Having spoken as Ward Member, Councillor G Sandy took no further part in the debate and voting on the item.

- 4 PL/21/2574/FA - 18 Chesterton Green, Beaconsfield, Buckinghamshire, HP9 1RE**  
Conversion of single dwelling house into 3 self-contained flats, two storey side/rear extension, single storey rear extension, front porch and extension to vehicular access.

This application was the subject of a site visit.

Having noted the change to the recommendation, Members voted in favour of the motion to refuse the application for the following reasons:

- The proposal, by virtue of its density and the appearance would result in a development that would be out of keeping with the character and appearance of the street scene and the area generally. As such, the proposal was contrary to saved policies EP3 and H9 set out in the South Bucks District Local Plan (adopted March 1999), Core Policy 8 of the South Bucks District Core Strategy (adopted February 2011) and the NPPF (2021).
- By virtue of the increased use from the additional units the proposal would result in additional disturbance and activity in connection with the plot which would be to the detriment of the residential amenities of neighbouring residents. As such, the proposal would be detrimental to the residential amenities currently enjoyed by the occupants of neighbouring properties, contrary to Policies EP3 and H9 of the South Bucks District Local Plan (adopted March 1999) and the NPPF (2021).

Speaking in objection: Mr Peter Foster, on behalf of the Beaconsfield Society.
