Cllr Robin Stuchbury

I'm seeking reassurance from the Cabinet member in regards to processing planning applications particularly within the Buckingham/rural area. A few of the North Bucks area planning committee meetings have been cancelled with the suggestion that there is no business which needs processing. However, there are a number of applications, some dating back to 2018, and many of them are for major developments within a community with an agreed neighbourhood development plan which was agreed by the latter-day planning authority through public referendum within Buckingham. I, therefore, seek a better understanding of why the committee has only met once this year. Is there some issue which we are not privy to regarding staffing or the ability to process applications or is there a procedural operational change in determining applications which could explain why there are not sufficient planning applications to be determined? I've been thinking of asking the question for some time, but the latest cancellation of the meeting of 30th September this was the catalyst necessitating presenting this question to seek clarity of the above concern.

Cllr Robin Stuchbury

In light of the written response and verbal response at the Cabinet meeting on 8 September 2020, has the Cabinet now come to the conclusion of their view on the proposals in the Planning White Paper and the environmental and economic impact this could have for Buckinghamshire, as well as the implications for local democratic accountability in the planning process?

Cllr Alan Bacon

The Long Shadow of Deprivation is a very recent report from a government agency, the Social Mobility Commission. This report identifies social mobility in Chiltern as amongst the very worst in the country. Will the portfolio holder please report on how the council will seek to address this situation?

Cllr Lesley Clarke

Why has the Cabinet Member not incorporated any of the suggestions from local Members, the Chairman and Members of High Wycombe Town Committee and the Chairman of the High Wycombe Community Board Infrastructure Sub Group in putting together the recommendations as those submitted to Cabinet on Handy Cross Park and Ride Car Park?
