Councillor Robin Stuchbury

The government's recent announcement about changes to the planning system suggests giving huge amounts of power back to government

which was once held by the planning authority. Having been a strong campaigner against the negatives of HS2 which was effectively imposed on Buckinghamshire, and with the known challenges posed by the Oxford to Cambridge Expressway (noting government had previously announced its intention to build one million houses between Oxford and Cambridge in advance of their most recent announcement about planning changes) will the council be challenging the government proposals and constituents' rights to express a view on future large developments through the Planning Department of Buckinghamshire Council? Also, was there any prior/advance information available of the government's decision before their announcement removing planning powers from Buckinghamshire Council and our local Parish Councils?

Councillor Alan Bacon

From 24 August, councils' role in Coronavirus tracking and tracing is enhanced. Will the portfolio holder please report on the effectiveness of the new track and trace regime in Bucks.

Councillor Peter Jones

Cabinet of 28 July received a report on the preparation of the Buckinghamshire Local Plan for adoption in 2024, and Council has also agreed approval of the Masterplan and 2050 Vision for Aylesbury Garden Town. A Wycombe Regeneration Strategy has also been approved. A Masterplan has been prepared for Chesham, the third largest town in Buckinghamshire, by the Chesham Renaissance Community Interest Company. This Masterplan is detailed and has been the subject of a Public Consultation and received a positive response from over 70% of participants. May Officers be requested to bring forward a policy for the urgent regeneration of Chesham, based on the community prepared Masterplan? This work could start immediately.

Cllr Robin Stuchbury

Beaconsfield relief road – why has it not been completed?

I am concerned that the S278 Highways Agreement, in particular clause 2(3)b dated 5th July 2016, not being enforced in order to get the Beaconsfield relief road completed?

I am also concerned that the Planning Authority did not list the 2016 S278 Highways Agreement within the report to South Bucks District planning committee re planning application 17/01763/OUT (Inland Homes' Wilton Park planning application).

What action will Buckinghamshire Council take to get the relief road completed as a result of the SBDC action? It could be suggested, Buckinghamshire has effectively handed over control of the timing and completion of the relief road to Inland Homes resulting in hundreds of HS2 construction HGVs to be soon using the Beaconsfield Old Town Conservation area.
