1 Executive summary

- 1.1 This report sets out the final co-ordinated admission scheme and the determined admission rules for voluntary controlled and community schools to be used for 2022 entry. These were the subject of a formal consultation with stakeholders in line with the national timelines as set out in the Department for Education (DfE) Schools Admissions Code.

2 Content of report

- 2.1 The Department for Education (DfE) Schools Admissions Code 2014 sets out the requirements for councils and admission authorities to follow with regard to (a) setting the Coordinated Scheme of Admission for Primary and Secondary Schools, and (b) determining the Admission Arrangements for Voluntary Controlled and Community schools.
- 2.2 The requirements in the Admissions Code are underpinned by the School Standards and Framework Act 1998, the Education Act 2002 and The School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012.
- 2.3 Prior to setting the Coordinated Scheme of Admission for Primary and Secondary Schools for September 2021 the Council is required to consult the governing bodies of community and voluntary controlled schools for which the Council is the admission authority, neighbouring admission authorities, governing bodies of academies, foundation and voluntary aided schools in Buckinghamshire, and other interested community groups for a minimum 6 week period which must be between 1 October and 31 January in the determination year.
- 2.4 Admission authorities for community and voluntary controlled schools are required to consult on admission arrangements whenever changes are proposed and at least every 7 years by consulting with the consultees listed above plus 'relevant parents' when setting the admission rules.
- 2.5 The consultation period for both the scheme and the rules was from 3 December 2020 to 21 January 2021 and was publicised for parents on the Council's website and an online response form was provided. As part of notifying the statutory consultees, all Buckinghamshire admission authorities were notified via the school bulletin of the proposals, and other statutory consultees were notified by email.

- 2.6 By Regulation 17 of the School Admissions Regulations 2012 the Council is then required to determine its admission rules by 28 February 2021, and to notify the Secretary of State that the scheme has been accepted by admission authorities.
- 2.7 In addition, the Regulations require the admission authority (in this case the local authority) to publish on its website by 15 March in the determining year the determined arrangements of all maintained primary and secondary school and academies in the county/borough, advising the right to object to the Schools Adjudicator, where it is considered that the arrangement do not comply with the mandatory provisions of the School Admissions Code 2014.
- 2.8 Comment was invited from:
- Parents of children between the ages of two and eighteen;
 - Other persons in the relevant area who have an interest in the proposed admissions;
 - All other admission authorities within the relevant area;
 - Adjoining neighbouring local authorities;
 - The Oxford Church of England Diocese and the Northampton Catholic Diocese.
- 2.9 As the proposed changes were very minimal changes it was not unexpected that no feedback was received in response to the consultation. The questions asked are attached as Appendix 3.
- 2.10 The Coordinated Admissions Scheme:** No substantive changes were proposed to the coordinated admissions scheme so the scheme as set out in Appendix 1 will be adopted.
- 2.11 The Admission Rules for Voluntary Controlled and Community Primary Schools:** No changes were proposed to the admission rules for voluntary controlled and community schools for admission for 2022 entry. The determined admissions policy for Buckinghamshire Voluntary Controlled and Community Primary Schools is therefore as set out in Appendix 2.
- 2.12 Published Admission Number (PAN) changes:** the following PAN increases requests from governing bodies which do not require formal consultation received no adverse comment.
- Little Chalfont School- to reinstate the entry point at Junior transfer with a PAN of +2.
 - Hughenden Primary School Reception intake - increase from 15 to 30 following recent building works.
- 

- 2.13 Primary School catchment changes:** following the change of age range for Denham Village School from an Infant to a Combined School and in conjunction with the governing body of Denham Green E-Act Academy, catchment area changes as set out in Appendix 4 and Appendix 5 were consulted upon. No objections were received by either school for these catchment changes so the council will adopt the proposed catchment area for Denham Village School as the agreed catchment area.
- 2.14 The Admission Rules for Community Secondary Schools:** No changes were proposed to the admission rules for community schools for admission for 2022 entry. The determined admissions policy for Buckinghamshire Voluntary Controlled and Community Primary Schools is therefore as set out in Appendix 6.
- 2.15 Relevant area 2023:** Appendix 7 sets the relevant area which has to be set for 2023, no change is proposed, and no comments were received. The relevant area is the area that will be covered by Buckinghamshire Council.

3. Other options considered

- 3.1 The Council is required to determine and publish its admission arrangements for September 2020 by 28 February 2020, by statute, having regard to the views of consultees.

4. Legal and financial implications

- 4.1 The current School Admissions Code (“the Code”) came into force on 19 December 2014 issued by the Department for Education under section 84 of the School Standards and Framework Act 1998. The Code is to be read alongside the School Admission Appeals Code, as well as the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012 (“the Regulations”) as amended by the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) (Amendment) Regulations 2014 (“the Amendment Regulations”). The Regulations came into force on the 1 February 2012 and the Amendment Regulations came into force on the 19 December 2014. The Code and the Regulations and the Amendment Regulations apply to admission arrangements determined in 2014 and later years.
- 4.2 In determining its admission arrangements for 2021 the Council has a statutory duty as an admission authority to act in accordance with the Regulations and with the relevant provisions of the Code.
- 4.3 As part of determining its admission arrangements, the Council must set an admission number for each school’s “relevant age group” i.e. the age group at which pupils are or will normally be admitted to the school.

- 4.4 Where changes are proposed to admission arrangements, the Code requires the admission authority to consult for a minimum of 6 weeks between 1 October and 31 January on their admission arrangements that will apply for the following academic year.
- 4.5 Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that admission authorities must consult on their admission arrangements at least once every 7 years, even if there have been no changes during that period.

5. Corporate implications

- 5.1 There are no corporate implications.

6. Communication, engagement & further consultation

- 6.1 This was the subject of a 6-week consultation with stakeholders during the period 3 December 2020 to 21 January 2021.

7 Next steps and review

- 7.1 Admission rules are subject to regular review and consultation with statutory consultees.
- 7.2 The policy forming part of this decision will be reviewed in line with national timescales ready for 2022 entry.
