

## Winslow & Villages Community Board agenda

Date: Wednesday 2<sup>nd</sup> November 2022

Time: 6:30 pm

Venue: Winslow Bowls Club Elm Fields Gate, Winslow MK18 3JG

### **BC Councillors:**

D Goss (Chairman), J Chilver, P Gomm, J Jordan and B Stanier Bt (Vice-Chairman)

### **Town/Parish Councils:**

Addington, Adstock, Beachampton, Drayton Parslow, Dunton, Granborough, Great Brickhill, Great Horwood, Hoggston, Little Horwood, Mursley, Nash, Newton Longville, North Marston, Oving, Padbury, Pitchcott, Soulbury, Stewkley, Stoke Hammond, Swanbourne, Whaddon, Winslow

If you would like to attend a meeting, but need extra help to do so, for example because of a disability, please contact us as early as possible, so that we can try to put the right support in place.

For further information please contact: Sophia Comer (Community Board Co-ordinator) on 01296 387567 / 01296 585234, email [WinVill@buckinghamshire.gov.uk](mailto:WinVill@buckinghamshire.gov.uk).

## Winslow & Villages Community Board minutes

Minutes of the meeting of the Winslow & Villages Community Board held on Thursday 28 July 2022 in St Laurence Room, Market Square, Winslow, Buckingham, MK18 3AB, commencing at 6:30pm and concluding at 8:15pm.

### **BC Councillors present**

D Goss (Chairman), J Chilver, P Gomm and J Jordan

### **Town/Parish Councils and other organisations present**

J Anderson (St Laurence Food Cupboard), P Burton (Padbury), D Carter (Nash), T Cawte (Winslow), C Champion (Stoke Hammond), J Collinge (Newton Longville), B Dormer (BC Ukraine Project), H Ellerton (Granborough), R Hamley (Winslow), C Hooper (Little Horwood), R Jefcoate (BBOWT), M King (Swanbourne), L Monger (Resident/Winslow Lions Club), J Roffe (North Marston), V Smith (Furzedown School), D Stevens (BC Ukraine Project), R van de Poll (Winslow), S Walker (Adstock), I Whipp (Newton Longville).

### **Agenda Item**

#### **1 Chairman's Welcome**

Members noted the appointment of Councillor David Goss as the Chairman of the Winslow and Villages Community Board. The appointment had been made by the Cabinet Member for Communities in accordance with the Community Board Terms of Reference. The Chairman welcomed everyone to the meeting and gave an overview of the Community Board's aims and objectives for the benefit of newcomers.

Members noted the appointment of Councillor Sir Beville Stanier Bt as Vice-Chairman of the Winslow and Villages Community Board. The Vice-Chairman had been nominated by the Chairman and approved by the Cabinet Member for Communities in accordance with the Community Board Terms of Reference. The Chairman explained that as Councillor Stanier had given his apologies for the meeting, Councillor Gomm had offered to act as Vice-Chairman for the duration of the meeting.

The Chairman thanked Councillor Jilly Jordan as the outgoing chairman for all her work for the Winslow and Villages Community Board.

#### **2 Apologies for Absence**

Apologies were heard from Caroline Cousin (Great Horwood Parish Council), Inspector James Davies (Thames Valley Police), Martin Dickman (Buckinghamshire

Council), John Gilbey (Great Horwood Parish Council), Keith Higgins (Stewkley Parish Council), Suzanne Lindsey (Whaddon Parish Council), Corrinna Martin (Family Support Service), Trish Perkins (Oving Parish Council), and Councillor Sir Beville Stanier.

### **3 Minutes**

It was resolved that the minutes of the meeting held on 24th February 2022 be approved as a correct record, pending two adjustments for clarity.

The fourth bullet point under item eight would be amended to read as follows:

*A public consultation on the proposed sports hub development closed at the end of January 2022. 86% of respondents supported or strongly supported the development of the site. Martin and his team would consider amending the proposals to address the feedback by respondents where possible.*

In addition, the seventh bullet point under item eight would be amended to read as follows:

*Mr Connor felt that the proposed sports hub development was in keeping with the draft Winslow Neighbourhood Plan 2022-2033 which was out for consultation. Meetings with Winslow Town Council had taken place to take feedback on this.*

### **4 Declarations of Interest**

There were none.

