# COMMUNITY BOARDS IN ACTION

## LOCAL SUPPORT FOR PARENTS OF YOUNG CHILDREN

Two neighbouring community boards work together to fund a local charity to provide parent & toddler stay & play sessions in a number of villages.

## IMPROVING COMMUNITY FACILITIES

The local community board worked with the town council to run a community centre. A new kitchen was installed and the centre was developed for use by a wide range of community groups.

## IDENTIFYING LOCAL ISSUES FOR YOUNG PEOPLE

Working with schools and local youth groups, the Community Board invited young people to vote on which local projects should be funded, and then got them involved in co-designing a new park.
