5	Question Time Question from Councillor Robin Stuchbury to Councillor Anita Cranmer, Cabinet Member for Children’s Services and Education As part of a discussion at the Children’s and Education Select Committee on 7 March 2024 on school attendance, Members heard about the increased emphasis on school attendance within inspections of local authorities’ children’s services and the importance of good attendance for our pupils with special educational needs and disabilities in particular. We were told that high levels of support can be provided for pupils with SEND whether or not they have an EHC plan through advice, specialist teacher involvement and where appropriate high needs funding to the school to support specific work. Can the Cabinet Member comment on whether this support is sufficient to mitigate not having an EHCP and also whether it adequately addresses the issues set out in the OFSTED report on the Joint Area SEND Inspection in Buckinghamshire in 2022? https://files.ofsted.gov.uk/v1/file/50182612
