of the press and public may only be excluded from a meeting in accordance with the Access to Information Rules.

The Regulations state that meetings being open to the public include access by remote means. Such access includes (but is not limited to) video conferencing, live webcast, and live interactive streaming and where a meeting is accessible to the public through such remote means the meeting is open to the public whether or not members of the public are able to attend the meeting in person. For clarity, a meeting recorded and then posted online after the event would not satisfy this requirement.

In the event that the live webcast fails and cannot be resumed the meeting will be opened and adjourned to allow for it to take place at a hearing (the date and time of which will be fixed prior to the matter being adjourned).

The people on the Teams call who are present throughout the meeting are the Members of the Sub-Committee, , any officer supporting the meeting and those who have submitted valid representations, applicant and/or legal representative . The public gallery, where Members can sit and observe the meeting alongside members of the public, is the webcast version. It is important to keep numbers in the meeting (except for those allowed to be present as Members) to a minimum to enable the proper flow of the virtual meeting.

Conflicts of interest

Councillors should consider if they have an interest, and, if required, seek advice from the Monitoring Officer, or their deputy, before the meeting starts. If a Councillor appointed to a licensing hearing considers that their interest is prejudicial they should notify Democratic Services as soon as possible so that an alternative councillor can be appointed to the licensing hearing. Where a councillor has an interest they must declare their interest and the nature of

it at the start of the meeting. If the interest is 'personal' having declared a personal interest the councillor may continue to speak and vote on the item of business concerned. If the councillor has a prejudicial interest they will not be able to take part in the discussion or decision and must leave the meeting. A reserve councillor, if available, will then be called upon to serve on the hearing in their absence.

Minutes of meetings

The Minutes of meetings will be published on the website if the meeting is held in public.

Questions

Questions will be asked in the normal way as set out in the Constitution.

Order of business (as normal)

1. The Chairman will open the Hearing and start the introductions of the Sub-Committee and Officers and ask each party to introduce themselves. The Chairman will confirm that if a party is not present their representations/application will have been read and will be considered in reaching the decision.
2. The Chairman will address any interest arising under the Code of Conduct.
3. The Chairman will consider any submitted requests from a party for permission for another person to appear at the virtual Hearing. If necessary, the sub-committee will retire to deliberate before making a decision.
4. The Chairman will confirm that the Hearing will take the form of a virtual round the table discussion led by the Sub-Committee in accordance with this procedure. If all parties present confirm that they have seen and understand the procedure to be followed at the virtual Hearing and agree they are ready to proceed then the Hearing **shall commence as set out from para 9 below**.
5. The Chairman will remind everyone that the purpose of the virtual Hearing should be borne in mind at all times i.e.
 - to enable those with a right to appear at the virtual meeting to advance their point of view and concerns and to test the case of their opponents and
 - to assist the Sub-Committee to gather evidence and understand the relevant issues.
6. The Chairman will confirm what advance papers have been received and that these have been read and therefore there is no need to repeat these matters.
7. The Chairman will make clear that parties should only address the Sub-Committee in relation to matters previously raised/submitted. Late evidence to be submitted at the Hearing will only be considered by the Licensing Sub-Committee with the consent of all parties present.

8. The Chairman will then outline the procedure to be followed by reading out the order of oral presentations **unless** all parties present have confirmed that they have seen and understood the procedure and are ready to proceed with the virtual Hearing.
9. The Chairman will ask the Applicants whether they wish to make any amendments to their application with a view to addressing issues raised by the representations.
10. A) Order of oral presentations for an application:-
 - a. The Licensing Officer will present their report outlining the details of the application/notice and representations received.
 - b. Any party may question the Licensing Officer.
 - c. The Members may question the Licensing Officer.
 - d. The Responsible Authorities will present their case and call their witnesses (in the case of a review hearing, the responsible authority bringing the review will present their case and call their witness(s
 - e. Any other party may question the Responsible Authorities.
 - f. The Members may question the Responsible Authorities.
 - g. Each Interested Party will present their case in turn and call their witnesses.
 - h. Any other party may question the Interested Party.
 - i. The Members may question the Interested Parties.
 - j. The Applicant/licence Holder will present their case and call their witnesses.
 - k. The other parties may question the Applicant/Licence Holder.
 - l. The Licensing Officer may question the Applicant/Licence Holder.
 - m. The Members may question the Applicant/Licence Holder.

