Licensing and Regulatory Sub-Committee Virtual Procedural Rules

Procedure at Hearings before the Licensing Sub-Committee in relation to matters mainly under the Licensing Act 2003 as amended (“The 2003 Act”) **except** Interim Hearings (Summary Review of a Premises Licence) conducted pursuant to Section 53B of the Licensing Act 2003, as amended (separate Procedure).

Hearings for Gambling Premises are dealt with under the Gambling Act 2005 as amended.

Introduction

The Secretary of State for Housing, Communities and Local Government made [Regulations](#) (The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority Police and Crime Panel Meetings) (England and Wales) Regulations 2020) to ensure local authorities can conduct business during the current public health emergency and this legislation was passed on 4 April 2020. The Regulations will apply to local authority meetings (full council, executive, joint committee, committee or sub-committee) held before 7 May 2021 from 4 April 2020. Councils can make standing orders in respect of virtual meetings, and will not be constrained by any existing restrictions. The Licensing Act 2003 and the Licensing Act 2003 (Hearing) Regulations 2005 provide flexibility to Licensing Authorities in determining their own hearing procedures.

Administration in Relation to the Hearing

Prior written notice of the Hearing will have been given to the interested/relevant parties.

- (a) Where a party has informed the Council that they will not be attending or represented the Hearing may proceed in their absence.
- (b) Where a party has not replied to the notice, does not attend and is not represented then the Sub-Committee may proceed with the Hearing in that party’s absence or adjourn the Hearing if it is considered necessary in the public interest to do so.
- (c) If a party has indicated they will attend but does not appear, that party must inform the Council of any delay - with reasons - and in consideration thereof the Sub-Committee can decide to proceed with the Hearing or adjourn to later the same day or another time. If a party is more than 15 minutes late and has not contacted the Council with details of any delay – the Sub-Committee shall proceed with the hearing unless it is in the public interest not to do so and shall adjourn the hearing to later on the same day or another date.

If the Hearing is held in a party’s absence, the Sub-Committee will still consider the application, representation or notice made by that party.

A hearing can be dispensed with if all parties give notice that they consider a hearing unnecessary. If this is the case the application/notice will be dealt with by way of a determination.

Representations can be withdrawn by prior notice 1 working day before the Hearing or orally at the Hearing.

At the Hearing any party can be assisted or represented by any person whether or not that person is legally qualified.

Account can be taken of documentary or other information produced by a party in support of their application, representation or notice (as applicable) either 1 working day before the Hearing or - with the consent of all other parties - at the Hearing, in which case sufficient copies are required to be provided for all relevant parties. Any party wishing to call another person (other than a person representing them) to make oral representations must provide details of this to the Council within the time stated in the Notice of Hearing which the Council will serve on the Parties. At the beginning of the Hearing the Sub-Committee will consider any such requests and confirm whether permission is granted for that person to speak.

The Sub-Committee may disregard any information which is not considered relevant to the application/representation/notice and the promotion of the licensing objectives.

The purpose of a Hearing is to enable those with a right to appear to amplify their written application or representation and to test the case of their opponents. It is also to assist the Sub-Committee to gather evidence and understand the relevant issues. The parties (including other persons on their behalf) will be allowed an equal reasonable period of time to address the Hearing and ask questions. The Chairman may set a maximum period of time on how long each party may speak, progressing without undue delays and ensuring that there is a fair hearing. Where the representations made relate to the same or similar issues, a spokesperson should be appointed where possible to speak on behalf of any person who has made a written representation.

The Decision of the Licensing Sub Committee will be made after the close of the Hearing when the Chairman retires with the legal advisor and the Clerk to the Sub-committee in a private session to consider all the evidence and submissions made at the hearing.

The decision of the Sub-committee will be communicated to all parties by way of a written Decision Notice issued by Legal Services. This notice shall be issued within 7 days of the hearing and if there is to be a delay in issuing such a notice; the licensing officer will communicate with all parties. The notice will contain will be dated and set out the provisions of the Right to Appeal to the Magistrates Court.

The Sub-Committee may depart from this procedure (as varied/amended from time to time based on changes to law and practice) if it considers reasonably necessary and proportionate.

Access to Information

The Council can hold and alter the frequency and occurrence of meetings without requirement for further notice.

