5. Buckinghamshire Online Directory

At <https://directory.buckinghamshire.gov.uk> you can find activities, groups, organisations and services for adults in Buckinghamshire - from yoga and walking groups, to lunch clubs and social groups to advice and support. An exciting new feature is the ability for community groups, organisations and activities to add and keep up to date their own information about services and activities. You can log in or create an account at <https://www.buckinghamshire.gov.uk/community-and-safety/community-safety/bucks-online-directory/create-an-account/>

6. Community Cafes

One of the underlying principles we have in adult social care is working with our residents and partners close to where they live. *Community Cafes* was an idea developed by staff which means that adult social care is more visible in the community. We hold 8 *Community Cafes* a week in council-run day opportunity centres across the county. The aim is to provide a space for people to come to a booked appointment to meet with social care face to face in a warm and friendly environment. Other partners have joined us such as Occupational Therapists and One Recovery Bucks to help where people have other areas of support that they want to discuss. We hope that this will grow and that other partners will join the *Community Café* approach.

Adult social care uses *Community Cafes* if, after an initial phone discussion, the resident feels they need further information, advice or signposting. Booked appointments are used to have meaningful discussions with the person and their family which can prevent, reduce, delay the need for specialised care. They are also used to undertake care act assessments for social care and for carer assessments.

7. Jubilee Celebrations

There are many different ways in which everyone can mark the Jubilee and we'd like to encourage people of all ages across Buckinghamshire to come together and make it a special event that is remembered for years to come.

Communities can get involved in the Big Jubilee lunch or hold their own celebration event on/ around 5 June to celebrate the Queen's Platinum Jubilee.

[How you can get involved – The Queen's Platinum Jubilee 2022](#)

For anyone wishing to hold a Jubilee street party, the Council has waived the temporary road closure fee. You can request an application form for a temporary road closure by emailing events@buckinghamshire.gov.uk. The deadline for applications is 6 May 2022.

You can find out more about what we are doing at the council and how to apply for street party road closures on our website. [The Queen's Platinum Jubilee | Buckinghamshire Council](#)

As a council, we are working towards a number of projects that will enable the community to celebrate the Platinum Jubilee and provide a legacy for future generations.

In particular, we are supporting [The Queen's Green Canopy \(QGC\)](#), unique tree planting initiative created to mark the occasion which invites people from across the United Kingdom to "Plant a Tree for the Jubilee".

Tree planting is a great way to get involved in Jubilee celebrations and enhance the environment for future generations. We have offered trees to all schools, nurseries and care homes in the county. The first of these trees were planted during National Tree Week at the start of December.

We have also updated our tree planting guidance which details what to consider before deciding to plant a tree, as well as sources of funding that you may be able to claim to offset any costs, which includes applying for Community Boards funding:
