**Subject:** Malthouse Way / Barley Way - Consultation outcome on proposed parking restrictions

Dear Cllr Collingwood and Marlow Parish Council

The consultation for the proposed amendments to parking restrictions in Malthouse Way and Barley Way has come to an end.

We have received some correspondence following consultation, which I attach for your reference.

In summary, I do not consider there to be any objection to the scheme. We have however received requests to consider additional measures. Should you agree to any of the additional measures being considered, a new consultation will be necessary and may require additional funding to enable this.

## **APPENDIX 3**

It is our recommendation to proceed with the scheme as was advertised and that we monitor the effects of the restriction following post completion.

Please may I have your views on how you wish to proceed with the proposals. Should you agree with the recommendation, we shall submit a report to the Director of Highways recommending we proceed with the scheme as advertised and would like to include your comments within the report.

Kind regards