The new 2020 Regulations make provision for local authority members and officers, and the public, to have access to documents without attending council buildings and it will be sufficient for local authorities to publish the documents on their website. This includes notices, agendas, reports, background papers and minutes. The Proper Officer will give the requisite notice to the public of the time of the meeting, and the agenda, together with details of how to join the meeting which will be available on the website.

The obligation under the old Regulations (Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012) to supply copies of such documents in response to requests made by members of the public and on behalf of newspapers is disappplied.

The requirement in England for 5 clear days' notice to be given of principal council meetings, including annual meetings, still applies however notice can now be given on the council's website.

Time and Place of Meetings

Meetings can be held remotely, including by (but not limited to) telephone conferencing, video conferencing, live webcast, and live interactive streaming even if particular members of the public cannot access them. This Council will use Microsoft Teams to hold virtual meetings and will invite external participants to virtual meetings, if any, via email or telephone. Virtual meetings will be webcast where the Hearing is held in public via a link published on the meeting webpage.

The Constitution states that when reasonably practical, a sub-committee meeting should be held at the Council facility which is closest to the premises or issue that is the subject of the meeting. However, this requirement cannot be met during this current period.

During the Hearing

It is a requirement for such hearings that:

- a) proper notice is given, with all papers served timeously on the authority and published online;
- b) the actual parties to the hearing are able to participate;
- c) any member of the public can see or hear, albeit not participate in, the hearing.

Although held in a virtual format, Hearings dealing with new licences or variations to existing licences will follow the standard procedure. Panel Members may ask questions of any party at any time. Questions are usually taken after each person has spoken. It is helpful to undertake a document check at the start of the Hearing.

In terms of issues that may arise during the Hearing the following rules apply:-

Quorum for Meetings

The rules for quorum will still apply. This is 3 Councillors for a licensing or regulatory sub-committee. It is also considered good practice to have a reserve member, in case of interests. The constitution states that if a quorum is not present within 10 minutes of the scheduled start of the meeting or such longer time as allowed by the Chairman, the business of the meeting will be adjourned. The Chairman may allow for flexibility around the start time of the meeting where there are any technical issues.

In the event of any apparent failure of the technology the Chairman should immediately determine if the meeting is still quorate. The Chairman could adjourn for 10-15 minutes to allow the connection to be re-established. If an individual remote participation fails the Chairman may call a short adjournment. As the hearing must have 3 members present, the meeting will be reliant on the lost connection being re-established to ensure all members are present for the entire discussion in order to hear all of the facts and vote on the matter.

Only 3 members are permitted on Licensing and Regulatory Sub-Committees (LSC) for each Hearing (as per Section 9 of the Licensing Act 2003 and the Constitution Terms of Reference for the LSC). The reserve member is present in case an interest arises at the beginning of the Hearing or one of the 3 members identified as being on the LSC fails to attend the virtual meeting. It is only those 3 members who have been identified as being on the LSC for that Hearing who can ask questions of the other parties. A reserve member would not be able to participate if the technology fails for one

of the members present as whilst they would be listening they will not have taken an active role nor been included in the process/asked to see if they have any questions etc.

Attendance at meetings and webcasting

A roll call or introductions will be made at the start of the meeting to record those present. There is no requirement for councillors to sign their names on the attendance sheets when attending a virtual meeting. The Democratic Services Officer will maintain a list of attendance throughout the meeting.

To be classified as a 'member in attendance' and attend a meeting remotely, the following conditions must be satisfied;

- a) councillors must be able to hear and (where practicable) see and be heard and (where practicable) be seen by other councillors in attendance at the meeting. This full requirement also extends to members of the public attending to exercise a right to speak at the meeting.
- b) All other members of the public must as a minimum be able to hear (but if practicable be seen as well).

In practice this means that if councillors and speaking members of the public can be heard and hear each other and other members of the public not speaking can hear, this would fulfil the requirements of holding a virtual meeting.

Members of the press and public may only be excluded from a meeting in accordance with the Access to Information Rules.

The Regulations state that meetings being open to the public include access by remote means. Such access includes (but is not limited to) video conferencing, live webcast, and live interactive streaming and where a meeting is accessible to the public through such remote means the meeting is open to the public whether or not members of the public are able to attend the meeting in person. For clarity, a meeting recorded and then posted online after the event would not satisfy this requirement.

