Agenda Item

1 Chairman's Welcome

Chairman Cllr Collins was unable to join due to IT issues. Cllr Newcombe stood in as Chairman.

On Saturday 21 May 2022 the Wendover area Proud of Bucks awards were presented at Lindengate. All winners were congratulated.

2 Apologies / Declarations of Interest

Cllr M Collins, Cllr P Strachen, Buckland Parish Council and Weston Turville Parish Council.

There were no declarations of interest.

3 Minutes of the last meeting

The following update was given regarding Ollie's Scout Hall (agenda item 5). There had been a delay progressing the letter to the Cabinet Member and Service Director while the minutes were clarified. This had now been resolved and the letter could progress.

RESOLVED

The minutes of the meeting held 28 February 2022 were AGREED as an accurate record.

4 **Community Matters**

There were no matters to raise.

5 **Review of 21/22 and projects supported**

Ms Parker, Community Board Manager, gave an overview of the spending for the previous year. A copy of the report would be appended to the minutes.

The following points were discussed:

- Electric Vehicle (EV) on street parking update – this was a complex project with input needed from several Buckinghamshire Council officers. The pilot for the scheme would be taking place in Wendover and work was underway to enable works but it would likely be Autumn 2022 before the pilot could begin. Ms Parker confirmed no monies had been paid to the applicant. This project was currently marked as “in progress” but Ms Parker would review the wording to make it clearer what stage the application was at. **ACTION Ms Parker.**
- Several traffic applications made by Aston Clinton Parish Council (ACPC) had been brought together to be included in a local s106 application. Neither ACPC nor Ms Parker had received further updates on progress. Ms Parker would email the officer in charge of drafting the s106 agreement and would copy in ACPC. **ACTION Ms Parker**
- Cllr Newcombe and Cllr Bowles would be meeting with the Local Area Technician (LAT) on 23 May 2022 and would raise the s106 query. If any feedback was required on other projects or issues from the LAT then Cllr Newcombe and Bowles could also raise this. **ACTION Cllr Newcombe and Cllr Bowles**
- The possibility of accessing funding from the War Memorial Trust for the cleaning of memorials instead of using Board funding was raised.
- Ms Parker confirmed that no application had been received from ACPC for the Queen’s Jubilee. Previous meetings to discuss this had been cancelled, Ms Parker volunteered to meet with ACPC to progress this application.
- Active in the Communities – the application was for £23k with a further £23k requested from Aylesbury Community Board. Members of the Board who had attended the applicant’s presentation reported that the presentation had provided further clarity on the project which had not been covered in the written application. However, there were concerns about the amount of money involved and how deliverables would be monitored. Ms Parker confirmed that Aylesbury Community Board had not yet made their decision regarding funding. Further consideration would take place outside of the meeting.
- Bee Squared wildflower seeds – Several Buckland Parish Councillors and residents had reported not receiving their seeds. Justine Hamer from the project confirmed that seeds had been hand delivered within Buckland, however, she would arrange to drop off seeds to a central location. Seeds were also available to collect from Wendover Library. **ACTION Justine Hamer**

6 **Setting the Scene 22/23**

Ms Parker, Community Board Manager, gave a presentation, a copy of which would be appended to these minutes.

The following points were discussed:

- Ms Parker, the Chairman and Vice Chairman would be meeting to discuss the following **ACTION Ms Parker, the Chairman and vice Chairman**
 - Creating application deadlines throughout the year with spending limits. This would allow for applications to be considered together and prevent spending all funding early in the year.
 - Placing an upper limit on the number of sub £1k applications that could be approved.
- Ms Parker confirmed it was possible to receive both s106 and Community Board funding for the same project.

There was a comprehensive report covering the spending of all 16 Community Boards. Ms Parker would circulate the report. **ACTION Ms Parker**

7 **Priorities for 22/23**

There was an open discussion about priorities for the year ahead.

The previous year's priorities were still felt to be relevant:

Economy and Regeneration.

Environment and Climate Change.

Highways and Transportation.

Health and Wellbeing.

Members of the Board were keen for the environment priority to include support and promotion of green energy and decarbonisation. Residents had been asking where they could access impartial information and recommendations for safe tradesman identifying a need locally. There was a discussion about Buckinghamshire Solar Panel initiative <https://www.buckinghamshire.gov.uk/news/residents-invited-to-register-for-affordable-renewable-energy-offer/>

End of Year Review 21/22
Wendover and Villages Community Board
Thursday 19 May

This paper is the end of year review on funding for 21/22. It provides an overview of the funding that has been awarded in the 21/22 financial year and provides an update on the budget for Wendover and Villages Community Board for 22/23

The Community Board budget for Wendover and Villages Community Board for 21/22 was **£290,466** and all the funding was allocated to projects.

