Statement of Community Involvement (SCI) (Updated)

Decision Maker: Planning Policy Manager (Community Fulfilment)

Decision status: Recommendations Approved

Is Key decision?: Yes

Is subject to call in?: No

Decision:

To approve the updated Statement of Community Involvement (SCI), which sets out how the Council will consult for different aspects of planning policy and development management.

Reasons for the decision:

The updated SCI replaces the 2013 version, to take into account changes including new planning regulations introduced since 2013, and the changes in use of electronic communications.

Alternative options considered:

The 2013 SCI no longer reflected the latest government regulations, or AVDC business practices regarding consultation and efficient use of resources to offer value for money.

Interests and Nature of Interests Declared:

None identified.