In the event that the live webcast fails and cannot be resumed the meeting will be opened and adjourned to allow for it to take place at a hearing (the date and time of which will be fixed prior to the matter being adjourned).

The people on the Teams call who are present throughout the meeting are the Members of the Sub-Committee, any officer supporting the meeting and those who have submitted valid representations, applicant and/or legal representative. The public gallery, where Members can sit and observe the meeting alongside members of the public, is the webcast version. It is important to keep numbers in the meeting (except for those allowed to be present as Members) to a minimum to enable the proper flow of the virtual meeting.

Conflicts of interest

Councillors should consider if they have an interest, and, if required, seek advice from the Monitoring Officer, or their deputy, before the meeting starts. If a Councillor appointed to a licensing hearing considers that their interest is prejudicial they should notify Democratic Services as soon as possible so that an alternative councillor can be appointed to the licensing hearing.

Where a councillor has an interest they must declare their interest and the nature of it at the start of the meeting. If the interest is 'personal' having declared a personal interest the councillor may continue to speak and vote on the item of business concerned. If the councillor has a prejudicial interest they will not be able to take part in the discussion or decision and must leave the meeting. A reserve councillor, if available, will then be called upon to serve on the hearing in their absence.

Minutes of meetings

The Minutes of meetings will be published on the website if the meeting is held in public.

Questions

Parties can ask questions of other parties in accordance with the procedure below. The Chairman can stop a party asking questions if they feel the questions are unnecessary. Parties are expected to treat other parties with respect and any form of harassment or excessive questioning will not be tolerated. In such cases the Chairman will ask the party to discontinue that type of questioning. The Chairman can require any person (including any of the parties) who is disrupting the proceedings to leave the Hearing.

Order of business (as normal)

1. The Chairman will open the Hearing and start the introductions of the Sub-Committee and Officers and ask each party to introduce themselves. The Chairman will confirm that if a party is not present their representations/application will have been read and will be considered in reaching the decision.
2. The Chairman will address any interest arising under the Code of Conduct.
3. The Chairman will consider any submitted requests from a party for permission for another person to appear at the virtual Hearing and any other procedural matters. If necessary, the sub-committee will retire to deliberate before making a decision.
4. If all parties present confirm that they have seen and understand the procedure to be followed at the virtual Hearing and agree they are ready to proceed then the Hearing **shall commence as set out from para 9 below**.
5. The Chairman will remind everyone that the purpose of the virtual Hearing should be borne in mind at all times i.e.
 - to enable those with a right to appear at the virtual meeting to advance their point of view and concerns and to test the case of their opponents and
 - to assist the Sub-Committee to gather evidence and understand the relevant issues.
6. The Chairman will confirm what advance papers have been received and that these have been read and therefore there is no need to repeat these matters.
7. The Chairman will make clear that parties should only address the Sub-Committee in relation to matters previously raised/submitted. Late evidence to be submitted at the Hearing will only be considered by the Licensing Sub-Committee with the consent of all parties present.

8. The Chairman will then outline the procedure to be followed by reading out the order of oral presentations unless all parties present have confirmed that they have seen and understood the procedure and are ready to proceed with the virtual Hearing.
9. The Chairman will ask the Applicant whether they wish to make any amendments to their application with a view to addressing issues raised by the representations.
10. Order of oral presentations:-
 - a. The Licensing Officer will present their report outlining the details of the application/notice and representations received.
 - b. Any party may question the Licensing Officer.
 - c. The Members may question the Licensing Officer.
 - d. The Applicant will present their case and call their witnesses
 - e. Any other party may question the Applicant. Any party includes any responsible body.
 - f. The Members may question the Applicant
 - g. Each Interested Party will present their case in turn and call their witnesses.
 - h. Any other party may question the Interested Party.
 - i. The Members may question the Interested Parties.
 - j. The Licensing Officer may question the Interested Parties.

Once they have made their representations under the requirements of the constitution they will need to switch off their microphone and not participate any further in the meeting unless they are asking any questions or wish to sum up. No speaking is timed.

