### **Bucks Food Revolution: Online festival: 21<sup>st</sup> and 22<sup>nd</sup> November**

<https://feedbackglobal.org/the-bucks-food-revolution-is-here/>

From Feedback's **Food Citizens** in Buckinghamshire project, we bring you a programme of exciting and unusual events exploring our relationship with food, from foraging berries in the outdoors, to waste-saving tips and recipes, to a deep dive into how we can work together to protect nature and our planet. We will be hearing from local experts and enthusiasts on growing food, understanding how what you eat affects your health and well-being; as well as discussing the pitfalls of food waste and how to avoid them at home – there is even a food themed story-time session for kids! Our highlight is an online screening of David Attenborough's new documentary 'A Life on Our Planet.'

### **Christmas Present Appeal** <https://www.buckinghamshire.gov.uk/news/2020-christmas-present-appeal-vulnerable-children-more-important-ever/>

The annual Buckinghamshire Christmas present appeal is being run this year for the first time by the new Buckinghamshire Council as part of its 'Helping Hand' community support initiative. And with the difficulties and disruption caused by coronavirus, the need for this popular seasonal campaign is greater than ever. Now in its sixth year, the annual present appeal brings together council employees, councillors, and local communities in a massive drive to get presents to children and young people who otherwise might not receive that much at Christmas.

Because of the national coronavirus restrictions that are in place during November, this year Buckinghamshire Council are not asking people to bring gifts to our council offices. Instead, there's a new Just Giving web page through which supporters can donate to a [Just Giving fund](#) which will then be used to purchase gifts.

### **Christmas Hamper Appeal**

This year, the annual Christmas meal, hosted by St Marys Church is unable to go ahead due to Covid-19 restrictions. Alternative plans include putting together festive hampers for those in need, which includes working with local partners including Aylesbury Foodbank, Aylesbury Homeless Action Group, and Aylesbury College. To support this project, a crowdfunding page has been set up to help raise funds

### Emergency Active Travel Schemes

The Southcourt [Emergency Active Travel Scheme](#) is currently being implemented and should be completed by mid-November. The scheme provides a cycle link from Southcourt to Aylesbury Town Centre and Stoke Mandeville Hospital through the provision of quiet routes (through the introduction of road point closures by utilising planters) and a new section of on road cycleway.

It is part of a £514,000 'pop-up' and temporary emergency active travel programme that we are currently implementing across the council area. The schemes aim to encourage residents to undertake more local journeys by foot and by bike and provide greater alternatives to how we travel through the Covid-19 Pandemic.

### **Home to School Transport Policy and Post-16 Transport Statement 2021/22 Consultation**

We are also asking people to respond on proposed options for how transport for eligible post-16 students with special educational needs and disabilities (SEND) is arranged and paid for from September 2021. The consultation provides an overview summary, an Easy Read summary, associated documents, an online survey and a printed version of the survey. Everything is available on the consultation webpage and print versions are also available on request.
