Provide a general description of the premises

*Continued from previous page...*

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off- supplies you must include a description of where the place will be and its proximity to the premises.

The premises subject to this application is an existing convenience store with off licence. In January 2020 the premises licence for the property was revoked by the licensing committee due to non compliance on the part of the previous owner.

In December 2021, the applicant agreed to purchase the business and the sale/purchase is currently going through solicitors. The applicant was not involved on any level with the circumstances that led to the revocation of this licence and will operate this business in full compliance with all legislation and the licensing objectives. Upon taking over the store the applicant invested in a brand new CCTV system & has ensured that all polices and procedures are being followed.

As part of the process of this application and in order to mitigate any risk from the sales of alcohol and its impact on the licensing objectives, full consideration has been given to the conditions that are on the existing licence. As part of this process (and taking in to account the issue with the previous licence related to high strength cider and street drinkers) a comprehensive condition preventing the sale of high strength beer, lager and cider has been included on this application (more comprehensive then the previous licence which only restricted white cider).

Consideration was given to the restriction on the single cans and labelling but given that the condition above is so comprehensive in its nature and ensures that the problem products will not be available at this store, it is not deemed appropriate to impose any additional restriction.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

On first appointment, all staff employed at the premises will receive training on the Licensing Act 2003 including input on preventing underage sales, preventing sales of alcohol to people who are drunk and any other relevant matters. Training shall be regularly refreshed at no less than annual intervals. The training must be recorded and be accessible on the premises and made available for inspection upon request of a Police Officer or an authorised officer of the licensing authority or (in the case of online training) within 48 hours.

b) The prevention of crime and disorder

A CCTV system will be in operation at the premises and recorded images shall be retained for a period of 31 days. CCTV images will be provided to the police and other responsible authorities as soon as practicable and in any case within 48 hours of a request for such images, subject of the provisions of the DPA (or alternative police wording).

c) Public safety

An incident register will be maintained at the premises and made available to the authorities on request.

d) The prevention of public nuisance

A register of refusals of alcohol will be maintained at the premises. The register will be made available for inspection by the Police and other responsible authority

### NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

#### **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

#### **Documents which demonstrate entitlement to work in the UK**

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

*Continued from previous page...*

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,

    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