To be noted that the budget was reduced because of other Council budgetary pressures. In addition, projects that the Community Board agreed for funding in 20/21 but that we were not invoiced for were transferred into commitments from 21/22 budget allocation.

Setting the scene for 2022/23

19 May 2022

Community Boards

Aims and Objectives....

.....local choices, local voices, local action

Involving local residents

Collaborating with local organisations

Helping support local community groups

Focussing on local priorities

Identifying local issues

Funding projects that make a real difference to the community

Ways of Working 2022/23

At a glance...

- Smaller budget but a more local approach.
- Action Groups to be scheduled for the entire year but to be focussed on delivery.
- Funding deadlines with decision dates throughout the year.
- Separate funding process for 'small grants'- applications up to £1k
- Community Board Manager more present and active in the local community.
- Action plan will be the basis of all work carried out by the board. This will be updated and shared with board regularly.

Wendover and Villages Community Board Budget 2022/23

- **£148,957**
- There will be no cap or restrictions against a particular priority. This however can be agreed locally for our Community Board
- Maximum project allocation of £15k. Exceptions to this can be agreed but in exceptional circumstances.
- Contributory funding to projects over £1k is now mandatory. However, this does not have to be a 50/50 match.

Funding Process 2022/23

- Applicants to discuss project with Community Board Manager prior to submitting the online form, this is to ensure criteria is met.
[Community Board Application Form - Before you begin - buckinghamshire.gov.uk \(buckscc.gov.uk\)](https://www.buckinghamshire.gov.uk/buckscc.gov.uk)
- Monthly funding meetings to be held with chair and vice-chair to consider applications received.
- If required, funding meetings to be set up with applicants to allow for the Community Board to ask questions.

Small Grants- Up to 1K

- Faster and more streamlined process
- Will be agreed electronically by Buckinghamshire Cllrs
- Will not have to wait for a formal meeting to determine the outcome
- Will not have to provide contributory funding

An update for Community Boards from Buckinghamshire Council Summer (July to September 2022)

Support for Ukrainian guests continues across the county – further help is still needed

Over the last few months there has been an outpouring of support for our Ukrainian guests from our communities, alongside the work that we at the council are doing. We now have over 1,100 Ukrainian guests with more than 600 still expected to arrive.

The community boards have been central to our efforts and have achieved so much across the county. Highlights include:

- More than 60 people gathering at a local pub to welcome and make new friends and share stories.
- Working with the community to put together welcome packs including food parcels, toiletries, vouchers from supermarkets and cafes, free eye test, donated gifts, clothing, toys, tech equipment, and SIM cards.
- Coffee mornings with talks covering a wide range of subjects including trauma, fraud, banking and life in the local area.
- Weekly lunch sessions where professionals help support both the host families and Ukrainian friends with various issues.
- Helping to secure funding for Ukrainian professionals – so far funding has been secured for a doctor and an accountant to take the relevant exams to practise here in Buckinghamshire.
- English classes.
- A social event led by a group of Ukrainian guests to celebrate summer solstice.
- A weekly yoga class led by one of the Ukrainian guests.

There's a dedicated area on our website for anyone who would like to know more about how they can help/get involved – check out [‘Helping Hand for Ukraine’](#)

Support with food, bills and finances – Helping Hand and Holiday Activity Fund

As we approach the summer holidays, this is a timely reminder that we have support available for families and individuals in need, those on low incomes and those who are experiencing a financial emergency or crisis.

Our Helping Hand team can help if you – or someone you know:

- are struggling to afford food

- cannot keep on top of your bills
- are in debt
- are struggling to pay for essential goods in your home.

Find out more about our Helping Hand team and how they can [support with food, bills and finances](#). Our #backontrack scheme offers practical advice and support for people experiencing money difficulties: [Money problems - advice and support if you are struggling to make ends meet | Buckinghamshire Council](#)

Using the Government Household Support Fund, the Helping Hand team will be providing £50 Digital Food Vouchers to eligible children and young people to support families over the summer holidays. These vouchers will be distributed through schools in July.

We also have our Holiday Activities and Food (HAF) programme for children who receive benefits-related free school meals. Further information can be found at [HAF information for families | Family Information Service \(buckinghamshire.gov.uk\)](#)

Community boards will be at the county show on 1 September

The Bucks County Show is happening on Thursday 1 September at Weedon Park on the outskirts of Aylesbury for the first time since 2019, before the lockdown.