### **5 Community Speed Watch**

PC Lee Turnham gave an update to the Winslow and Villages Community Board on the Community Speed Watch project, which empowered local volunteers to monitor the speed of vehicles travelling through their area and deter speeders. The following key points were made in his update:

- A new, exclusively online Speedwatch system would be implemented in the near future following a successful six-month pilot scheme.
- Following a short training course, residents would be able to operate as a local group to monitor traffic speed (Operators would collect the data from the roadside, and Co-Ordinators would upload information to the system).
- TVP would send any necessary warning letters to those flagged as speeding, based on the uploaded data.
- The new system could process the information of up to 100 vehicles per minute and distribute letters.
- Data would be made available online to residents to monitor traffic trends in their areas based on the uploaded data.
- Data would be gathered and assessed over approximately six months to determine hotspot areas where enforcement may be necessary.
- During the pilot scheme, 94.02% of those who received a first warning letter did not receive a second or third warning.

- TVP would loan a kit of necessary Speedwatch equipment to any local group for the lifetime of the group.

Following questions from the Community Board, PC Turnham confirmed the following key points:

- The start-up kit loaned by TVP would contain a Speedwatch sign to be placed ahead of the roadside checkpoint, a handheld speed gun (with instructions) and three reflective jackets.
- TVP would supply one kit per group, but recommended the use of multiple kits per group to facilitate coordination of data collection in a local area. Additional kits would cost between £200-300
- Information and news updates related to Community Speedwatch would be communicated via the Police and Crime Commissioner's website which could be found via the following link: <https://www.thamesvalley-pcc.gov.uk/get-involved/speedwatch/>
- Anyone interested in joining an existing Speedwatch group, or forming a new one was encouraged to do so via the dedicated website at the following link: <https://communityspeedwatch.org/FRONT-v2-Home.php>

Members thanked PC Turnham for his presentation.

## **6 Community Board Event**

Sophia Comer gave a brief summary of the Winslow and Villages Community Board event held on 27<sup>th</sup> July 2022. Sophia thanked everyone who attended and participated for their role in making the event a success. It was hoped that the event had played a part in fostering a closer-knit local community and raised the profile of local organisations and partners for the community board in future projects.

The community board would be present at the Winslow Show on Mon 29<sup>th</sup> August and the Buckinghamshire County Show on Thursday 1<sup>st</sup> September. Attendees were asked to contact Sophia at [winvill@buckinghamshire.gov.uk](mailto:winvill@buckinghamshire.gov.uk) if they knew of any other events that they would like the community board to attend to promote its work.

The Chairman confirmed that the action groups that had formed part of the community board structure over the past year would be reformed moving forward with more information to follow in due course. It was the Chairman's hope to form task and finish groups to tackle problems that arose during action group discussions.

Councillor Chilver stressed his intention to continue the Environment Action Group and welcomed any feedback or input on this in advance of the next meeting.

## **7 Ukraine Update**

Beth Dormer and Deborah Stevens (Sponsor Liaison Area Lead Officers) gave a presentation to the Community Board detailing the work undertaken in response to the Russian invasion of Ukraine, particularly regarding the local support given to the

Ukrainian refugees settling in the community board area. The following key points were made in their presentation:

- The visa scheme for Ukrainian refugees launched in March 2022, with three-year visas being awarded to successful applicants.
- Local authorities were awarded £10,500 per person supported.
- Twenty people were working full-time as part of the project team, with other officers helping in addition to their normal roles.
- There were thirty-three sponsors in the Winslow and Villages Community Board Area, with sixty guests. Up to forty more guests were expected as of the time of the meeting.
- The team was awaiting government guidance on how to support guests who decided not to continue their existing host arrangements beyond the initial six-month period and sought to live on their own.
- Living arrangements with host families could be extended for a period up to one year. Payments of £350 per month to the host family would continue to be made during this time.
- Where existing matches needed to end, the rematching team would step in to contact those who had expressed an interest in acting as a host and find suitable arrangements for both parties.
- Key areas being tackled by the team included rural transportation solutions, finding places at local schools, and providing mental health support.
- The team was supported by two key funding areas. 'Helping Hands' funded essential items, while 'Heart of Bucks' funded non-essential items (e.g. translation services and school trip fees).

