

Introduction

Buckinghamshire Council is the administering authority for the Local Government Pension Scheme (LGPS) on behalf of the employers participating in the LGPS through the Buckinghamshire Pension Fund (the Fund). The LGPS is governed by statutory regulations.

Regulation 61 of the Local Government Pension Scheme Regulations 2013 requires Funds to prepare, maintain and publish a written statement setting out its policy concerning communication. This policy statement outlines the Fund's position on:

- The provision of information and publicity about the Scheme to members, employers and representatives of members participating in the Fund.
- The promotion of the Scheme to prospective members and their employers.
- The format, frequency and method of distributing such information or publicity.

This Communication Policy Statement is effective from 5 July 2021 and will be reviewed at its scheduled review date in April 2023, or prior to this should changes be required. It is underpinned by an annual internal communications plan.

Key communication objectives

- Our messages should be timely, brief and easy to understand
- Wherever possible, we will use digital channels and electronic media for our messages due to their efficiency, security and accessibility
- Where digital channels are not suitable, we will use other methods of communication for our customers and stakeholders
- To provide relevant and timely information to our members to enable them to make informed decisions about their pension benefits
- To train and support scheme employers to enable them to fulfill their statutory responsibilities, as well as to cascade and share scheme information with their staff
- We will manage information securely in line with current data protection legislation
- To consult with relevant stakeholders about the Fund's management and administration
- To strive for continuous improvement and innovation in the way we communicate
- To consider diversity and inclusion in all communications

Key stakeholders

- Scheme members, split into three broad categories
 - Active scheme members
 - Deferred scheme members
 - Pensioner scheme members and dependants
- Prospective scheme members
- Scheme employers
- Pensions & Investments Team staff
- Our governing bodies i.e. the Pension Fund Committee and the Buckinghamshire Pension Board

- External bodies and member representatives

Communication with Scheme members

There are three categories of Scheme member;

- Active members who are contributing to the Scheme;
- Deferred members who have left the Scheme, but have not yet accessed their pension benefits; and
- Pensioner members and dependants who are in receipt of a pension.

Website

www.buckinghamshire.gov.uk/pensions is our main medium for communicating with Scheme members. It provides comprehensive information about the scheme and is split into a number of categories to ensure quick access and relevance to our varied target audiences. Our Scheme member guides, newsletters, forms and fact sheets are available for download. Our website is regularly reviewed and updated.

'My pension online' secure member portal

We are committed to increasing digital access and delivery of our services. By default all Scheme members have an online pension account, although registration is not automatic. 'My pension online' enables registered members to securely access their pension record at <https://ms.buckinghamshire.gov.uk>. The content and functionality available is tailored according to whether the member is active, deferred or a pensioner. 'My pension online' allows the Fund to communicate directly with our members, with general scheme updates, as well as personal member communications e.g. retirement benefit calculations and forms. It also provides a self-service facility allowing members to make changes to personal details such as their address and death grant nomination, along with a document upload functionality.

Email, post and telephone helpline

Our postal address and main email address for member enquiries (pensions@buckinghamshire.gov.uk) is widely published. Any email containing confidential member information is sent using the Egress Switch encrypted email service or by other secure means.

We have a dedicated helpline number for member enquiries (01296 383755), which is staffed by Member Liaison Officers from 09:00 to 17:30 Monday to Thursday and from 09:00 to 17:00 on Friday.

We have a dedicated email address for technical queries related to 'my pension online' (mypensiononline@buckinghamshire.gov.uk), managed by Member Liaison Officers.

Webinars, presentations and appointments

We run a programme of regular webinars for active scheme members or those wishing to join the scheme. These are bookable via the scheme employer. We are able to offer these presentations face to face upon request by Scheme employers, subject to meeting minimum attendance criteria.

Scheme members are able to book an appointment at one of our regular member surgeries to discuss individual questions relating to their pension benefits. These surgeries can be held face to face or via Microsoft Teams. While Pension Officers cannot provide financial advice, they can provide information on benefit entitlements under the Local Government Pension Scheme to help members make informed pension decisions.

Annual benefit statements

The Fund is legally required to provide an annual benefit statement by 31 August each year for all active,

deferred and pension credit members, as per Regulation 89 of the Local Government Pension Scheme Regulations 2013. Member statements are published to their online account each year. Members are able to opt out of online access to their pension record. Those who opt out of 'my pension online' are provided with printed annual benefit statements and newsletters sent to their home address.

Newsletters

We provide Scheme member update newsletters for active, deferred and pensioner scheme members at least annually, or more often, as required. The content is tailored to the audience to ensure that each newsletter is relevant and of interest. The newsletters are published on our website and are linked to the 'my pension online' scheme documents area. Copies are sent by post to members who have opted out of 'my pension online'. The number of printed copies is reducing as 'my pension online' registration increases.

Payslips/P60s

Payslips are sent to all pensioners twice per year to confirm that the address we hold for them is still current. P60s are issued by the end of May each year. Pensioners can access their monthly payslips and P60s via 'my pension online'.

Communication with prospective members

Our communication with prospective Scheme members is mainly via their employers. Employers contractually enrol all eligible staff in the LGPS. Scheme information is provided by employers within contracts of employment, which directs employees to the Fund's guides, forms and booklets at www.buckscc.gov.uk/lgpsguidesandforms.

