## SUMMARY

A statutory consultation took place between 19<sup>th</sup> October and 8<sup>th</sup> November 2021 in order to formalise the parking controls around Buckinghamshire. Following guidance from the Highway Code (and National Legislation) and feedback from residents and local people, the following parking controls have been proposed. These controls were then sent to the Councillors of each of the affected wards and were invited to provide their feedback to the proposals put before them. This annex summarises the responses made by local Members and is supplementary to the Key Decision Report.

This document forms part of the overall **Countywide Changes to Highways Legal Orders**.

TfB – Member response annex

Buckinghamshire Council Member	Member of Ward	Location of Disabled Bay	Feedback	Notes
Gareth Williams	Chess Valley	Five Acres, Chesham	<p>This is the first I have heard of this.</p> <p>These seem to be all parking related. We have a few other parking issues in the ward as well and if there is a budget being allocated then we would like to go through the priorities in our ward. What are the criteria for this programme?</p>	Excluded line referring to different proposals.
Jilly Jordan	Great Brickhill	<b>Pound Hill and Rotten Row</b>	I fully support all the officer final recommendations for these TROs	Regarding <b>all</b> TRO's in their ward
Iain Macpherson			Fully support.