Following questions from the community board, the following was clarified:

- Following a jobs fair held at the Gateway Offices in Aylesbury, sixty Ukrainians had found employment. It was hoped that this could be expanded, especially as part of the effort to support those wanting to live independently moving forward.
- An email detailing step-by-step help would be sent to sponsors when government guidance regarding independent living for Ukrainian refugees was received. Ukrainians on the three year visa were entitled to Local Housing Allowance.
- **(ACTION: Beth and Deborah)** The team would look to see how families still sponsoring Ukrainian refugees beyond the specified one-year period could be financially supported, as the £350 per month payments would come to an end beyond this time.

Members thanked Beth and her team for the work they had done to ensure that those displaced by the war had received a warm welcome in the Winslow and Villages Community Board Area.

## 8 Community Matters

Members noted the response to the pre-submitted question received which concerning the flagging of overgrown hedgerows outside 30mph zones.

Sophia Comer also drew attention to the Community Board Summer Updates sheet circulated with the reports pack in advance of the meeting, which detailed information and upcoming events taking place between July and September 2022. This included the following:

- A request for further help to support Ukrainian refugees across the county.
- Raising awareness of the Helping Hand and Holiday Activity Fund to support households with the increased cost of living.
- The Community Boards would be present at the Bucks County Show on 1st September.
- Update on the £150 council tax energy rebate.
- Information regarding the Bucks Online Directory.
- A reminder to visit [yourvoicebucks.citizenspace.com](https://yourvoicebucks.citizenspace.com) to participate in the ongoing Buckinghamshire Council consultations.

Nick Graham confirmed that a consultation from the Local Government Boundary Review regarding warding arrangements in Buckinghamshire would begin on Tuesday 2<sup>nd</sup> August and run until October. The feedback and views of Parishes and community groups as part of that process would be valued and could be submitted at the following website: <https://consultation.lgbce.org.uk/node/29857>

Sophia Comer also provided a funding update. The following key points were raised:

- The budget for the Winslow and Villages Community Board was £108,452 for the ensuing year.
- Applications could be made for sums up to £15,000 for projects. Contributory funding would be mandatory as part of all project applications.
- A small grants fund would be established providing up to £1,000 to support grassroots activities.
- An emergency fund could provide up to £1,000 where money was needed (e.g. in the event of flooding).
- All applications for community board funding were to be discussed with Sophia prior to an official funding application.

Sophia gave an overview of the applications that had been awarded community board funding. This included the following applications:

- Winslow Lions North Bucks Bike ride - £1,250
- UK Astronomy Project (multi-board project) - £1,300
- Stewkley Players - £745.00 with a £200 contribution
- Great Horwood Cricket Club - £1,000 with a £7,000 contribution
- North Bucks Breathe Easy - £960.80

It was clarified that whilst applications that were made to multiple community boards would no longer be permitted moving forward, two or more boards could choose to work together on a project if it was to the benefit of both areas. The community board was also working with Community Impact Bucks on possible avenues for contributory funding where applicants were unable to provide this themselves.

Thanks were received on behalf of Winslow Lions Club for the funding given for their charity bike ride. Over £8,000 was raised for charity, half of which had been given to Bucks Mind. Furze Down School received £1,300 with smaller contributions being donated to other partners. Feedback was taken on the length of time it had taken to process the initial application for this funding, and the revised funding process would be communicated publicly to minimise the chances of similar delays happening in future **(ACTION: Amy Jenner)**.

Winslow Town Council gave feedback that communication from the community board relating to meeting arrangements and funding applications could be improved moving forward. It was felt that little time was given to respond where necessary to community board correspondence and that changes to funding streams and meeting arrangements were made without appropriate consultation. Sophia clarified that correspondence had been sent to Parish/Town Councils in advance and would check to ensure that all relevant parties were included on the distribution list for that correspondence **(ACTION: Sophia)**. The community board funding criteria could also be found online at the following link: <https://www.buckinghamshire.gov.uk/community-and-safety/improving-your-local-community/apply-community-board-funding/>

## 9 Topics for future consideration

It was suggested that an update from East-West Rail could be considered for inclusion at a future community board meeting.

It was suggested that a 'hot topics' item could be considered for inclusion as a standing item at the start of future agendas to cover pressing local matters in the community board area.

