The school is therefore consulting its parents, staff, nearby schools, child minders and the local community on the proposed change. The governing board will review the outcome of the consultation and if there is support for the proposal they will then publish a statutory notice. This will enable people to comment on, support or object to the proposal. The notice period runs for 4 weeks and after the period expires the LA has 8 weeks to decide on whether to agree to the proposal.</p>	Wing	Councillor Anita Cranmer Andrew Tusting		16/11/20

Individual cabinet member decisions are not discussed at meetings – a report is presented to the cabinet member and they will decide whether to sign the decision. Cabinet members can take key decisions that only affect their portfolio area and can also take joint cabinet member decisions. However, if a decision crosses portfolios, this generally should be agreed by cabinet.

If you have any questions about the matters contained in this forward plan, please get in touch with the contact officer. If you have any views that you would like the cabinet member to consider please inform the democratic services team in good time ahead of the decision deadline date. This can be done by telephone 01296 382343 or email democracy@buckinghamshire.gov.uk. You can view decisions to be made and decisions taken on the council's website.

The council's definition of a 'key decision' can be seen in part 1 of the council's [constitution](#).

Each item considered will have a report; appendices will be included (as appropriate). Regulation 9(1g) allows that other documents relevant to the item may be submitted to the decision maker. Subject to prohibition or restriction on their disclosure, this information will be published on the website usually five working days before the date of the meeting. Paper copies may be requested using the contact details below.

*The public can be excluded for an item of business on the grounds that it involves the likely disclosure of exempt (private) information as defined in part I of schedule 12a of the Local Government Act 1972. The relevant paragraph numbers and descriptions are as follows:

Paragraph 1 - Information relating to any individual

Paragraph 2 - Information which is likely to reveal the identity of an individual

Paragraph 3 - Information relating to the financial or business affairs of any particular person (including the authority holding that information)

Paragraph 4 - Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority

Paragraph 5 - Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings

Paragraph 7 - Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime

Part II of schedule 12a of the Local Government Act 1972 requires that information falling into paragraphs 1 - 7 above is exempt information if and so long, as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Nothing in the regulations authorises or requires a local authority to disclose to the public or make available for public inspection any document or part of a document if, in the opinion of the proper officer, that document or part of a document contains or may contain confidential information. Should you wish to make any representations in relation to any of the items being considered in private, you can do so – in writing – using the contact details below.
