

Disabled Parking Bays November 2021

Results of the Statutory Consultation October 2021 to November 2021

Author: Ian Thomas Approved by: Parking Operations Manager	Date: 22 nd December 2021
---	--------------------------------------

Transport for Buckinghamshire

SUMMARY

A statutory consultation took place between 19 October 2021 and 8 November 2021 to formalise the parking controls. These parking controls have been decided upon based on National Legislation (as detailed in the Highway Code) and feedback we received from residents and local people in the informal consultations.

A total of 18 roads were included in the statutory consultation and there were no responses via citizen space, email and letter.

All of the necessary information can be found online, and street notices were placed on lamp posts where appropriate.

Each road is broken down into different stakeholders who left feedback in the statutory consultation, these are grouped as 'residents', 'others' and if applicable, 'businesses/stakeholder groups'.

Residents – This refers to people who live on the affected road.

Others – This refers to people who do not live on the affected road, however they may use the road, have family who live on the road, or use a business on the road. Businesses, groups or councillors/councils who have commented but they may not necessarily own a property on the affected road. For example, they could be a Parish or Town Council, community group, school or other type of business/charity.

Parking Services

Location	Ward	Page
