Dispensation for all Members of AVDC who are also Members of BCC

Decision Maker: Lead Legal and Monitoring Officer

Decision status: Recommendations Approved

Is Key decision?: No

Is subject to call in?: No

Purpose:

Dispensation for all Members of AVDC who are also Members of BCC ("Twin Hatted" Members) in relation to the discussion of future options for the delivery of local government services in Buckinghamshire.

Decision:

The grant of a dispensation to "Twin Hatted" Members of the Council under Section 33 of the Localism Act, 2011, in accordance with the Council's Scheme of officer delegations. This puts beyond doubt their ability to participate in discussions on unitary options for Bucks.

Reasons for the decision:

To enable "Twin Hatters" to participate fully in any debates relating to the future delivery of local government services in Bucks.

Alternative options considered:

Not to grant the dispensation. However this would prevent a significant number of members from participating in the debate.

Interests and Nature of Interests Declared:

The grant of the dispensation would negate any conflicts of interest.
