**5 Question Time**

**Written Question from Councillor Robin Stuchbury to Councillor Peter Strachan, Cabinet Member for Planning and Regeneration**

“Buckinghamshire Council has set up a Sub-Group which includes Area Planning Committee Chairmen, Cabinet members and senior officers looking at the Local Plan for Buckinghamshire. Other Parish and Town Councils are drafting their own neighbourhood plans such as Chesham and Buckingham and will be going out to consultation on their plans with their constituents in the future. With the uncertainty, which still prevails on development housing numbers within Buckinghamshire and the questions around greenbelt protections, what work is being undertaken to engage and help guide and influence future local neighbourhood development plans for parish and town councils which will be funded through the town or parish precept, as well as guidance on the use and disparity between Section 106 agreements being used in the north of the Council area and Community Infrastructure Levy (CIL) being used in the south of the Council area to help facilitate infrastructure associated with growth?”
