Report for Community Board Meeting February 2021

- 1) Work on updating our Neighbourhood Plan is continuing led once again by Cllr Hazel North.
- 2) Thank you to the Community Board for the grant of £5,000 to enable us to carry out a Heritage Asset Listing. A lot of background work has been completed with a potential outline selection criteria to enable the nomination of assets.
- 3) As in many parts of the County at this time, flooding is continuing to be an issue particularly by the Greyhound. We have signed up to support a bid by Buckinghamshire Council to DEFRA to develop flood resilience in communities that are at risk of flooding from groundwater.
- 4) We are in the process of planting the balance of 17 trees to complete our 100 tree project.
- 5) We are installing a new multi-player climber at our play area on Mill Meadow.