B) Order of oral presentation for a review

Add in

Once they have made their representations under the requirements of the constitution they will need to switch off their microphone and not participate any further in the meeting unless they are asking any questions or wish to sum up. No speaking is timed.

11. Before moving onto the next party, the Chairman will check there are no further points the current party wishes to make or any further questions that need to be put to that party.
12. . There may be a discussion at the hearing, on a without prejudice basis, where each party will be asked to address/give their views on any proposed conditions and suggest any other appropriate conditions to assist the Sub-Committee. If possible an agreed schedule of conditions will result. It will remain however for the Sub-Committee to determine any final conditions that will apply should the application be successful
13. Each party will be invited to make closing submission as set out in paragraph 10.

14. The Chairman will then close the Hearing and the Sub-Committee will meet virtually together with the Committee Clerk and the Sub-Committee Legal Advisor for the matter to be determined.
15. The Sub-Committee will come to a decision which will be sent to the Applicant and all other parties' who submitted relevant representations within the time limits set out in Regulations together with details of the right of appeal.

When can the Chairman be interrupted?

There are circumstances allowed for in the Constitution where the Chairman can be interrupted such as:-

- Technology is not working effectively
- Officer needs to provide advice
- Point of order or personal explanation

or any other area where the Constitution or Chairman allows.

Disturbance during proceedings

The Constitution states that if anyone interrupts proceedings the Chairman will warn the person concerned and if they continue to interrupt the Chairman will order their removal from the virtual meeting room. There may be circumstances where the person needs to be removed immediately, for example if they are being inappropriate, and the Chairman can do this by muting their microphone. If there is a general disturbance making orderly business impossible, the Chairman may adjourn the meeting for as long as they consider necessary.

Adjournments

People will remain on the call with mics muted and cameras off until the meeting starts again. The Chairman may also want to consider having a comfort (screen) break for longer meetings. If there is a problem with the technology the Chairman should pause the meeting until that issue has been resolved. However, this does not stop a meeting going ahead because a person does not have access to the required technology in the first place. If technology fails for a wholly remote meeting, and the meeting is no longer open to the public, any decisions made could be challenged as unlawful which renders the whole meeting incapable of proceeding and therefore the Chairman should adjourn until the remote meeting can be restored within a reasonable period, or at a time and date fixed by the Chairman . Any interested party eligible to speak who attends to exercise their right to speak and is unable to do so renders only their item incapable of proceeding unless they are happy to submit their comments through a written representation.

The Council will try and achieve the best possible outcome.

Deliberations and Exclusion of the Press and the Public

Under Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005 the licensing authority may exclude the public from all or part of the hearing where it considers that the

public interest in doing so outweighs the public interest in the Hearing or part of that Hearing taking place in public. In addition there may be information in the agenda pack pertaining to the hearing be exempt from publication or discussion in public under Schedule 12A of The Local Government Act 1972 as amended. In these circumstances the public will be excluded from part or the whole of the Hearing as appropriate.

At the conclusion of the Hearing, the Sub-Committee together with the Democratic Services Officer and Legal Advisor, will remain in a private virtual meeting in order to deliberate on the decision. Interested parties will then be notified of the outcome of the hearing in writing after the meeting in accordance with required timescales.

Each Member in remote attendance must ensure and verbally declare that there are no other persons present who are not entitled to be (either hearing or seeing) consideration of such items, and/or recording the proceedings.

The Sub-Committee may depart from this procedure (as varied/amended from time to time based on changes to law and practice) if it considers it necessary and/or equitable to do so.

4. Relevant Representations

4.1 Responsible Authorities:

- 4.1.1 **The Chief Officer of Police:** Response received in relation to the prevention of crime and disorder objective. **(Appendix 3)**
- 4.1.2 **The Fire and Rescue Authority:** No Response received: No comment
- 4.1.3 **The Local Planning Authority (Head of Sustainable Development):** No Response received: No comment
- 4.1.4 **The Local Environmental Health Authority (Head of Environmental Health):** No Response received: No comment

No response received. No comment
- 4.1.7 No responses were received from any other Responsible Authority.

4.2 **Any other persons:** No responses were received

4.3 No letters of support were received.

5. Relevant Policy Considerations:

5.1 The Relevant Representations received raise the follows issues:

- *The Prevention of Crime and Disorder*
Representations mention concerns regarding the security of alcohol and that it shall be an easy target for theft, especially if products are on display. There is also a concern regarding what happens to alcohol if the stall holder is away for any reason.