11. Before moving onto the next party at any time during the procedure above, the Chairman will check there are no further points the current party wishes to make or any further questions that need to be put to that party.
12. There may be a discussion at the hearing, on a without prejudice basis, where each party will be asked to address/give their views on any proposed conditions and suggest any other appropriate conditions to assist the Sub-Committee. Any agreed conditions may be incorporated into the Decision Notice if the application is successful. However, the Sub-Committee to determine any final conditions that will apply to the licence.
13. Each party will be invited to make closing submission in the order as set out in paragraph 10.
14. The Chairman will then close the Hearing and the Sub-Committee will meet (privately) virtually together with the Clerk and the Sub-Committee Legal Advisor for the matter to be determined.
15. The Sub-Committee will come to a decision which will be sent to the Applicant and all other parties' who submitted relevant representations within the time limits set out in this procedure and Regulations together with details of the right of appeal.

When can the Chairman be interrupted?

There are circumstances allowed for in the Constitution where the Chairman can be interrupted such as:-

- Technology is not working effectively

- Officer needs to provide advice
- Point of order or personal explanation

or any other area where the Constitution or Chairman allows.

Disturbance during proceedings

The Constitution states that if anyone interrupts proceedings the Chairman will warn the person concerned and if they continue to interrupt the Chairman will order their removal from the virtual meeting room. There may be circumstances where the person needs to be removed immediately, for example if they are being inappropriate, and the Chairman can do this by muting their microphone. If there is a general disturbance making orderly business impossible, the Chairman may adjourn the meeting for as long as they consider necessary.

Adjournments

People will remain on the call with mics muted and cameras off until the meeting starts again. The Chairman may also want to consider having a comfort (screen) break for longer meetings. If there is a problem with the technology the Chairman should pause the meeting until that issue has been resolved. However, this does not stop a meeting going ahead because a person does not have access to the required technology in the first place. If technology fails for a wholly remote meeting, and the meeting is no longer open to the public, any decisions made could be challenged as unlawful which renders the whole meeting incapable of proceeding and therefore the Chairman should adjourn until the remote meeting can be restored within a reasonable period, or at a time and date fixed by the Chairman. Any interested party eligible to speak who attends to exercise their right to speak and is unable to do so renders only their item incapable of proceeding unless they are happy to submit their comments through a written representation.

The Council will try and achieve the best possible outcome.

Deliberations and Exclusion of the Press and the Public

Under Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005 the licensing authority may exclude the public from all or part of the hearing where it considers that the public interest in doing so outweighs the public interest in the Hearing or part of that Hearing taking place in public. In addition there may be information in the agenda pack pertaining to the hearing be exempt from publication or discussion in public under Schedule 12A of The Local Government Act 1972 as amended. In these circumstances the public will be excluded from part or the whole of the Hearing as appropriate.

At the conclusion of the Hearing, the Sub-Committee together with the Democratic Services Officer and Legal Advisor, will remain in a private virtual meeting in order to deliberate on the decision. Interested parties will then be notified of the outcome of the hearing in writing after the meeting in accordance with required timescales.

Each Member in remote attendance must ensure and verbally declare that there are no other persons present who are not entitled to be (either hearing or seeing) consideration of such items, and/or recording the proceedings.

The Sub-Committee may depart from this procedure (as varied/amended from time to time based on changes to law and practice) if it considers it necessary and/or equitable to do so.

The only forms of identification that will be accepted at the premises are a passport, UK photo-card driving licences, military ID & cards bearing the 'PASS' hologram.

6. Policy Considerations

6.1 Regard must be had to the Council's adopted Licensing Policy published November 2015 when determining this application. Of particular relevance is paragraph 8.7 The Licensing Authority will expect individual applicants to address the licensing objectives in their Operating Schedule having regard to the type of premises, the licensable activities to be provided, the operational procedures, the nature of the location and the needs of the local community.

Regard must also be had to section 4.7, which details the Council's approach to licensing hours. Shops, stores and supermarkets should normally be free to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping unless there are good reasons, based on the licensing objectives, for restricting those hours.

The Council's licensing policy also recognises the importance of respecting residents' right to peace and quiet (paragraph 4.3) and will apply a stricter approach to licensing hours in

areas of higher residential density (paragraph 4.4.). The policy goes on to state, "In the case of individual shops which are known to be a focus of disorder and disturbance then, subject to representations from, for example, the police or other persons, a limitation on licensing hours may be appropriate.

6.2 Regard must also be had to the national Guidance issued by the Home Office under Section 182 of the Licensing Act 2003, as amended. Of particular relevance are section 9 which refers to determining applications and section 10 regarding conditions attached to premises licences and in particular paragraphs 10.13 to 10.15 regarding hours of trading relating to shops.

