<b>2 Minutes</b> To approve as a correct record the Minutes of the meeting held on 10 November 2020.	<b>5 - 12</b>
<b>3 Declarations of interest</b>	
<b>4 Hot Topics</b>	
<b>5 Question Time</b> The following questions have been received and will either be responded to during the meeting or a written response will be included in the minutes:	
<b>1. Question from Councillor Robin Stuchbury to Councillor Warren Whyte</b>	

Following the decision taken at the Full Council meeting on the 21<sup>st</sup> October on the Planning and Parish Councils Motion, what timeframe will the Council be working towards when consulting with the various town and parishes that represent Buckinghamshire? Also, will drafting neighbourhood plans, amending local plans, and determining applications be included within the consultations?

**2. Question from Councillor Robin Stuchbury to Councillor Warren Whyte**

Milton Keynes Council has published the process by which they will be seeking to engage fully with Parish and Town Councillors to gain their insights, local knowledge and wisdom when forming and establishing S106 Agreements with developers. The information is included within the Milton Keynes Council draft Supplementary Planning Document August 2020.

Therefore, I would like to ask if Buckinghamshire Council that was forged with local councils throughout the county and with a significant importance on future partnership with the Parish and Town Councils within Buckinghamshire will be adopting something similar in the future as a consequence? Which could aid better partnership working with good working practices and the ability to deliver developments in close proximity to the responsibilities within the areas of Town and Parish Councils, especially those which have forged and adopted local neighbourhood plans.