This action-packed one-day event includes a whole range of summer activities for all the family, from the traditional livestock competitions, horse of the year show and showjumping, freestyle motorcycle display, to the gentler arts of home and garden skills.

Buckinghamshire Council will be having one big combined stand highlighting that we are one unified organisation supporting residents in so many different aspects of their lives.

Of course the community boards are central to that support. The managers are working together to plan the community board stall that will raise their profile, show some of the many successful projects carried out and encourage people to get involved with their communities through the boards. There will also be fun activities for the younger visitors!

Update on the £150 council tax energy rebate

Over 80% of the £150 council tax rebates to help offset rising fuel costs have been paid to eligible households. There is also an additional discretionary £25 Helping Hand top-up which Buckinghamshire Council is paying to householders who are on specific benefits.

Anyone who pays their council tax by direct debit should have received their rebate automatically. Anyone who pays by another method is required to claim their rebate –

details can be found at <https://www.buckinghamshire.gov.uk/council-tax/150-council-tax-energy-rebate/how-to-claim-the-council-tax-energy-rebate/>

Claimants have until August 2022 to supply their bank details enabling the council to pay directly into their bank account. There is funding available for all eligible properties.

From Monday 1 August householders will not be able to supply their details and all those households that have not claimed will receive a £150 voucher instead, which can be cashed at any post office.

Report to Wendover and Villages Community Board

Date:	14/07/2022
Reference number:	for cabinet member decisions only
Title:	Report in response to ePetition - Buckland Wharf Traffic Calming
Relevant councillor(s):	Bill Chapple OBE / Michael Collins / Julie Ward
Author and/or contact officer:	Neil O’Leary Network Safety Team Leader, TfB
Ward(s) affected:	Aston Clinton and Bierton
Recommendations:	<p>(i) That the Community Board await the outcome of the Statutory Consultation on the S106 funded traffic calming scheme to determine the exact extents of the scheme and the effect it has on traffic volumes and speed on the section of London Road which is subject to this ePetition.</p> <p>(ii) Those traffic calming elements included in the initial S106 proposal, but currently unfunded, are considered for implementation should future funding become available.</p>

1. Executive summary

- 1.1 Buckinghamshire Council have received an ePetition requesting the introduction of “effective” traffic calming measures on London Road through Buckland Wharf signed by 27 people.

2. Content of report

Background

- 2.1 TfB receive many requests to introduce additional traffic calming measures on sections of roads and/or junctions of public concern throughout the county on a

regular basis. Our policy is to direct the available funding for this type of work towards those sites which have a demonstrable personal injury collision record meeting an agreed intervention level. This supports our work to reduce the frequency and severity of injuries across Buckinghamshire. This policy has been adopted so that the casualty data provided by Thames Valley Police (TVP) can be analysed in detail to ensure that schemes are designed to address the particular factors that have been attributed to the recorded collisions at those locations.

- 2.2 At present we work with two intervention levels. For defined sites (e.g. junctions, isolated bends, etc) our intervention level is 5 injury incidents within 50m within a 5 year period. For routes or sections of road we analyse the injury data provided by TVP and produce a ranked table accounting for the number of injury collisions along each route and calculate the number of injuries per kilometre. This ranked table generally identifies in excess of 75 individual sections/routes which warrant further investigation.
- 2.3 The section of London Road subject of this ePetition has recorded 5 injury incidents (resulting in 6 casualties) within 1000m within the 5 year period 01/04/17 – 31/03/22. This section of London Road has not been identified as an area warranting further investigation during the most recent route analysis exercise.
- 2.4 As this section of London Road does not meet the intervention levels stated Buckinghamshire Council would not approve Network Safety capital expenditure to install extensive traffic calming measures.
- 2.5 However, S106 money has been secured to develop outline traffic calming measures along London Road through Buckland Wharf and Aston Clinton. The initial outline design has, in consultation with Aston Clinton Parish Council and local members, been amended to suit the available S106 contribution to facilitate delivery. The amendments to the initial outline design mean that the traffic calming measures which are unlikely to progress, at this time, are generally on the section of London Road which is the subject of this ePetition.
- 2.6 The exact extents of the amended scheme are not yet finalised as the scheme is progressing to Statutory Consultation later this month. Once the Statutory Consultation period is complete the final design can progress which will define the extents of the scheme.
- 2.7 The installation of the proposed traffic calming scheme is likely to affect traffic volume and speeds on the section of London Road subject to this ePetition, the magnitude of which can only be determined once construction is complete and a 3-6 month “bedding in” period has elapsed. This is likely to late Summer 2023.

2.8 The currently unfunded elements of the initial traffic calming proposal could be considered for implementation should funding become available, such as through further relevant S106 agreements.
