Individual cabinet member decisions are not discussed at meetings – a report is presented to the cabinet member and they will decide whether to sign the decision. Cabinet members can take key decisions that only affect their portfolio area and can also take joint cabinet member decisions. However, if a decision crosses portfolios, this generally should be agreed by cabinet.

If you have any questions about the matters contained in this forward plan, please get in touch with the contact officer. If you have any views that you would like the cabinet member to consider please inform the democratic services team in good time ahead of the decision deadline date. This can be done by telephone 01296 382343 or email [democracy@buckinghamshire.gov.uk](mailto:democracy@buckinghamshire.gov.uk). You can view decisions to be made and decisions taken on the council's website.

The council's definition of a 'key decision' can be seen in part 1 of the council's [constitution](#).

Each item considered will have a report; appendices will be included (as appropriate). Regulation 9(1g) allows that other documents relevant to the item may be submitted to the decision maker. Subject to prohibition or restriction on their disclosure, this information will be published on the website usually five working days before the date of the meeting. Paper copies may be requested using the contact details below.