Prospective members can request information, for illustration purposes, of the costs of joining the Scheme from their employer or from the national LGPS website at www.lgpsmember.org. These members are able to contact us by telephone, email, post or in person (by appointment).

Communication with Scheme employers

Employers in the Fund include scheduled bodies, designated bodies, admitted bodies and deemed employers, as defined in Regulation 3 of the Local Government Pension Scheme Regulations 2013.

Website

The Fund's website is accessible to all Scheme employers. The website includes a dedicated employer area at www.buckscc.gov.uk/lgpsemployers, which is regularly updated with changes to the Scheme, employer administration guidance, newsletters and other relevant information.

Email and telephone

Each Scheme employer is allocated a dedicated Employer Liaison Officer (ELO) who is their main contact for LGPS administration queries. As an introduction, ELOs issue our Employer Roles and Responsibilities guide (which forms a large part of our Service Level Agreement) to all new employers to the Fund. Scheme employers can email their ELO direct or send their queries to the shared employers@buckinghamshire.gov.uk mailbox. General employer communications are sent by email from the Fund's employer mailbox to recipients on the Fund's employer distribution list.

Any email correspondence which includes confidential information is sent by Egress Switch encrypted email service or other secure means e.g. password protection, or between servers with strong end-to-end encryption.

Newsletters

A quarterly employer newsletter 'In-Form' is produced for Scheme employers, which summarises

changes to Scheme legislation, policy, issues currently under debate and Scheme administration. It also includes bitesize training features and a frequently asked questions section to support employer training. The newsletter is sent directly to Employer contacts from the Employers' mailbox and is also available to download from the website.

i-Connect

i-Connect is a middleware technology solution which enables employers to automate their submission of data to the Fund and move to real-time monthly data reporting. i-Connect reduces the cost and risks associated with manually processing pension data. We are in the process of onboarding all our Employers to i-Connect.

Employer meetings, webinars and training sessions

Meetings with a member of the Employer Liaison Team and Scheme employers will take place at the request of us or the employer. Frequent meetings will be arranged for larger employers or where deemed necessary by either party.

Remote training is offered where possible as it is often convenient for the employer's business needs and reduces travel costs. Employer Liaison Officers are able to offer one to one training over the phone, via Microsoft Teams or, where required, face to face. We run a programme of regular employer webinars providing training on all aspects of the Employer role. Upon request we are also able to prepare bespoke webinars to meet Employer requirements.

Annual report and accounts

Copies of the Fund's annual report and accounts are published on our website by 1 December each year. Due to the length and complexity of the Fund's annual report, hard copies are not routinely provided, but can be produced on request.

Pensions general meeting

We invite representatives from all Scheme employers to attend the Pensions General Meeting, which takes place every 3 years in the year of the Fund valuation (i.e. the year prior to when the revised contribution rates from the valuation are due to come into effect). Speakers are varied but would always include a presentation by the Fund's actuary, Barnett Waddingham LLP.

FRS102 / IAS19 Reports

The FRS102 / IAS19 Reports are prepared annually and are emailed to relevant Scheme employers in PDF format.

Communication with members' representatives

Members' representatives include any individual or group enquiring or acting on behalf of a Scheme member with the Scheme member's authority e.g. trade unions, solicitors, independent financial advisors, etc.

Website

Members' representatives can access a wide range of Scheme information on our website, including our contact details for general enquiries.

Email, telephone and post

Our contact details are widely publicised and members' representatives can contact us by email, post or telephone.

Feedback from stakeholders

In order to continually develop and improve communication we actively encourage feedback from stakeholders. We have a dedicated mailbox set up to receive and encourage feedback: pension.feedback@buckinghamshire.gov.uk, and regularly issue short digital surveys to employers and members.

Communication within the Pensions & Investments Team

We recognise the importance of ensuring that all our staff are fully equipped with the appropriate knowledge and skills to enable them to perform their duties.

We are committed to our team's training and development needs and meet these needs by the use of email briefing notes and internal team meetings, as well as internal and external training sessions on specific topics. We also provide staff with a monthly technical newsletter summarising important Scheme changes, technical guidance, newly published training resources, and key statutory deadlines for the month.

Communication and Fund Governance

The Pension Fund Committee

Under Buckinghamshire Council's constitution, the Council has delegated responsibility for decision-making on pension Fund investments to the Pension Fund Committee. The Pension Fund Committee consults within the advisory framework and with officers, before making decisions within the scope of their delegated powers. The Committee receives professional advice from an investment consultant and support/information from an independent adviser on investment strategy and other investment matters. Pension administration matters are reported to the Pension Fund Committee as appropriate.

Full details of the Committee and minutes of all meetings can be found at:

Buckinghamshire Pension Board

The Local Government Pension Scheme (Amendment) (Governance) Regulations 2014 set out the requirements for an Administering Authority to establish a Local Pension Board.

The purpose of the Buckinghamshire Pension Board is to assist the Administering Authority in its role as a Scheme manager. This covers all aspects of governance and administration of the LGPS, including funding and investments. We work closely with the Buckinghamshire Pension Board, ensuring they can fulfil their duties and responsibilities, including the provision of relevant training.
