A site visit was carried out on 6 April 2022.

Susan Kitchen, Strategic Planning Adviser provided a verbal update on the report:

There had been two late representations primarily related to the Richmond Road/Broughton Lane junction, the early delivery of the Eastern Link Road and the concerns over Broughton Lane not being suitable to accommodate additional traffic but did not raise any new material representations.

The following minor amendments to the officer's report were read out:

- Page 4, paragraph 1.2; the first sentence should read 'since the resolution at work has progressed on the Section 106 legal agreement and was close to agreement in 2020'.
- Page 10, paragraph 2.19, line 8; should read, 'that the applicant submitted an addendum which anticipates that the Phase 1 development is completed and operational by 2024.' The Eastern Link Road is programmed to completed and operational by 31 December 2024. The remainder of the Phase 1 employment uses may not have been completed by that stage.
- On page 11 there were duplicate paragraph numbers for 2.18 and 2.19.
- Page 15, para 4.1 referred to Boughton Hamlet Parish as a council, however, it was a 'parish meeting'.
- There were some minor points of clarification on Pages 120 and 121 where the report set out the conditions but they were not read out due to being so minor.
- The legal agreement had been agreed with the applicant.

Speaking as a Member of Buckinghamshire Council, Councillor Mark Winn.