**(ACTION: Sophia to explore the possibility of the above items.)**

Thanks were received on behalf of Newton Longville Parish Council for the local road resurfacing works that had been undertaken. It was explained that the village crossroads remained shut, but that inadequate signage was causing confusion for

motorists regarding diversions. Councillor Gomm commented that he and others had begun working with those implementing diversionary routes to address issues of clarity when they arose and thanked the representative of Newton Longville PC for raising it. It was hoped that this would prevent similar issues happening again.

- 10 Date of Next Meeting**  
Wednesday 2nd November 2022.

## **An update for Community Boards from Buckinghamshire Council Late Summer (September 2022)**

**Buckinghamshire Council Update  
September 2022**

### **Help in these difficult times**

As we move into autumn there's one issue above all others that stands out and that, of course, is the current cost of living pressures, especially where energy and food bills are concerned.

This is impacting everyone; businesses, residents and particularly those who are already struggling. For some households the prospect of what winter will bring is extremely worrying. Many people are in need now and want to know what extra support is coming in the winter months.

The council is taking a range of actions to help residents with the cost of living and it's a package of support that will continue to develop over the coming months.

The community boards have a critical role to play in this, both in helping to identify areas of need and supporting the provision of help. Work is already underhand looking at how best boards where it is appropriate can help with this work.

### **Support available to those who need it:**

#### **Helping Hand**

The council's Helping Hand team offers advice, help and information to people who need it, including financial help to cover the food and energy costs to households in crisis, as well as helping with paying for other essentials like sanitary items and nappies. The team is available to help individuals or families in need, those on low incomes and those who are experiencing a financial emergency or crisis.

Our Helping Hand programme provides support to local individuals and families who are experiencing financial hardship. They can call the team on 01296 531 151 or use the [online contact form](#). You can read more about the help available on the [dedicated section of our website](#).

The Helping Hand team is issuing Post Office vouchers to some 8,000 pensioners in Buckinghamshire who are in receipt of Council Tax reduction or who have previously been supported by Helping Hand; this will ensure there is support available to those who need it most.

### **‘Welcoming Spaces’**

We will be joining forces with other organisations across Buckinghamshire to create a network of welcoming spaces this winter, to assist when the weather turns colder.

Starting with council libraries, these locations will provide a warm, welcoming and supportive space for anyone who needs it. Anyone who comes in from the cold will be welcomed and will be guaranteed respect, dignity and warmth; the aim is to offer a friendly ear and, overall, to create places that help people save on their heating bills and that also offer advice and support. This is an example of an area where community boards can play a key role in working within their communities to identify potential welcoming spaces and help set them up.

### **Information and advice**

Our fantastic network of volunteer groups and charity organisations plays a vital role in providing community support and specialist advice and information. We have created a [‘Cost of Living’ section on our website](#) to make it easier to find advice and information. You can also search our [Family Information Service website](#) for more information on the wider support and advice available to any households that need it.

There are a number of great community projects that offer help in different ways. For example, take a look at the [‘Grow It, Cook It, Eat It’ project](#) that the council supports and we have already seen being developed through community boards. This includes a range of initiatives that help with the cost of food, ensure food isn’t wasted and has a number of health and environmental benefits. Local initiatives like this play a vital part in the overall general support available to residents who need a helping hand.

There is also the support on offer from central government this winter. This is the current package:

- Eligible residents in receipt of disability benefits will receive a £150 cost of living payment from 20 September.
- All households in Great Britain will receive a £400 discount on their electricity bills this winter, applied in six monthly instalments, automatically coming off bills, starting in October.
- In addition to this, households on means tested benefits including Universal Credit, Pension Credit and Tax Credits will receive a Cost of Living payment of £650 this year.

You can find out more about these payments on the government’s website [here](#) and access wider information about the overall support available to households via [their website](#) – this contains information on transport and childcare costs too.

In addition, the websites of the main energy providers contain valuable tips about how to save energy in the home.

## **Highways – a new contract and what it means for community boards**

Maintaining and improving the roads in the county is one of the issues that matter most to residents and is a top priority for Buckinghamshire Council.

As you will be aware, Buckinghamshire Council will be starting new highways contracts in April next year and this will have an impact on community board projects currently in the pipeline. It is also an opportunity to build in a delivery model with community boards in mind.