7. Links to Council Policy Objectives

7.1 Licensing contributes to the Council's aims of planning for a thriving and sustainable Buckinghamshire Council and helping to provide a clean and decent district where there is pride in and ownership of our surroundings and public space. Efficient and effective licensing arrangements link to the Council's main aim to create safer and stronger communities.

8. Resources, Risk and Other Implications

8.1 **Resource:** The only resource implications to date have been officer time however if the applicant or persons making relevant representations appeals against the decision of the Licensing Sub – Committee this would result in legal fees to defend the appeal and further costs. In the event of a successful appeal the Council may also have to pay the applicant/other party's costs.

8.2 **Human Rights:** The Licensing Sub - Committee's decision regarding this application will have Human Rights implications in respect of both the Applicant and the persons making relevant representations which also need to be considered equally and fairly so that the decision is proportionate and the right balance is met. The referral of this matter to the Sub - Committee is laid down in the Licensing Act 2003, as amended and is also in accordance with Article 6 of the Human Rights Act 1998, the right to a fair hearing, which is an absolute right. The Applicant and the persons making relevant representations have been notified of the Hearing and invited to make representations. A statutory right of appeal to the Magistrates Court and the right (if it arises) to challenge the Sub-Committee's decision by way of Judicial Review to the High Court also ensure a fair hearing to both the Applicant and the persons making relevant representations.

8.3 Article 8 and Article 1 of the First Protocol - the right to respect for private/family life and peaceful enjoyment of property/possessions (including Licences) - also need to be considered. The persons making relevant representations have a right to respect for their private and family life and their home. They are entitled not to be disturbed by unreasonable noise and/or nuisance. However, this is a qualified right and has to be balanced against the rights of others including the rights of businesses in the area to operate.

8.4 Article 14 of the Human Rights Act 1998 - the right to freedom from discrimination, which is an absolute right – also needs to be considered. The human rights provided under the Human Rights Act 1998 must not be subject to discrimination under various

headings, including race, national or social origins, association with a national minority group, or other status.

- 8.5 Interference with these rights is acceptable within the terms of the Human Rights Act 1998 if it safeguards the rights of others, is legitimate, proportionate and balanced in that there is a need to find a fair balance between the protection of individual rights and the interests of the community at large – other than rights under Article 6 and 14 which are absolute rights and cannot be interfered with.
- 8.6 Therefore if Members refuse to grant the application for a new Premises Licence in whole or part or grant it subject to Conditions this will be a breach of the rights of the Applicant unless such refusal (in full or part) is and/or the Conditions imposed are appropriate, proportionate and can be justified, on balance, by being outweighed by the rights of the community at large to peaceful enjoyment of their property/possessions. Any restriction placed upon the Premises Licence must not go beyond what is strictly necessary to achieve its legitimate purpose in order to mitigate the interference with the community at large's enjoyment of their property/possessions.
- 8.7 By taking into consideration all the material considerations relating to this application and balancing the interests/rights of all parties involved it is considered that the Licensing Sub-Committee's decision will be both proportionate and justified having had regard to the Human Rights Act 1998.
- 8.8 The Equality Act 2010, including the Council's Public Sector Equality Duty, must be taken into account when making decisions in relation to licensing applications.

9. Determination by the Licensing Sub-Committee

- 9.1 The Sub Committee is obliged to determine applications in the light of the above and any other material considerations with a view to promoting the four licensing objectives. Regard must also be had to the Council's Licensing Policy, Home Office Guidance issued under Section 182 of the Licensing Act 2003, as amended, relevant representations received and the evidence presented at the Hearing.
- 9.2 Each application must be considered on its own merits and any conditions attached to premises licences must be tailored to the individual style and characteristics of the premises and events concerned. This is essential to avoid the imposition of disproportionate and overly burdensome conditions on premises where there is no need for such conditions. Standardised conditions should be avoided and indeed, may be unlawful where they cannot be shown to promote the licensing objectives in any individual case.
- 9.3 The Sub Committee must avoid duplication of other legal requirements and should only impose conditions on a premises licence which are appropriate and proportionate for the promotion of the licensing objectives and where additional and/or supplementary measures are required in order to promote the licensing objectives.
- 9.4 The following options are available to the Licensing Sub Committee:

