Name of officer and title:	Andy Kirkham, Forward Plans Manager
Subject Matter:	Approval of the updated Local Development Scheme (LDS) of May 2017, which sets out the work programme for the production of the Vale of Aylesbury Local Plan.
Date of decision:	26 May 2017
Decision:	Approved
Reasons for decision:	It is a legal requirement to have an up-to-date LDS in place. The broad timetable in the updated LDS has been updated to reflect the progress with the latter stages of VALP and the timing of other documents to reflect resources available.
Alternative options considered:	Alternative timescales for reaching the submission and examination and later stages or not updating the LDS at all. Neither of these options were realistic and contrary to the legal duty.
Any conflict of interest declared by a Cabinet Member who is consulted and any dispensations granted to them:	None identified.
