Approval of the updated Local Development Scheme (LDS) (October 2019)

Decision Maker: Assistant Director - Community Fulfilment

Decision status: Recommendations Approved

Is Key decision?: No

Is subject to call in?: No

Decision:

To approve the updated Local Development Scheme (LDS), which sets out the work programme for the production of the Vale of Aylesbury Local Plan.

Reasons for the decision:

It is a legal requirement to have an up-to-date LDS in place. The broad timetable in the updated LDS has been updated to reflect the progress with the latter stages of VALP and the timing of other documents to reflect resources available.

Alternative options considered:

These include considering alternative timescales for reaching the submission and examination and later stages or not updating the LDS at all. Neither of these options were realistic and are contrary to the legal duty.

Interests and Nature of Interests Declared:

None identified.
