Potential pieces of work in other Select Committee's which HASC Members could link in with and report back to the Committee on:

- Children's SC – Young people with eating disorders
- Growth, Infrastructure and Housing – Infrastructure considerations when planning housing developments (including S106/CIL). Also links with education provision as well as health provision. Another issue - Key worker housing.

Possible Inquiry/Rapid Review items:

- Development of Primary Care Networks;
- Mental Health.

Issues to keep under review and to update Members on but not necessarily items for the Committee meetings:

- Progress with developing the community-led health centre in Long Crendon;
- Dentist provision – follow-up on comments/questions made after the March 2020 HASC meeting;

Issues to keep an eye on via Health & Wellbeing Board and through the issues coming before the Committee and review work:

- Community engagement exercise and the 4 themes identified – digital services, keeping people safe, community services and reducing health inequalities. Challenge how the results of this engagement work have been used to shape, inform and make improvements in the key areas. Engagement is ongoing with further engagement supposed to have been undertaken in the Summer 2021;
- Pharmaceutical Needs Assessment – due October 2022.