### **The current situation**

Across all the community boards there are currently about 58 projects which have been agreed and funding committed but are yet to be completed by the outgoing contractor (Transport for Bucks, TfB). The status of these approved projects is as follows:

- 22 projects are rated Green and are scheduled to be completed by the end of March next year
- 10 projects have been rated as Amber and delivered to a gateway stage ready for the new contractor to take forward eg. design, feasibility
- 26 projects are rated as Red and are under review but may not be started at all because of their complexity or the time to implement overlaps with the change in Highway's service provider.

All Amber and Red projects continue to be reviewed with TFB to determine if any can be delivered under the current contract by March 2023. Updates will be provided if the situation changes. Furthermore, the Highways service will work closely with our new service provider to determine if they are able to deliver any amber and red projects prior to the contract start date in April 2023.

There are also about 55 projects that have been proposed with PIDs drafted for which no decision to proceed has yet been taken. These projects will not be taken forward until the new contract has started to ensure that they are priced correctly by the new service provider and firm timescales can be agreed for implementation.

Boards can still reserve funding for these schemes from the current 2022/23 budget, but the final prices will need to be confirmed with our new service provider. You can also continue to discuss highways priorities and solutions.

Balfour Beatty Living Places has already been awarded the new highways maintenance contract and the new consultancy contractor will be announced in late September. The council will be working with the new contractors and outgoing contractors Ringway Jacobs

to ensure a smooth transition to the new arrangements under the name Buckinghamshire Highways.

Community Board Chairmen have been invited to a Highways Stakeholder Conference on 13th October.

### **Looking Forward**

As advised already, given the changes to the highway service, Boards should not accept any additional applications highway schemes in 2022/23 and no further projects should be submitted for consideration for 2023/24. Community Boards will be consulted on the development of a new protocol and process for Highway schemes during the transition to the new contract ready for April 23, please therefore keep any new schemes on hold pending the new process for taking these forward.

The new highways working arrangement will include a community-based design delivery model for small schemes specifically for Community Boards to develop their local highway schemes. We will also provide greater clarification on which highway schemes are appropriate for Community Board to bring forward.

Additionally, and to further help support Community Boards, a 'menu of options' will be developed for small highways schemes that show the indicative prices and implementation timescales for a range of suitable small local highways schemes to better inform the Boards in decision making.

Any partners currently with a live scheme on the RAG list will continue to receive communication from the TfB/project technician and their Community Board Manager, and community boards, Highways and TfB will continue to work closely during the transition.

While we appreciate the delay to delivering schemes will be disappointing, the new approach being adopted does highlight the commitment to the work of the Boards in delivering local highway improvements in the new contract.

## **Support for Ukrainian guests continues across the county – further help is still needed**

Arrivals from Ukraine are still coming into our county with 700 hosts now offering accommodation to over 1,200 Ukrainian guests.

We continue to work hard to make sure the families can access schooling, work, finance, practical items, English language lessons and emotional support through our Helping Hand for Ukraine scheme – further details at [A Helping Hand for Ukraine | Buckinghamshire Council](#).

We recognised the significance of Ukraine Independence Day (24 August) as everyone reflected on their personal journey and loss. The summer break also brought the challenge of keeping our younger guests occupied and this year we offered free holiday activities and food on the HAF scheme and Boredom buster bags from our partners LEAP.

We also continue to work with our voluntary sector colleagues and local community groups, now with an eye on the new challenges coming up. We also have over 150 staff in sponsor liaison roles, in addition to their day jobs, who keep regular one-to-one contact with sponsor households.

We recognise that Ukraine families living in Buckinghamshire will be concerned about what happens when their current sponsorship arrangements come to an end. This is especially a concern for those families that have settled into communities and schools. In some locations, it will be challenging to find alternative accommodation locally due to a lack of availability and high housing costs. We want to help our guests from the Ukraine as much as we can and are looking at solutions which will require all tiers of government, the private and voluntary sector to work together. Options being considered include:

1. Extend with sponsor – If both parties are happy to stay together then once agreed the guests can continue living in the same area and keep their local support network.
2. Rematch with a new sponsor – The Council will help the guests rematch with a new sponsor home or the guests can find their own rematch, although this could mean they would need to move to a different area which would impact on their support networks including schools/employment.
3. Private rental – Guests can look at renting privately if they can afford this. High rents across the south east make finding affordable housing difficult for many. Some guests may be eligible for a Local Housing Allowance to help meet rental costs and we will help them find out if this support is available to them. The Council may also be able to help with a deposit guarantee and one month's rent upfront. Again this could mean guests having to move to a different area if there is no affordable private rental accommodation locally.
4. Social housing – All guests are eligible to apply to join the Council's housing register. However, there is a very high demand for social housing in Buckinghamshire, so depending on the type and size of property they are looking for, there is likely to be a long wait for a property.

