

## **Update**

The Climate change group has met via Teams on 5th November (see published minutes)

The group did not meet in January 2021 however two e mail consultations took place in December and January and the following grant applications were approved for consideration by the Community Board – all were approved and sent to the full board by email, where there were no objections to the schemes. As such, they have been approved.

**No 1) Wildflower Planting Welcome to Seer Green: (Seer Green Parish Council application)**

Funding Requested £1,120

**No2) Installation of Bollards to verges (Chalfont St Peter Parish Council application)**

Funding Request £3553.80

**No3) Heritage Asset listing (Chalfont St Peter Parish Council application)**

Funding Request £5,000

**No4) Planting of Wildflowers (Chalfont St Giles Parish Council application)**

Funding Request £1,987.50