The panel should note that mediation has been undertaken, but currently not found a mutually agreeable position on what conditions can be draft that shall promote the objective to prevent crime and disorder.

In relation to the Prevention of Crime and Disorder the Statutory Guidance states:

- 2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in licensed premises. For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise

location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.

- 2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular premises, poor management competency could give rise to issues of crime and disorder and public safety.

In relation to the relevant licensing objectives and the determination of applications, the Council's Statement of Licensing policy states:

- 1.6 This Policy and the Council's functions as Licensing Authority seek to achieve control of premises, qualifying clubs and temporary events within the terms of the Act. Terms and conditions will focus on achieving the licensing objectives with reference to
- matters within the control of individual licensees
 - the specific premises and the places used
 - the direct impact of the activity taking place at the licensed premises, in particular on public who live, work and carry out normal activity in the area concerned.
- 1.8 The objective of the licensing process is to allow the carrying on of retail sales of alcohol in a way which ensures compliance with the Act. It is the Council's wish to facilitate well-run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.
- 2.8 In considering licence applications where representations have been received, the Licensing Sub-Committee will consider the adequacy of measures proposed to deal with the potential for nuisance and/or crime and public disorder, prevention of harm to children and public safety having regard to all the circumstances of the case. The Council will expect operating schedules to satisfactorily address these issues from the design through to the daily operation of the business. Particular consideration will be given to:

In relation to the prevention of crime and disorder the guidance states (p.10)

- 2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).
- 2.3 Conditions should be targeted on deterrence and preventing crime and disorder. For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.

- 2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular premises, poor management competency could give rise to issues of crime and disorder and public safety.

In relation to the prevention of crime and disorder (page 9) the policy states that:

- 3.7 If, upon receipt of a relevant representation, there is a likelihood of crime and disorder increasing as a result of the application being granted, the Authority will refuse the application, unless there are exceptional circumstances or it can be demonstrated that additional conditions will alleviate the concerns. In cases where conditions are attached to licences, the conditions will aim to reflect local crime prevention strategies.
- 3.10 In considering licence applications, the Authority will particularly take into account the following where relevant:
- The measures proposed to prevent the consumption or supply of illegal drugs, including any search procedures and entry policies.
 - The measures proposed to prevent or reduce violence and public disorder in the vicinity of the premises, e.g. the provision of door supervisors, security lighting and signage both inside and outside the premises.
 - Physical security features such as the use of CCTV; where a licensed premises is required to have CCTV as a condition of the licence then unless there are good reasons provided to the satisfaction of the Licensing Committee, the premises must be equipped to a standard and in a manner in accordance with established Thames Valley Police guidance in relation to CCTV.
- 2.9 The weight to be attached to individual representations will be determined by the Members at any hearing and will vary on a case by case basis taking the matters referred to in the Policy into account - representations are encouraged to be specific to the subject premises and if possible supported by written records of previous complaints/problems where these are alleged (including dates, times and to whom the complaint was made and when and what the outcome of any such complaint was if any) – equally applicants are encouraged in completing their operating schedules to detail steps proposed to address potential concerns.

5. Resources, Risk and Other Implications

- 5.1 **Resource:** The only resource implications to date has been officer time. If the applicant or persons making relevant representations appeals against the decision of the Licensing Sub – Committee, however, this would result in legal fees to defend the appeal and further costs. In the event of a successful appeal the Council may also have to pay the applicant/other party's costs.

5.2 **Human Rights**

The Panel should consider its responsibilities under the Human Rights Act when considering the fair balance between the interests of the applicant and the rights of local residents.

Any decision taken must be appropriate and proportionate to the objective being pursued. In particular the following should be taken onto consideration:

Article 6 - the right to a fair hearing

Article 8 - respect for private and family life

Article 1, First Protocol - peaceful enjoyment of possessions (which can include the possession of a licence)

5.3 Interference with these rights is acceptable within the terms of the Human Rights Act 1998 if it safeguards the rights of others, is legitimate, proportionate and balanced in that there is a need to find a fair balance between the protection of individual rights and the interests of the community at large – other than rights under Article 6 and 14 which are absolute rights and cannot be interfered with.

5.4 Therefore if Members refuse to grant the application for a new Premises Licence in whole or part or grant it subject to conditions, this will be a breach of the rights of the Applicant unless such refusal (in full or part) is, and/or the conditions imposed are, appropriate, proportionate and can be justified, on balance, by being outweighed by the rights of the community at large to peaceful enjoyment of their property/possessions. Any restriction placed upon the Premises Licence must not go beyond what is strictly necessary to achieve its legitimate purpose in order to mitigate the interference with the community at large enjoyment of their property/possessions.

