

BUCKINGHAMSHIRE COUNCIL
CONSTRUCTION OF ROAD HUMPS – HAYDON HILL, CYCLEWAY SCHEME –
RAISED CROSSINGS/ SPEED HUMPS CONSULTATION

NOTICE is hereby given that Buckinghamshire Council in exercise of the powers conferred by section 90A of the Highways Act 1980 (hereinafter called 'the Act') and of all other enabling powers and after consultation with the chief officer of police in accordance with section 90C(1) of the Act and those bodies or persons prescribed by the Highways (Road Humps) Regulations 1999 (hereinafter called 'the Regulations') and in accordance with section 90C(2) of the Act intends to construct road humps in the form of Raised Crossings/ Speed Humps at the locations specified in the Schedule to this Notice.

The dimensions of the road humps are as follows:

- (a) **Pershore way** will be 6m wide the width of the carriageway, the table top section will be 4m long with ramps either side at around 2m in length rising from carriageway height to top of kerb line which is 100mm.

The top 3m section (width of cycleway) will be marked in red as the line cyclists will take while crossing the carriageway, there will also be Give way lines either side of the table top and triangle markings which indicate the approaching ramps.

- (b) **Valor drive** will be 3m wide the width of the carriageway, the table top section will be 4m long with ramps either side, the West ramp will be 2.25m long and the East ramp will extend to 3m long to take advantage of the drainage. Red paint will be the same as Pershore Way.

- (c) **Avalon street** will be marked up with red top, give way lines and triangle warnings of the approaching ramps in the same way as Pershore way and Valor Drive.
