# Speeding

Speedwatch is currently on hold due to COVID19. Roads Policing Acting Chief Insp Scott Long is in communication with Op Renew regarding when and how it can safely resume, but unfortunately there is no date decided as yet.

One of the main considerations is the safe reintroduction of the vetted volunteers that do the back office admin work. There has also had to be a review of the Speedwatch roadside activity risk assessment to ensure the safety of our Community Speedwatch volunteers in light of COVID19.

## Speed Survey

It is important to establish exactly what the problem is, as very often concerns are based on perception rather than fact. Local councils and Community Groups can request a speed survey from the Traffic Information Data Team at Transport for Buckinghamshire. The cost is £494.40 for a 7 day survey. Requests can be made by emailing [fbtrafficinfo@buckscc.gov.uk](mailto:fbtrafficinfo@buckscc.gov.uk) or by calling [01296 382 416](tel:01296382416).

If there is evidence of speeding or speed related collisions Parishes may [apply for a permanent or moveable vehicle activated speed camera \(VAS\)](#).