5.5 By taking into consideration all the material considerations relating to this application and balancing the interests/rights of all parties involved it is considered that the Licensing Sub-Committee's decision will be both proportionate and justified having had regard to the Human Rights Act 1998.

5.6 The Equality Act 2010, including the Council's Public Sector Equality Duty, must be taken into account when making decisions in relation to licensing applications.

6. Determination by the Licensing Sub-Committee

6.1 The Sub Committee is obliged to determine applications in the light of the above and any other material considerations with a view to promoting the four licensing objectives. Which are:

- The prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm

Regard must also be had to the Council's Statement of Licensing Policy, Home Office Guidance issued under Section 182 of the Licensing Act 2003, as amended, relevant representations received and the evidence presented at the Hearing.

- 6.2 Each application must be considered on its own merits and any conditions attached to premises licences must be tailored to the individual style and characteristics of the premises and events concerned. This is essential to avoid the imposition of disproportionate and overly burdensome conditions on premises. Standardised conditions should be avoided and indeed may be unlawful where they cannot be shown to promote the licensing objectives in any individual case.
- 6.3 The Sub-Committee must avoid duplication of other legal requirements and should only impose conditions on a premises licence which are appropriate and proportionate for the promotion of the licensing objectives and where additional and/or supplementary measures are required in order to promote the licensing objectives.
- 6.4 The following options are available to the Licensing Sub Committee:
- 6.4.1 Grant the Premises Licence - subject to any conditions which are consistent with the Operating Schedule and which are considered appropriate and proportionate for the promotion of the four licensing objectives in response to relevant representations received - and any relevant mandatory conditions.
 - 6.4.2 Exclude from the scope of the Premises Licence granted under Para 6.4.1 above any of the licensable activities to which the application relates.
 - 6.4.3 Refuse to specify a person in the Premises Licence granted under Para 6.4.1 as the premises supervisor.
 - 6.4.4 Reject the whole of the Application.
 - 6.4.5 Grant the Premises Licence subject to different conditions for different parts of the premises or the different /reduced licensable activities if this is considered appropriate and proportionate to promote the four licensing objectives and in response to the representations received).
- 6.5 The Sub-Committee is asked to note that it may not reject the whole or part of the application or attach conditions - merely because it considers it desirable to do so. It must actually be **appropriate and proportionate** in order to promote the 4 licensing objectives and be in response to the representations received and full reasons must be given for the Sub-Committees decision.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

'Under The Arches' - Objection to applicatoin for Premises Licence

Dear Licensing Authoirty,

On 9th April 2021 Thames Valley Police received an application for a Premises Licence for a 3m x 3m market stall on a Tuesday, Friday and Saturday in High Wycombe to sell wine between the hours of 09.00 and 23.00 hrs.

The application indicates that the stall is covered by Town Centre CCTV and this will be the main prevention for Crime and Disorder. In fact the CCTV although nearby cannot be relied upon to provide Crime Prevention cover for this stall as it is on a mobile pan facility and not static operation. He also talks about 'proof of age cards' which under the mandatory conditions he should identify what challenge programme he is using.

I have been in contact with the applicant to try to get some idea of how things could be improved but All I'm getting back is they'll agree with anything I come up with. It is not for me to tell him what he needs to do and from the questions that I have aksed I have indicated the issues but he has not come up with any solutions. There is no other indication when asked of any preventative measures being taken by the applicant other than getting another stall holder to 'keep an eye on his stall' if he has to leave it.

Therefore on behalf of the Chief Officer of Police for the Thames Valley Police Service we object to this application.

We are concerned that with the itinerates and some of the 'others' that we have in the Town area are likely to see this as an easy target to steal from if they get the slightest chance even if the stall holder is present and dealing with other customers especially if products are on display. If the stall holder is away for a reason and it is being 'kept an eye on' then in our view it could be 'Christmas' and bottles of wine could well be disappearing.

There may - although not easy - be some conditions that might be attached to the licence which is something that we are looking at this time.

Unfortunately there are no individual Market stalls licensed within Thames Valley Police other than a couple that have conditions such as training and Challenge 25. All in all this is new territory we are working on and conditions may be things like;

Only empty bottles of wine will be on display.

Full bottles to be kept under the stall tables protected from the front by screens
