Reasons for the Panel's Decision

In reaching their decision the Panel took into account the twenty objections raised by local residents and public bodies both written and oral and the representations made on behalf of the applicant.

The Panel noted that there had been no representations from other responsible authorities, in particular, the Chief of Police in respect of the licensing objective of prevention of crime and disorder and the Environmental Health Department in respect of the licensing object of the prevention of public nuisance.

The Panel were sympathetic to and understanding of the concerns raised by the application and noted in particular, the residential nature of the location of the premises. The Panel noted that there was a fear that the licensing objectives of public nuisance and crime and disorder would be undermined by anti-social behaviour and possible driving offences related to the consumption of alcohol. In addition, the Panel acknowledge the wider concerns expressed regarding those in society with alcohol dependency issues. The Panel also took note that a number of the objections were similarly worded. However, the Panel took account of the fact that there has been no history of complaints relating to the licensing objectives in respect of this licensed premises. Taking all the evidence into account and in the absence of representations from responsible bodies the Panel found that there

was no evidence to suggest that the proposed variation to the premises licence would undermine the licensing objectives.

In making their decision, the Panel also took into account the legislation, the statutory guidance issued under Section 182 Licensing Act 2003 and the Aylesbury Area Licensing Policy Statement.

In particular, the Panel had regard to paragraphs 10.13 to 10.15 of the statutory guidance in respect of the hours of the business.

In addition, the Panel also considered the Licensing Policy Statement covering the Aylesbury Area, in particular, Section 4 relating to the hours of a business and the balance to be struck between the rights of local residents and the premises licence holder.

The Panel considered very carefully the Buckingham Terminal Hours Policy which forms part of the Aylesbury Vale Area Licensing Policy Statement and recognised the unique nature of Buckingham Town Centre and the reasons for the introduction of the Policy. However, the Panel decided to agree to the grant of the variation of the premises licence and to depart from the policy for the following reasons:

- The premises is already open and trading for 24 hours a day at present.
- As a garage the premises already experiences vehicle traffic and there is no evidence that the changes will lead to a substantial increase in traffic.
- The applicant in offering the proposed conditions and agreeing to the amendments proposed to those conditions is seeking to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder.

The Panel has taken into account the relevant provisions of the Human Rights Act 1998, namely:

- Article 6 – the right to a fair hearing
- Article 8 – respect for private and family life
- Article 1, First Protocol – peaceful enjoyment of possessions.

The Panel considered that in granting the application with the conditions attached a balance has been struck between the rights of residents to private and family life and the rights of the applicant.

In all the circumstances, the Panel were satisfied that the application to vary the premises licence, with the revised conditions, was reasonable and proportionate and promoted the licensing objectives of the prevention of public nuisance, the prevention of crime and disorder, public safety and the protection of children from harm.

INFORMATIVE: The Panel noted that should issues of public nuisance and crime and disorder occur following the grant of the variation any party is able to request for a review of the premises licence under Section 51 Licensing Act 2003.

Any Party aggrieved by the Decision given in this Notice may make a written Appeal within 21 days to the Clerk to the Justices, Wycombe and Beaconsfield Magistrates Court, Milton Keynes Magistrates Court, 301 Silbury Boulevard, Milton Keynes, Buckinghamshire MK9 2AJ.