On top of the housing issue, there is the cost of living crisis hitting us all – the impact on both hosts and guests is already evident so we are working with central Government to make sure Bucks' residents' voices are heard; tangible, long-term solutions are found; and we can continue to support both our residents and our guests.

## **Waste and recycling missed bins and garden waste charges**

### **Missed bins**

Unfortunately, in some pockets of the former Chiltern, South Bucks and Wycombe district areas of Buckinghamshire, disruption as a result of re-organising waste rounds continues. Although on average 99.6% of bins are being collected successfully every day since the start of the reorganisation, there are still a significant number of bin collections being missed every week.

Our contractor Veolia continues to work at bringing service levels up to the standard that we expect. The council is continuing to hold Veolia to account for delivering greater progress and meeting the required standard and is closely monitoring the service.

We continue to ask any residents experiencing pockets of poor service to report missed bins on the council website ([www.buckinghamshire.gov.uk/missed-bin](http://www.buckinghamshire.gov.uk/missed-bin)) as soon as they can.

### **Garden waste charges**

New garden waste subscription arrangements began on Monday 26 September. A campaign has been running to raise awareness of the change and the need to subscribe to the service to have garden waste collected from this date. The service is now a single chargeable 'opt-in' garden waste collection service, at a cost of £50 per bin per year (or reusable bags for properties not suitable for wheeled bins).

This means anyone who has previously received free collections of garden waste will now have to subscribe, paying an annual fee to continue receiving fortnightly kerbside garden waste collections from the council. Our household recycling sites continue to provide free disposal of garden waste for anyone not wanting to pay for the subscription service.

More information on how the service works can be found at [Buckinghamshire Council's Arrange a garden waste collection web pages](#).

### **New on-demand PickMeUp service for Wycombe**

Described as a cross between a bus and taxi service, a new 'demand responsive' service was launched by the council and Carousel on 27 September in the High Wycombe area as part of a pilot scheme funded by the Government's Rural Mobility Fund. The trial service will run for three years, with scope to run for longer if successful, and an Aylesbury pilot is due to launch later in the autumn.

Sitting under Carousel's 'PickMeUp' brand, the Wycombe pilot will serve several communities, including Booker, Daws Hill, Wooburn Green, Wycombe Marsh, Loudwater and Downley. These either have a limited bus service or a route which only serves part of the community. The PickMeUp service will also improve access to areas with steeper gradients.

Users will be able to book one of five fully accessible minibuses to collect them either directly from their home, or from one of the 500+ pickup points in the local area. Ideal for those who may not have access to a bus stop either by their home, or a service that operates direct to their desired destination, the DRT service is quick and easy to use for commuters, students, and people with accessibility issues.

Buses can be booked in advance of a trip via an app (through which passengers can also pay for tickets and track buses in real time) or by calling 01494 296021. Buses can be booked in advance, or on the day of travel, and will run from Monday to Friday, 6am-7pm. Journeys will only cost a little more than a local bus service – between £2 and £3.50 per trip depending on distance travelled, and concessionary bus passes will be accepted for free travel.

### **Community boards success at county show**

The county show was a fantastic success for the community boards, it was a great opportunity to reach a huge number of residents and also other organisations that we could network with in the future.

The main themes coming through were lack of activities for young people, better bus services including community buses, speeding and litter issues. In addition, we managed to sign up more residents to receive our newsletters.

In summary, it was a great event for us to attend.

## **Town and Parish Charter**

Buckinghamshire Council's Town & Parish Charter was agreed and published on our website in July. This charter is founded on our respect for all councils in Buckinghamshire as independent, democratically accountable bodies and has one simple aim – to articulate and demonstrate our commitment to working together to serve the people of Buckinghamshire.