- 9.4.1 Grant the Premises Licence - subject to any Conditions which are consistent with the Operating Schedule and which are considered appropriate and proportionate for the promotion of the four licensing objectives in response to relevant representations received - and any relevant Mandatory Conditions. (On a “without prejudice” basis, a draft list of suggested Conditions is attached to this Report marked “The Schedule”).
 - 9.4.2 Exclude from the scope of the Premises Licence granted under Para 9.4.1 above any of the licensable activities to which the application relates.
 - 9.4.3 Refuse to specify a person in the Premises Licence granted under Para 9.4.1 as the premises supervisor.
 - 9.4.4 Reject the whole of the Application.
 - 9.4.5 Grant the Premises Licence subject to different conditions for different parts of the premises or the different /reduced licensable activities if this is considered appropriate and proportionate to promote the four licensing objectives and in response to the representations received).
- 9.5 The Sub-Committee is asked to note that it may not reject the whole or part of the application or attach conditions - merely because it considers it desirable to do so. It must actually be **appropriate and proportionate** in order to promote the 4 licensing objectives and be in response to the representations received and full reasons must be given for the Sub-Committees decision.

THE SCHEDULE

The premises subject to this application is currently closed and the applicant intends to re-open it as a convenience store under the brand of One Stop. The applicant has significant experience and has owned stores that sell alcohol for many years.

The premises will be refurbished and significant investment made to modernise and improve the interior. All types of convenience products will be sold including fresh & frozen food, toiletries, household, newspapers etc. Other services will also be offered to customers such as the ability to pay bills & collect/send packages. Alcohol will form approximately 15% of the goods on sale and as it is not the intended focus of the business there is an expectation that alcohol sales will have a limited impact on the area as local people are expected to on the whole purchase alcohol along with other products.

In terms of addressing the licensing objectives, the refurbishment of this premises will involve the installation of high spec equipment such as CCTV, electronic refusals register and till prompts.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

Original Text It is a widely known that the village centre at Fairford Leys has become a notorious hotspot for anti social behaviour and only 10 days ago I had to contact the police regarding such behaviour. It is also a matter of public record that the Co-operative store experiences shoplifting almost on a daily basis, the addition of another shop selling alcohol will only add to the problem, especially as the application is to sell alcohol between the hours of 7am and 11pm which is completely unnecessary, we can only surmise what type of person would purchase alcohol at 7am. Also there is no need for another shop to sell alcohol, the Co-operative Store and Vina Wines are more than adequate for such a small parade of shops in a housing development the size of Fairford Leys. I do not necessarily oppose the opening of a One-Stop but do oppose the selling of cheap alcohol 16 hours a day. However should it be considered that The One-Stop is owned by Tesco who already monopolize the Aylesbury market with two huge superstores and several 'express' stores all within a few minutes drive of Fairford Leys, is another store really required.

Original Text I object to this license application on the grounds of saturation of the number of premises able to sell alcohol in such a small location. I am mindful of the Council's licensing policies with regards to these applications and consider that the granting of the license would not be conducive to the community as a whole. There is already an off-license (next to the applicant site) and a CO-OP store around the corner with an off-sales license. For a community such as Fairford Leys, the additional granting of an off-sales license and ancillary sales offers and marketing of alcohol sales and promotions would be detrimental to the ongoing community well-being. However should the license be granted, I ask that the operating hours be limited to 10 pm on any given day so as not to promote an availability draw from wider than the immediate community.

COMMENT 3 ADDITIONAL
COMMENTS

Hi Kerryann,

after all these years on the licensing team, I tried to fit my concerns into the categories. The main thing being the prevention of public nuisance. Perhaps I don't word it in that way?

My issue is that there will be too many licenced premises for the population area and that if they fo get a license that their hours of sale should be in line with the current providers so that public nuisance of later night purchases don't occur.

The application hours of operation were blank and I have no idea what Tesco's plans are, but if it was 24 hours, that to me would attract criminal activity, given the location of the premises, to two car parks, behind and in front, and added to that if the hours are longer, that the nuisance to the neighbors who live above and opposite becomes much more acute.

To me, that is grounds for concerns.

I am as an aside concerned about the volume of licensed premises in that very small residential area but that is not my main driver of concern.

Kind regards
