

North West Chiltern Community Board

Funding Update

Funding Update

- **NWC CB Budget:**
 - Carried forward from last (2020/21): £109,228
 - 2021/22 budget: £244,096
 - Overall budget spend: £353,324
- **Each Community Board will make funding allocations for 2021/22 based on the following:**
 - 15% (min) to be spent on projects to improve the environment.
 - 15% (min) to be spent on projects supporting economic recovery.
 - Up to 25% (max) to be spent on transport projects.
- **NWC CB Budget:**
 - There is one funding pot (not three as the previous year).
 - Funding is now live on our website.
 - Clear and robust funding procedure across all boards.
 - Members of the Community Board will receive a monthly funding email from the coordinator, confirming the funding applications which require the boards view on whether they support.
