

# Record of an officer making an executive decision

Name of officer title:	Andy Kirkham, Forward Plans Manager
Subject matter:	Approval of the updated Local Development Scheme (LDS), which sets out the work programme for the production of the Vale of Aylesbury Local Plan later stages and intention to produce CIL and SPDs.
Date of decision:	15 November 2016
Decision	To approve the updated Local Development Scheme (LDS)
Reasons for decision:	It is a legal requirement to have a published LDS and the existing published one is out of date (Dec 2014). The broad timetable in the updated LDS has been updated to reflect the revised timetable of VALP agreed in November 2016, to include the SPDs mentioned in the VALP Draft Plan and latest timescale envisaged for CIL
Alternative options considered:	It is considered that the requirement for an LDS means it should be kept as up to date as possible and therefore there are no alternative options.
Any conflict of interest declared by a Cabinet Member who is consulted and any dispensations granted to them:	None identified