Community boards have a great record of working with our local councils and this charter is essential reading – you can view it at [Town and Parish Charter | Buckinghamshire Council](#)

## **Better enforcement for moving traffic offences**

Buckinghamshire Council is one of a handful of local authorities in England outside of London to have successfully applied for powers to enforce moving traffic offences (MTOs) that were previously only enforceable by the police. These offences are where drivers ignore restrictions in place at a location – for example driving through a no entry sign, making banned turns, entering a yellow box junction without a clear exit or driving on bus or taxi routes.

The new enforcement powers will make use of automatic number plate recognition (ANPR) technology at 14 locations across Bucks. The locations were listed as part of a consultation about support for the council's plan to apply for the powers from February to April 2022; they are places where restrictions have been in place already for some time for road safety reasons or to prevent traffic congestion.

The locations where cameras will start to be installed from December will be highlighted through council communications. Signage will be erected well in advance at the camera locations to give drivers plenty of notice of the enforcement powers.

The cabinet decision can be seen at

<https://buckinghamshire.moderngov.co.uk/ieListDocuments.aspx?MId=17388&x=1>

## **Local Heritage Listings**

Buckinghamshire Council is one of 22 local authorities to receive funding to develop a Local Heritage List as part of a national initiative to improve the provision and standard of locally held Lists of Non-Designated Heritage Assets (NDHA). The list seeks to identify locally significant assets and celebrate their contribution to local identity and character.

Developing this list provides a rare opportunity for Buckinghamshire residents to nominate important assets around the county that are not currently listed but that have significant

heritage interest. By adding these heritage assets to a Local Heritage List we can ensure their local importance is recognised and taken into account in the planning process.

Once on the list, these assets become known as Non-Designated Heritage Assets (NDHAs). They differ from those sites that have statutory protection and national designations, such as Listed Buildings, Scheduled Monuments and Registered Parks and Gardens.

Working with a team of volunteers, we are currently assessing over 2,000 nominations ranging from mileposts, street art and open spaces to historic buildings, water mills and chapels. We intend to adopt a phase one local list this winter, with a phase two in 2023. For more information visit [Home - Buckinghamshire's Local Heritage List \(local-heritage-list.org.uk\)](http://Home-Buckinghamshire's-Local-Heritage-List-local-heritage-list.org.uk) or email [localheritagelist@buckinghamshire.gov.uk](mailto:localheritagelist@buckinghamshire.gov.uk)

## Current and upcoming consultations

### ***Share your community safety concerns to help us keep Buckinghamshire safe***

The [Safer Buckinghamshire Board](#) is a local Community Safety Partnership that brings together experts from the police, fire service, probation, health and social care services. The board develops an annual action plan to reduce crime in Buckinghamshire and help keep it a safe place to live and work.

To develop this plan, the Safer Buckinghamshire Board is conducting an annual Community Safety survey to hear resident views on:

- The impact of crime, anti-social behaviour, drug and alcohol issues where you live or work
- Your experience of reporting crimes
- How safe or unsafe you feel in Buckinghamshire

The survey is open to anyone living or working in Buckinghamshire and is **running until Sunday 16 October**. Have your say and complete the survey below for a chance to win a £100 supermarket voucher\*: <https://yourvoicebucks.citizenspace.com/communities/safety-2022>. The results of the survey will be combined with an analysis of all crimes that happen in the county to help Safer Bucks set priorities for the year. \*Terms and Conditions apply

### **Buckinghamshire Council consultations**

Current consultations and surveys from Buckinghamshire Council are available to view on our website <https://yourvoicebucks.citizenspace.com/>

Where appropriate, we also list NHS consultations and surveys as well.

## **Hazlemere Neighbourhood Plan – Publication of plan proposal – Regulation 16 of The Neighbourhood Planning (General) Regulations 2012**

Hazlemere Parish Council has produced a Draft Neighbourhood Plan covering the entire parish area. The reason we are writing to you is because you have previously commented on the neighbourhood plan, or are a statutory body we need to inform.

The Neighbourhood Plan is being publicised in advance of an examination. The consultation period runs until midnight on the 10th November 2022.

The neighbourhood plan documents, comment form and further information can be found on the Your Voice Bucks website:

<https://yourvoicebucks.citizenspace.com/planning/hazlemere-neighbourhood-plan/>

Please note all comments must be received before midnight on 10th November 2022. Any comments received after this time will not be accepted or taken into account.
