

**Community Board – North West Chilterns**  
**Crime and Antisocial Behaviour**  
**Briefing Report**

**Purpose of the report:**

This report provides a brief update on the scope and content of the work undertaken by the Crime and Antisocial Behaviour subgroup since the last Community Board meeting held on 30<sup>th</sup> September 2020.

**Progress to date:**

The subgroup has met once since the last Community Board meeting. Local residents participated in the meeting, as well as Transitions UK, 7Roadlight and Thames Valley Police. The following is a summary of the key matters arising:

- Transitions UK and 7Roadlight attended to discuss the subgroups objectives around drugs on County lines and exploitation/grooming of young people. Both organisations are able to offer solutions which can help young people who are at risk of offending and/or criminal activities.

During our meeting it was agreed that the services both offered should be combined. A scoping meeting was therefore held on 2<sup>nd</sup> November 2020 to review this. A proposal will be presented at the next subgroup meeting on 25<sup>th</sup> November 2020.

- Community Cop Cards: The Neighbourhood Officer from Thames Valley Police is interested in working with the Community Board on delivering these cards to year 6 children.

Community Cop Cards is a sticker collecting scheme. There are 24 stickers to collect by completing a different task or challenge, or by attending an event (when able to due to Covid restrictions). The stickers are designed to encourage young people to try out new activities and learn about their community. The scheme is centred upon getting the best out of young people and encouraging them to be aware of their responsibilities in the local community.

**Actions going forward:**

1. Transitions UK and 7Roadlight's proposal - discuss and agree next steps at the next subgroup meeting on 25<sup>th</sup> November 2020.
2. Community Cop Cards – continue to work with the Police on how to move this project forward.
3. Consider other partners/stakeholders to potentially join the subgroup.
